Rockingham Park 1933-1969 A History Of Power Glamour And Gambling:

American Sweepstakes Kevin Flynn, 2015-09-22 By 1963 public lotteries a time honored if tarnished method of raising revenue for everything from the Roman roads to Washington's Continental Army had been outlawed in the United States for seventy years The only legal gambling in America was found in Nevada where mob involvement had at first been an open secret and then revealed as no secret at all In New Hampshire a conservative rural state with no sales tax and persistent problems with funding education state legislator Larry Pickett had filed a bill to establish a lottery in every legislative session since 1953 To the surprise of many it won passage a decade later and was signed into law by John King the state's first Democratic governor in forty years American Sweepstakes describes how King assembled an unlikely group of supporters including a celebrated FBI agent and the staunchly conservative publisher of the state's leading newspaper to establish the first state lottery in the nation paving the way for what is today a 78 billion enterprise Despite the remonstrations of the Catholic Church the threat of arrest by the federal government the strident denunciations of nearly every newspaper editorialist in the country and the very real fear that the lottery would be co-opted by the mob eleven thoroughbred racehorses leapt from the gate on September 12 1964 in the first New Hampshire Sweepstakes ushering in the lottery age in America

Rockingham Park, 1933-1969 Paul Peter Jesep, 1998 The saga of Lou and Lutz Smith is a paradox Lou brought horse racing to New Hampshire outraging many people and especially the state's religious community Yet during Lou's lifetime and after his death he and his wife gave millions of dollars to various charities both in New Hampshire and in Massachusetts especially Cardinal Cushing's Catholic charities
