Rocks In His Head:

Rocks in His Head Carol Otis Hurst, 2001-05-08 Some people collect stamps Other people collect coins Carol Otis Hurst's father collected rocks Nobody ever thought his obsession would amount to anything They said You've got rocks in your head and There's no money in rocks But year after year he kept on collecting trading displaying and labeling his rocks The Depression forced the family to sell their gas station and their house but his interest in rocks never wavered And in the end the science museum he had visited so often realized that a person with rocks in his head was just what was needed Anyone who has ever felt a little out of step with the world will identify with this true story of a man who followed his heart and his passion *Rocks in His Head* , **Mass Assassination** Carl E. Remmers, 2009-05 President Chaon was in the first year of his second term A gigantic fundraiser was being held at the Colonial Hotel in Washington DC Nearly every Democratic Senator and Congressman as well as most of the Cabinet officers were in attendance Only the Secretary of HUD Donna Eiseland and the newly appointed Secretary of Interior Cody Clark were absent Shortly after the gala event started an explosion caused the hotel to implode killing nearly the entire line of Presidential succession Soon after the explosion three countries invade their neighbors and others are poised to do the same Quick and decisive action is required to avert World War III The new President is tested when one of the aggressor nations fires a nuclear missile at an American Airbase The United States military is called into action to bring a return to world peace In the midst of this chaos it was politics as usual in the United States Congress Senate and House leaders were involved in a power struggle with the new President The government must determine who financed and carried out the Mass assassination and how to punish those responsible for the tragedy Brotherhood of the Gun William W. Johnstone, 2018-06-26 The blood brothers take to the badlands in a gun blazing Western adventure from the New York Times bestselling author of the Preacher novels Young Matt Bodine and Sam Two Wolves became blood brothers on the day the rancher's son saved the warrior's life forging a bond no one could ever break And as years passed a legend grew of the Cheyenne and the white man who rode together and who could jerk killing iron with the best of them Brotherhood of the Gun The blood brothers ride into the blistering heat and wind of the Arizona badlands They're hard on a trail that leads deep into Apache territory toward the Mexican border where a gang of desperados are running guns to the Apache and white slaving kidnapped children Along the way Matt and Sam hook up with two companions a prideful mountain man who lost his granddaughter in a raid and a young woman in search of her brother Now with outlaws ahead of them and warring Apaches on every side it's time for some hard case frontier justice along a trail blazed by bullets and lined with bodies Live Free Read Hard Praise for the novels of William W Johnstone A rousing two fisted saga of the growing American frontier Publishers Weekly on Eyes of Eagles There's plenty of gunplay and fast paced action as this old time hero proves again that a steady eye and quick reflexes are the keys to survival on the Western frontier Curled Up with a Good Book on Dead Before Sundown **The Longest Cave** Roger W.
