

Roger Quilter

Lei Shi

Roger Quilter:

Roger Quilter Valerie Langfield, 2002 In the remainder of the book Valerie Langfield discusses and contextualises all his music songs chamber orchestral and theatre music and his light opera *Julia* performed at Covent Garden in 1936 **BOOK JACKET** **Roger Quilter** Roger Quilter, **The Songs of Roger Quilter** Roger Quilter, David Johnston, Christopher Keyte, Daphne Ibbott, Rae De Lisle, 1976 *Roger Quilter 1877-1953* Valerie Langfield, Presents information on English composer Roger Quilter 1877 1953 Contains a biography of Quilter a photograph a catalog of his works and a selective list of recordings of his music Discusses his works and notes that although he wrote mostly songs there are a few piano pieces orchestral pieces and incidental music to theatrical works as well as a few chamber works **The Chesterian**, 1910 **a study of the songs of Roger Quilter (1877-1953)**. Trevor Hold, 1978 **The songs of Roger Quilter** Royce Alan Isham, 1966 **Song** Carol Kimball, 2006-12 Naslagwerk van de liedkunst en de literatuur hierover **Roger Quilter 1877-1953** Valerie Gail Langfield, 2004 **Singer's Library of Song** Patrick M. Liebergen, 2005-05 The newest addition to our Alfred Vocal catalog Singer's Library of Song features 37 of the world's best loved songs from the Medieval era though the 20th Century presented with historical information and performance suggestions that are designed to enhance and educate developing vocalists Art Songs Arias Folk Songs Spirituals and Lieder they're all here and they're all beautifully laid out in this comprehensive 200 page anthology for vocal study English Latin Italian German French Spanish and Hebrew texts are included and accurate translations and IPA pronunciation guides pave the way for serious singers Available in low medium and high editions with optional accompaniment CDs set of 2 Singer's Library of Song is a must have for every voice teacher and student **An Open Secret** Nicholas L. Syrett, 2021-04-05 In 1922 Robert Allerton described by the Chicago Tribune as the richest bachelor in Chicago met a twenty two year old University of Illinois architecture student named John Gregg who was twenty six years his junior Virtually inseparable from then on they began publicly referring to one another as father and son within a couple years of meeting In 1960 after nearly four decades together and with Robert Allerton nearing ninety they embarked on a daringly nonconformist move Allerton legally adopted the sixty year old Gregg as his son the first such adoption of an adult in Illinois history **An Open Secret** tells the striking story of these two iconoclasts locating them among their queer contemporaries and exploring why becoming father and son made a surprising kind of sense for a twentieth century couple who had every monetary advantage but one glaring problem they wanted to be together publicly in a society that did not tolerate their love Deftly exploring the nature of their design domestic and philanthropic projects Nicholas L. Syrett illuminates how viewing the Allertons as both a same sex couple and an adopted family is crucial to understanding their relationship's profound queerness By digging deep into the lives of two men who operated largely as ciphers in their own time he opens up provocative new lanes to consider the diversity of kinship ties in modern US history **Greene's Biographical Encyclopedia of Composers** David Mason Greene, 1985 **The Life, Times and Music of**

Mark Raphael Gillian Thornhill, 2012-10-31 This biography explores the life of Harris Furstenfeld born in 1900 of Polish Jewish immigrant parents into the dire poverty of London's East End. Fatherless six weeks after his birth, his childhood is one of hardship and deprivation yet his love of music transcends the squalor of his surroundings. His mind is filled with the immovable ambition to become a concert singer no matter what the obstacles. He decides to change his name to Mark Raphael and to forge a career for himself. From soup kitchens and second hand clothes to direct charity, bullying, persistent worry about making ends meet and living through two world wars, his struggles enable him to achieve his goal and much more.

Art Song Carol Kimball, 2013-05-01 Book *Art Song: Linking Poetry and Music* is a follow up to author Carol Kimball's bestselling *Song: A Guide to Art Song Style and Literature*. Rather than a general survey of art song literature, the new book clearly and insightfully defines the fundamental characteristics of art song and the integral relationship between lyric poetry and its musical settings. Topics covered include poetry basics for singers, exercises for singers in working with poetry, insights into composers' musical settings of poetry, building recital programs, performance suggestions, and recommended literature for college and university classical voice majors. The three appendices address further aspects of poetry guidelines for creating a recital program and representative classical voice recitals of various descriptions. *Art Song: Linking Poetry and Music* is extremely useful as an unofficial text for college/university vocal literature classes, as an excellent resource for singers and voice teachers, and of interest to all those who are fascinated by the rich legacy of the art song genre.

The Walled-in Garden Trevor Hold, 1978 *Sensibility and English Song* Stephen Banfield, 1985 This highly acclaimed study of English song is the first detailed account of an unusually fruitful interrelationship between English music and English poetry. The period covered is known as the English Musical Renaissance and runs from the last years of the nineteenth century to the Second World War. Stephen Banfield traces the late flowering of Romantic impulses in solo song during these years, surveying it from critical, analytical, and historical angles. He plots the growth of the English stylistic sensibility in song in the decades leading up to the First World War, discusses in detail the plateau it reached between the wars, particularly in the 1920s, and shows how and why it declined as other musical concerns took the field. Poets whose verse was set to music most frequently, including Housman, Hardy, de la Mare, and Yeats, are treated at length, as are pre-eminent song composers such as Butterworth, Finzi, Gurney, Ireland, Quilter, Somervell, Stanford, Vaughan Williams, and Warlock. In all, more than fifty composers are discussed, and numerous individual songs. In the final section of the book, besides providing an extensive bibliography, Dr Banfield catalogues over 5,000 songs, giving dates of composition and publication and much other detail listed by composer. This comprehensive survey will prove an invaluable reference guide to all students of the subject.

Grainger the Modernist Suzanne Robinson, Kay Dreyfus, 2016-03-09 Unaccountably Percy Grainger has remained on the margins of both American music history and twentieth-century modernism. This volume reveals the well-known composer of popular gems to be a self-described hyper-modernist who composed works of uncompromising dissonance, challenged the conventions of folk

song collection and adaptation re visioned the modern orchestra experimented with ego less composition and designed electronic machines intended to supersede human application Grainger was far from being a self sufficient maverick working in isolation Through contact with innovators such as Ferruccio Busoni L on Theremin and Henry Cowell promotion of the music of modern French and Spanish schools appreciation of vernacular jazz and folk musics as well as with the study and transcription of non Western music he contested received ideas and proposed many radical new approaches By reappraising Grainger s social and historical connectedness and exploring the variety of aspects of modernity seen in his activities in the British American and Australian contexts the authors create a profile of a composer propagandist and visionary whose modernist aesthetic paralleled that of the most advanced composers of his day and in some cases anticipated their practical experiments

Grainger on Music Percy Grainger, 1999 Cyril Scott once described Percy Grainger as a lovable eccentric The Australian American pianist composer ethnologist and aspiring all round man was however more eccentric to his own age than to ours His views on the environment food the body participatory democracy and sex all anticipated by several decades views more typical of the mid late twentieth century Prolific as a composer performer and recording artist Grainger was an indefatigable writer This selection of forty six essays about the production promotion and propagation of music is drawn from his over 150 public writings Written between the turn of the century and the early 1950s these essays reveal Grainger s youthful compositional plans his ideas about piano technique and his enduring high regard for the music of Edvard Grieg Frederick Delius and Frankfurt Group colleagues Cyril Scott Roger Quilter and Henry Balfour Gardiner Grainger on Music also pursues his evolving thoughts about Nordic music Free Music instrumental usage and his occasional suggestions for musical development in Australia and the United States

Blake Set to Music Donald Fitch, 2023-11-15

Blake Set to Music A Bibliography of Musical Settings of the Poems and Prose of William Blake by Donald Fitch offers an extensive and meticulously compiled reference work detailing the musical interpretations of William Blake s poetry What began as a casual search in 1976 to fulfill a request for Blake settings for male chorus soon turned into a comprehensive project revealing a surprising gap in musical bibliography While Shakespeare and other poets had well documented musical settings Blake s work had no such resource until now Fitch s research uncovers a fascinating trend the use of Blake s poetry in musical compositions is largely a 20th century phenomenon though it has roots in the late 19th century From Blake himself reportedly singing his poems to original tunes to early settings by musicians like Mary Carmichael in 1876 Fitch traces how Blake s works captured the imagination of composers The bibliography spans amateur and professional musicians encompassing settings for solo voice choirs chamber ensembles and orchestras The book highlights over 250 musical settings of Blake s The Lamb making it the most popular choice among composers while other well loved poems like The Tyger and Spring also appear frequently Interestingly it also explores Blake s influence beyond the English speaking world particularly in post World War II compositions by Scandinavian Russian and European composers Fitch s bibliography not only provides a

rich resource for scholars musicians and Blake enthusiasts but also charts a cultural shift As musical tastes evolved so too did the appreciation for Blake s poetic depth with his works being embraced by an ever widening range of composers across the globe This bibliography stands as an essential guide to the diverse and evolving relationship between Blake s visionary poetry and the world of music This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1990 **The ^AOxford Handbook of Shakespeare and Music**

Christopher R. Wilson,Mervyn Cooke,2022-02-11 The Oxford Handbook of Shakespeare and Music showcases the latest international research into the captivating and vast subject of the many uses of music in relation to Shakespeare s plays and poems extending from the Bard s own time to the present day
