Rogue Reels Oppositional Film In Britain 1945 90:

Rogue Reels Margaret Dickinson,2019-07-25 Margaret Dickinson's history of oppositional film is a pioneering account of an important but little documented aspect of modern British Cinema the often extreme form of independent cinema that accompanied the radical politics of the 1960s and 70s During the 70s an organized independent film and video movement emerged including such filmmaking groups as London Filmmakers Co op Cinema Action Amber Liberation Films and Sheffield Co op This avant garde exerted an increasing influence within the British media mainstream changing attitudes and practice and enabling cross over work by filmmakers such as Peter Greenaway and Sally Potter This oppositional sector revolutionized British media especially during the formation of Channel Four at the start of the 1980s even as the political landscape at large was shifting dramatically to the right Organized into three parts **Rogue Reels** provides the first overview of the various strands of politicized filmmaking that emerged in postwar Britain Part I is a concise history of the movement Part II collects key texts and documents from the period 1971-92 Part III is made up of seven oral histories of the most influential production houses Recuperating the radical tradition of postwar filmmaking which continues to impact on today's media culture **Rogue Reels** raises urgent issues of policy and practice Mixing narrative with first hand accounts and the important statements and documents of this movement the book provides the first overview of the different strands of filmmaking that are still impacting on avant garde and mainstream practice

The British Consumer Co-operative Movement and Film, 1890s-1960s Alan Burton,2005-09-03 This volume provides a new study on the Co-operative Movement's engagement with film for educational cultural and publicity purposes It provides insights into the political and commercial use of cinema in the 20th century and significantly extends our understanding of the achievements of workers cinema in Britain

Reel Rebels: the London Film-Makers' Co-Operative 1966 to 1996 Joy I. Payne,2015-07-17 The London FilmMakers Cooperative was founded in 1966 by a group of artists who sought to explore the possibilities of the moving image whilst maintaining autonomy over the production distribution and exhibition of their work Although their films were not overtly political artists nevertheless expressed their political attitudes by creating nonnarrative films thereby rejecting conventional narrative structures associated with mainstream commercial cinema which they perceived as supporting the dominant ideology in society A return to narrative in the 1980s coincided with the introduction of British Art Cinema and the art house films of Derek Jarman Peter Greenaway and Sally Potter all of whom made experimental films in the early days of the London Co op

British art cinema Paul Newland,Brian Hoyle,2019-07-23 This is the first book to provide a direct and comprehensive account of British art cinema Film history has tended to view British filmmakers as aesthetically conservative but the truth is they have a long tradition of experiment and artistry both within and beyond the mainstream Beginning with the silent period and running up to the 2010s the book draws attention to this tradition while acknowledging that art cinema in Britain is a complex and fluid concept that needs to be considered within broader concerns

It will be of particular interest to scholars and students of British cinema history film genre experimental filmmaking and British cultural history

Historical Dictionary of British Cinema Alan Burton, Steve Chibnall, 2013-07-11 British cinema has been around from the very birth of motion pictures from black and white to color from talkies to sound and now 3D it has been making a major contribution to world cinema Many of its actors and directors have stayed at home but others ventured abroad like Charlie Chaplin and Alfred Hitchcock Today it is still going strong the only real competition to Hollywood turning out films which appeal not only to Brits just think of Bridget Jones while busily adding to franchises like James Bond and Harry Potter So this Historical Dictionary of British Cinema has a lot of ground to cover This it does with over 300 dictionary entries informing us about significant actors producers and directors outstanding films and serials organizations and studios different films genres from comedy to horror and memorable films among other things Two appendixes provide lists of award winners Meanwhile the chronology covers over a century of history These parts provide the details countless details while the introduction offers the big story And the extensive bibliography points toward other sources of information
