Long Time No See Low Price Cd:

Long Time, No See Dermot Healy, 2013-06-25 From Ireland's finest living novelist Roddy Doyle a funny moving exquisitely written novel about a community on the cusp of change Acclaimed Irish author Dermot Healy's first novel in more than ten years is a rich beguiling and wonderfully funny story about community family love and bonds across generations an epic in miniature that features an unforgettable cast of innocents and broken eccentrics The novel presents the bemusing and unsettling misadventures of Philip Feeney known to one and all as Mister Psyche a teenager haunted by a recent traumatic event who takes up with two men some fifty years his senior Its still lyrical power casts a miraculous literary spell and will appeal to readers of William Trevor Roddy Doyle John McGahern and Anne Enright Long Time, No See Beth Finke, 2010-10-01 Long Time No See is certainly an inspiring story but Beth Finke does not aim to inspire Eschewing reassuring platitudes and sensational pleas for sympathy she charts her struggles with juvenile diabetes blindness and a host of other hardships sharing her feelings of despair and frustration as well as her hard won triumphs Rejecting the label courageous she prefers to describe herself using the phrase her mother invoked in times of difficulty She did what she had to do With unflinching candor and acerbic wit Finke chronicles the progress of the juvenile diabetes that left her blind at the age of twenty six as well as the seemingly endless spiral of adversity that followed First she was forced out of her professional job Then she bore a multiply handicapped son But she kept moving forward confronting marital and financial problems and persevering through a rocky training period with a seeing eye dog Finke's life story and her commanding knowledge of her situation give readers a clear understanding of diabetes blindness and the issues faced by parents of children with significant disabilities Because she has taken care to include accurate medical information as well as personal memoir Long Time No See serves as an excellent resource for others in similar situations and for professionals who deal with disabled adults or children

The Two-Minute Warning Bob Ross Thomas, 2013-07 The Two Minute Warning is a novel that takes a journey with John Starr who is an evangelist and watchman in the end times in his travels sounding the alarm of warning that God has appointed him to sound It is a story of revival and of the end time harvest This is a must read for anyone who wants to expand their understanding of spiritual warfare and catch the enthusiasm of the author in taking up their cross to follow Jesus Great story I loved it Melissa Geno Kingdom Warriors I find Bob Ross Thomas's book The Two Minute Warning a timely warning to the Church in America to truly walk in repentance and humility From his evangelistic travels to the prophetic dreams given to him by God I truly believe he is a watchman and must blow the trumpet of warning Gene Schmidt exec vice president Hand pf Help Ministries
