Looking Back Memoirs And Photographs:

Looking Back Todd Webb, 1991 Born in 1905 Webb began keeping a journal in 1946 the same year he moved to New York and took up photography in earnest These memoirs document not only Webb s struggles as a young photographer but also the heady atmosphere of New York in the forties and fifties The many photographs all in bandw are simply magnificent Annotation copyrighted by Book News Inc Portland OR [A Look Back in Time: Memoir of a Military Kid in the 50s](#) Bernard N. Lee, Jr., 2017-12-19 A Look Back in Time Memoir of a Military Kid in the 50s Vol II is a 2020 International Best Book Awards Finalist This book is a fascinating insightful inspiring and sometimes hilarious chronicle of life while growing up in a military family Readers will enjoy the stories of life in the fifties told from a child s perspective Through the stories readers learn the virtues of tolerance fairness perseverance resilience and other life serving qualities needed for survival in today s world These qualities are timeless Readers young and old will recognize these virtues and themselves inside the stories Review by Colonel Arnold R Goodson United States Army Retired A Look Back in Time finds our military kid living in Deutschland while attending an American middle school and high school His adventures with the German and American young adults are rich in history suspense and surprises You will enjoy the stories of this well traveled military kid as he navigates his early teen years in Germany during the fifties We follow this young adult as he learns to speak German spreken sie deutsch ice skate with the local teens learn to play the guitar jam with a local band and explore the fascinating beauty of the Black Forest These are adventures he will cherish for the rest of his life You are invited to share them in A Look Back in Time Author Bernard N Lee Jr **Maine Photography** Libby Bischof, Susan Danly, Earle G. Shettleworth, 2023-11-22 Maine has always played a rich and varied role in the art of photography For hundreds of years photographers like other artists have made their way to Maine to capture the natural beauty and human culture of the state So too have many photographers come from Maine and many contributions by Mainers have been made to the medium Maine in Photography is the first comprehensive overview of the history of photography in the state Providing basic knowledge of the most important people and institutions to have promoted photography this volume also studies the ways in which photography has informed the understanding of the social and cultural history of Maine Beginning with the earliest daguerreotype portraits of the 1840s this history traces the growth of the medium emphasizing key contributions such as the Stanley brothers invention of the dry plate process through to the present Key topics addressed throughout the book include the importance of photography in documenting labor and economic life the close relationship between photography and the growth of tourism and the role of Maine photographers in advancing the medium as a fine art form Published in conjunction with the Maine Photo Project this is a unique and timely addition to the body of work on the importance of Maine to American art *Full Bloom* Hunter Drohojowska-Philp, 2011-10-03 The definitive life of O Keeffe Hilton Kramer Los Angeles Times Georgia O Keeffe 1887 1986 was one of the most successful American artists of the twentieth century her arresting paintings of

enormous intimately rendered flowers desert landscapes and stark white cow skulls are seminal works of modern art But behind O Keeffe s bold work and celebrity was a woman misunderstood by even her most ardent admirers This large finely balanced biography offers an astonishingly honest portrayal of a life shrouded in myth **Encyclopedia of Life Writing** Margaretta Jolly,2013-12-04 First published in 2001 This is the first substantial reference work in English on the various forms that constitute life writing As this term suggests the Encyclopedia explores not only autobiography and biography proper but also letters diaries memoirs family histories case histories and other ways in which individual lives have been recorded and structured It includes entries on genres and subgenres national and regional traditions from around the world and important auto biographical writers as well as articles on related areas such as oral history anthropology testimonies and the representation of life stories in non verbal art forms **Picturing Migrants** James R. Swensen,2015-10 As time passes personal memories of the Great Depression die with those who lived through the desperate 1930s In the absence of firsthand knowledge John Steinbeck s The Grapes of Wrath and the photographs produced for the New Deal s Farm Security Administration FSA now provide most of the images that come to mind when we think of the 1930s That novel and those photographs as this book shows share a history Fully exploring this complex connection for the first time Picturing Migrants offers new insight into Steinbeck s novel and the FSA s photography and into the circumstances that have made them enduring icons of the Depression Looking at the work of Dorothea Lange Horace Bristol Arthur Rothstein and Russell Lee it is easy to imagine that these images came straight out of the pages of The Grapes of Wrath This should be no surprise James R Swensen tells us because Steinbeck explicitly turned to photographs of the period to create his visceral narrative of hope and loss among Okie migrants in search of a better life in California When the novel became an instant best seller upon its release in April 1939 some dismissed its imagery as pure fantasy Lee knew better and traveled to Oklahoma for proof The documentary pictures he produced are nothing short of a photographic illustration of the hard lives and desperate reality that Steinbeck so vividly portrayed In Picturing Migrants Swensen sets these lesser known images alongside the more familiar work of Lange and others giving us a clearer understanding of the FSA s work to publicize the plight of the migrant in the wake of the novel and John Ford s award winning film adaptation A new perspective on an era whose hardships and lessons resonate to this day Picturing Migrants lets us see as never before how a novel and a series of documentary photographs have kept the Great Depression unforgettably real for generation after generation A Boy from Digboi - A Memoir Debasish Ghosh,2022-07-19 When the idea of penning down my memories of a life varied across many facets first struck the author it was then little more than ticking off an item in a wish list Gradually this changed to be a more substantial effort to a journal of life a legacy of sorts to people who have made a difference to his life for better or worse When we think of human interactions and relationships covering bonds of love friendship hatred and indifference we soon realize that they are far more complex than the simple and deterministic laws of physics and chemistry What we know can only be understood

through a multi dimensional function of time persona and many other unknown factors Over the last six decades the author has seen relationships change colour and shape form and strength not once but many times Does that make us chameleons in a sense No it is just that the human mind and heart resemble kaleidoscopes that keep generating different images even if exactly the same stimulus is given but at different points of time *Image in Outline* Gisela Brinker-Gabler,2012-08-09 A
