Katherine Grieb, 2002-01-01 A Katherine Grieb insightfully traces the argument of Paul s letter to the Romans and shows how it is grounded in the story of God s faithfulness to Israel She draws together a number of crucial insights the narrative character of Paul s thought the apocalyptic message of his gospel the depth of his engagement with Israel s Scripture and the practical and political impact of his theology She demonstrates the letter s relevance today and invites

contemporary readers to locate their own stories within Paul's account of God's righteousness. Informed by recent Pauline scholarship, this book will be useful to scholars, students, and pastors. **Paul's Lifesong of Joy and Unity** Sharon I.

Gresham, 2012-09-05 When Paul and Silas were in prison in Philippi, they burst into singing. Paul looked at life with a joyful song. He found delight when believers lived in harmony. The theme of this Bible study is Paul's Life Song. Hear his song in the letter he wrote to Philippi, even while in another prison. Some strains explode with joy, while other stanzas carry a minor melody to encourage or warn the people he loved. Study his messages and learn how to apply Paul's attitudes regardless of his circumstances. This Bible study is rich with insights into the Hebrew and Greek and covers themes Paul brings from the Old Testament or other New Testament teachings. Dive deeper into those themes by taking important excursions into the background of the topics. This in-depth, verse-by-verse investigation is valuable for individuals or groups. Enjoy the commentary while completing the workbook and applying the messages to everyday situations. Determine your timeframe for the study as you discover what the Lord Jesus wants to do in your life through Paul. I've had the privilege of knowing Sharon Gresham as a teacher, speaker, for many years, and now as a writer. Her commitment to in-depth study and application of the Bible is refreshing. The Philippians study equips the pastor, teacher, with a resource much needed in the church today. I am excited to teach this study both in our church and as we minister internationally. Darrel Auvenshine, pastor of Southside City Church, Fort Worth, Texas. With a gift for accurately communicating God's Word in a relevant and personal way, Sharon Gresham's in-depth study of Philippians will delight and thrill any serious student of the Scriptures. I highly recommend it. Scott Whitson, director of missions, Southwest Metroplex Baptist Association and former missionary to Tanzania. **Pastor**

Paul (Theological Explorations for the Church Catholic) Scot McKnight, 2019-09-03 Being a pastor is a complicated calling. Pastors are often pulled in multiple directions and must become all things to all people. 1 Cor 9:22. What does the New Testament say or not say about the pastoral calling? And what can we learn about it from the apostle Paul? According to popular New Testament scholar Scot McKnight, pastoring must begin first and foremost with spiritual formation, which plays a vital role in the life and ministry of the pastor. As leaders, pastors both create and nurture culture in a church. The biblical vision for that culture is Christoformity or Christlikeness. Grounding pastoral ministry in the pastoral praxis of the apostle Paul, McKnight shows that nurturing Christoformity was at the heart of the Pauline mission. The pastor's central calling then is to mediate Christ in everything. McKnight explores seven dimensions that illustrate this concept: friendship, siblings, generosity, storytelling, witness, subverting the world, and wisdom. As he calls pastors to be conformed to Christ and to nurture a culture of Christoformity in their churches. **CSB (in)courage Devotional Bible** (in)courage, CSB Bibles by

Holman, 2018-10-01 The CSB in courage Devotional Bible invites women to courageously engage with the biblical narrative to discover how it intersects with their own unique story. Imagine Paul G. Roger Greene, 2024-10-17 Can the real Paul the apostle live again in a postmodern technological age Paul's ministry stood at the very headwaters of the Christian gospel surrounding Jesus of Nazareth His letters are the earliest documents contained in the New Testament The current work calls upon the reader to actively engage Paul in his context rather than to affirm the assumed theological Paul of later Christian orthodoxy The reader is thus invited to walk with a more real Paul as he may be imagined from the sources we have to think Paul's thoughts with him through his letters and to more fully experience the gospel of God that Paul knew and proclaimed Paul was a man in Christ directly called by God to announce the gospel of God to both Jew and gentile in the midst of a world ruled by Rome He did so through two major campaigns rather than three missionary journeys He wrote pastoral letters to real first century churches The real Paul did not write theology but he rather proclaimed a gospel to a world in search of a soul The Story of St. Paul's Parish Toronto, 1922

Ecumenical Missionary Conference, New York, 1900: The story of the conference. The missionary idea. Survey of the field, 1900 Contextualization in the New Testament Dean Flemming, 2025-06-06 Winner of a Christianity Today Book Award Honored as one of the Fifteen Outstanding Books for Mission Studies by International Bulletin of Missionary Research From Cairo to Calcutta from Cochabamba to Columbus Christians are engaged in a conversation about

how to speak and live the gospel in today's traditional modern and emergent cultures. The technical term for their efforts is contextualization. Missionary theorists have pondered and written on it at length. More and more those who do theology in the West are also trying to discover new ways of communicating and embodying the gospel for an emerging postmodern culture. But few have considered in depth how the early church contextualized the gospel. And yet the New Testament provides numerous examples. As both a crosscultural missionary and a New Testament scholar, Dean Flemming is well equipped to examine how the early church contextualized the gospel and to draw out lessons for today. By carefully sifting the New Testament evidence, Flemming uncovers the patterns and parameters of a Paul or Mark or John as they spoke the Word on target, and he brings these to bear on our contemporary missiological task. Rich in insights and conversant with frontline thinking, this is a book that will revitalize the conversation and refresh our speaking and living the gospel in today's cultures, whether in traditional modern or emergent contexts.

Holman Illustrated Bible Handbook Holman Reference Staff, 2012-10-01. Many who would be willing to search for truth in the Bible are intimidated by its size, the length of time it spans the different languages and cultures within, or questions about the historical reliability and contemporary relevance of Scripture. The Holman Illustrated Bible Handbook is designed with an awareness of the obstacles people have to understanding the Bible. It begins with an essay on How to Read and Study the Bible before proceeding to chapters that provide a thorough overview of each of the Bible's 66 books, summarizing each one's content, author, evidences of authenticity, and historical context. In addition to the full color maps, photographs, reconstructions, and charts that equip readers throughout the volume, a smartphone accessible QR code is included for each chapter that leads to related online teaching from noted Bible scholar Gene Getz. There's also an article by Jeremy Howard, general editor of the award-winning HCSB Study Bible, explaining how each book of the Old and New Testaments was accepted into the Bible.
