**Recycled Stars** Mary R. Desjardins, 2015-04-26. The popularity of television in postwar suburban America had a devastating effect on the traditional Hollywood studio system. Yet many aging Hollywood stars used television to revive their fading careers. In *Recycled Stars*, Mary R. Desjardins examines the recirculation, ownership, and control of female film stars and their images in television, print, and new media. Female stardom, she argues, is central to understanding both the anxieties and the pleasures that these figures evoke in their audiences' psyches through patterns of fame, decline, and return. From Gloria Swanson, Loretta Young, Ida Lupino, and Lucille Ball, who found new careers in early television, to Maureen O'Hara's high-profile 1957 lawsuit against the scandal magazine *Confidential* to the reappropriation of iconic star images by experimental filmmakers, video artists, and fans, this book explores the contours of female stars' resilience as they struggled to create new contexts for their waning images across emerging media.

**The Glamour Factory** Ronald L. Davis, 1993. This history of the Hollywood film industry draws primarily on taped and transcribed interviews with directors, actors, and others from the Southern Methodist University Oral History Collection on the Performing Arts, which the author founded in 1972, and continues to direct. Lombardi,2013-03-05 It could be said that the career of Canadian born film director Allan Dwan 1885 1981 began at the dawn of the American motion picture industry Originally a scriptwriter Dwan became a director purely by accident Even so his creativity and problem solving skills propelled him to the top of his profession He achieved success with numerous silent film performers most spectacularly with Douglas Fairbanks Sr and Gloria Swanson and later with such legendary stars as Shirley Temple and John Wayne Though his star waned in the sound era Dwan managed to survive through pluck and ingenuity Considering himself better off without the fame he enjoyed during the silent era he went on to do some of his best work for second echelon studios notably Republic Pictures *Sands of Iwo Jima* and such independent producers as Edward Small Along the way Dwan also found personal happiness in an unconventional manner Rich in detail with two columns of text in each of its nearly 400 pages and with more than 150 photographs this book presents a thorough examination of Allan Dwan and separates myth from truth in his life and films Ray Milland Gillian Kelly,2025-09-23 Ray Milland 1907 1986 was the inaugural Welshman to win the Best Actor Academy Award as well as a performer boasting a rich and varied oeuvre from the silent era in 1920s Britain to New Hollywood in the 1980s Despite being one of the most prolific actors in cinema history who left behind a legacy of almost 180 film and television appearances across seven different decades Milland remains a somewhat forgotten figure of cinematic history *Ray Milland Identity Stardom and the Long Climb to The Lost Weekend* fills this void in scholarship by offering a detailed examination of Milland as one of Hollywood s most durable and fascinating performers of the studio era The volume begins by exploring Milland s unique Welsh identity in Hollywood which was essentially erased by the studios It then turns to his underexplored early career at MGM prior to signing with Paramount Pictures where he remained for over two decades Author Gillian Kelly discusses his early roles as a stereotypical Brit in Hollywood as well as his stardom years at Paramount where he often provided support for the studio s leading ladies including Claudette Colbert Dorothy Lamour and Paulette Goddard A chapter is dedicated to his Oscar winning performance in *The Lost Weekend* and important later films like *Dial M for Murder* and *Love Story* also receive detailed analysis Overall Ray Milland provides a reappraisal of Milland s earlier career and situates his performances within the broader tradition of star studies **Kirkus Reviews** ,1986 Adult books are categorized by genre i e fiction mystery science fiction nonfiction Along with bibliographic information the expected date of publication and the names of literary agents for individual titles are provided Starred reviews serve several functions In the adult section they mark potential bestsellers major promotions

book club selections and just very good books in the children s section they denote books of very high quality The unsigned reviews manage to be discerning and sometimes quite critical      Kay Francis Lynn Kear,John Rossman,2015-02-12 Kay Francis came of age in the Roaring Twenties and relished the era s hedonistic pursuits Her career as an actress was launched at the same time and before her death in 1968 she had appeared on many theater stages in more than 60 films on radio in USO tours as a model and on television The tall stylish actress had a husky voice and dark beauty that was striking on film Despite her financial success relaxed morals and life as a socialite the millionaire actress shunned luxuries such as limousines and sprawling estates popular among Hollywood elite The actress who insisted she wanted to be forgotten left behind scrapbooks boxes of memorabilia and detailed diaries These rich resources help provide an exhaustive look at the life of one of Hollywood s most intriguing early stars Francis biography is the heart of this book beginning with her family background and her upbringing by a vaudevillian actress mother The story of her extensive career and never ending romantic pursuits is peppered with comments from the media and her own diaries and supplemented with ample photographs A chronology gives dates of theater openings film releases marriages television and radio appearances births and deaths A filmography includes complete cast and credit lists
