L'organe d'appel de l'OMC:

La jurisprudence de l'OMC / The Case-Law of the WTO, 1998-1 Brigitte Stern, Hélène Ruiz Fabri, 2005-04-01 WTO OMC these abbreviations are now well known throughout the world and the organization contained in these three letter acronyms has become a principal actor in international relations economic and other Everyone knows that a large part of its impact in the international society comes from a revolutionary mechanism of dispute settlement DSM that forms part of the World Trade Organization More than 250 claims have been deposited in seven years of which sixty led to a report of an ad hoc panel and the majority of those led to a report of the Appellate Body This bilingual volume is the second in a series which has the ambition to present the jurisprudence of this new mechanism in a simple coherent and systematic fashion It is the result of intense cooperation between the two editors and it is hoped to become a major reference work for all interested in the jurisprudence of the WTO and more general in the regulation of economic relations with respect to international commerce and all its multiple implications on daily matters OMC WTO ces sigles sont aujourd'hui mondialement connus et l'Organisation qu'ils désignent est devenue un acteur principal des relations internationales économiques et autres Chacun sait désormais qu'une grande partie de son impact dans la société internationale vient du mécanisme de règlement des différends MRD tout fait révolutionnaire qu'il incorpore l'Organisation mondiale du commerce Plus de 250 plaintes ont été déposées en sept ans et qu'un peu plus de 60 d'entre elles ont donné lieu à un rapport d'un Groupe spécial voire pour une majorité d'entre elles à un rapport de l'Organe d'appel Ce présent volume bilingue n'est que le deuxième d'une série d'ouvrages ayant pour ambition de présenter la jurisprudence de ce nouveau mécanisme de façon simple cohérente et systématique Il constitue le fruit d'efforts concertés que les deux éditeurs associent à cette entreprise collective de grande envergure espérant voir devenir une référence incontournable pour tous ceux qui s'intéresseront à la jurisprudence de l'OMC et plus largement à la régulation des relations économiques en matière de commerce international avec toutes ses implications multiformes sur la vie quotidienne de chacun

Natural Resources Grabbing: An International Law Perspective Francesca Romanin Jacur, Angelica Bonfanti, Francesco Seatzu, 2015-10-14 The growing demand for natural resources has triggered a race to their exploitation and possession especially in developing countries Most desired are water land forests raw materials oil gas mineral and precious stones fisheries and genetic resources Emerging economies Western states multinational corporations and international financial institutions have become the biggest buyers in a race that on one hand strengthens economies and creates investment opportunities and on the other threatens local communities and environmental protection *Natural Resources Grabbing An International Law Perspective* aims at filling a gap in the legal literature by addressing the adverse effects that large scale investments in natural resources may pose to fundamental human rights and the protection of the environment

International Economic Law and Monetary Measures Annamaria Viterbo, 2012-01-01 The 2007/2010 global financial crisis re-opened the debate on the reform of the international monetary and financial system This well argued book

demonstrates the strategic role of international economic law IEL in ensuring international monetary stability and global financial stability After discussing the current allocation of powers among IEL institutions Annamaria Viterbo focuses on monetary measures exchange restrictions capital controls and exchange rate manipulations These three fundamental topics are then examined through the lens of a multi layered methodology adopting perspectives from international monetary law trade law and investment law The author evaluates how the horizontal sectors in which IEL is traditionally divided interact and how conflicts between norms are avoided or solved Particular attention is also devoted to the outcomes of trade and investment disputes that deal with monetary measures International Economic Law and Monetary Measures will appeal to international trade law and international financial law scholars as well as law and business students Legal practitioners and officials working in the field of international economic law will find it a useful reference as will legal counsel in banks and financial institutions international investors and multinational corporations

Trade in Food Alberto Alemanno, 2007 Trade in Food surveys and explores the evolution of the European Community's regulation of food within the broader framework set out by the WTO Agreements Its main purpose is to provide readers keen to deepen their knowledge of the field with easy access to the EC and WTO food laws accompanied by a critical explanation and commentary The book is suitable for legal practitioners judges policy makers officials of international organizations as well as post graduate students of international trade law and policy international and European economic law global administrative law and risk regulation
