simple tale told simply I John Ridd of the parish of Oare in the county of Somerset yeoman and churchwarden have seen and
had a share in some doings of this neighborhood which I will try to set down in order God sparing my life and memory And
they who light upon this book should bear in mind not only that I write for the clearing of our parish from ill fame and
calumny but also a thing which will I trow appear too often in it to wit that I am nothing more than a plain unlettered man not
read in foreign languages as a gentleman might be nor gifted with long words even in mine own tongue save what I may have
won from the Bible or Master William Shakespeare whom in the face of common opinion I do value highly In short I am an
ignoramus but pretty well for a yeoman We are delighted to publish this classic book as part of our extensive Classic Library
collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to
the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our

of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality
product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the
reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful
classic work and that for you it becomes an enriching experience *Lorna Doone* R. D. Blackmore,2023-08-27 Reproduction
