Tetragrammaton: Western Christians and the Hebrew Name of God Robert J. Wilkinson, 2015-02-04 The Christian Reception of the Hebrew name of God has not previously been described in such detail and over such an extended period This work places that varied reception within the context of early Jewish and Christian texts Patristic Studies Jewish Christian relationships Mediaeval thought the Renaissance and Reformation the History of Printing and the development of Christian Hebraism The contribution of notions of the Tetragrammaton to orthodox doctrines and debates is exposed as is the contribution its study made to non orthodox imaginative constructs and theologies Gnostic Kabbalistic Hermetic and magical texts are given equally detailed consideration There emerge from this sustained and detailed examination several recurring themes concerning the difficulty of naming God his being and his providence

The Book of the Lover and the Beloved: Translated from the Catalan of Ramón Lull with an Introductory Essay by E. Allison Peers Ramón Lull, 1923-01-01 THE average man has seldom understood the Mystic He conceives the Mystic Life with its ceaseless spiritual activity and its restlessness which knows no stay till it reaches its goal as a life of tranquillity if not of indolence and ease He has no conception of what it really is and for that perhaps he should not be blamed But not content with misinterpreting the mystic's life he presently becomes more daring he asserts that mysticism is essentially unpractical and that one whose aim is to reach the state of Union with God must necessarily be as a fool in his relations with the world Here the average man is grossly inexcusably mistaken His error has again and again been exposed confuted disproved by example after example to the contrary Yet for all that it seems to thrive in the average mind Now if the story of one man's career could suffice to destroy the mistaken idea that the mystic is an unpractical dreamer that man would surely be the Majorcan Ramon Lull the Apostle of Africa Lull lived far back in the

thirteenth century not long after the days of St Francis of Assisi whose disciple he was He gives us as it were a prevision of the splendours of that Golden Age of Mysticism which dawned for Spain three hundred years after his birth His mystic writings and especially his BOOK OF THE LOVER AND THE BELOVED are full of the purest and noblest spirituality compounded with the quintessence of love If ye will have fire he cries O ye that love come light your lanterns at my heart His famous phrase He who loves not lives not sums up his inspiration Yet Lull was no cloistered visionary His life is full of romance and adventure so crowded with incident is it that many pages will not suffice even to summarise its principal happenings His capacities showed the rare combination of scholar and man of affairs he was both these and he was also the man of God To the service of his Master for Whom alone he lived and for Whom he died Lull was able to bring the full and complete tribute of an efficient and active body a superb mind and an ardent unconquerable spirit Commonweal ,1925

Ilana Paredes, 2019-08-13 An essential history of the greatest love poem ever written The Song of Songs has been embraced for centuries as the ultimate song of love But the kind of love readers have found in this ancient poem is strikingly varied Ilana Paredes invites us to explore the dramatic shift from readings of the Song as a poem on divine love to celebrations of its exuberant account of human love With a refreshingly nuanced approach she reveals how allegorical and literal interpretations are inextricably intertwined in the Song's tumultuous life The body in all its aspects pleasure and pain even erotic fervor is key to many allegorical commentaries And although the literal sensual Song thrives in modernity allegory has not disappeared New modes of allegory have emerged in modern settings from the literary and the scholarly to the communal Offering rare insights into the story of this remarkable poem Paredes traces a diverse line of passionate readers She looks at Jewish and Christian interpreters of late antiquity who were engaged in disputes over the Song's allegorical meaning at medieval Hebrew poets who introduced it into the opulent world of courtly banquets and at kabbalists who used it as a springboard to the celestial spheres She shows how feminist critics have marveled at the Song's egalitarian representation of courtship and how it became a song of America for Walt Whitman Herman Melville and Toni Morrison Throughout these explorations of the Song's reception Paredes highlights the unparalleled beauty of its audacious language of love

Pastoral Themes and Forms in Cervantes's Fiction Dominick L. Finello, 1994 Pastoral Themes and Forms in Cervantes's Fiction explores the various pastoral dimensions of Cervantes's art from his early *Galatea* which is a pastoral novel to his masterful *Don Quijote de la Mancha* Dominick Finello here focuses on the pastoral's impact on the composition of *Don Quijote* its rural backdrop of a rustic Spain the literary inheritance of its characters and style its dialogic structure which reflects that of the pastoral novel and the vital stimulus produced by Cervantes's direct observation of the effects of imaginative pastoral disguises and mimetic play on its characters including bucolic games the representation of eclogues and masques and other such diversions The blending of pastoral themes and forms into his fiction has led Cervantes to ring major changes on conventional patterns of the pastoral The pastoral's congenial interaction with the creativity of *Don Quijote* is apparent in the novel's settings and character conception With regard to the settings pastoral style in the *Quijote* focuses specifically on the geographical configuration and rural backdrop of *Don Quijote*'s adventures and eventually places them in the context of the history of pastoral nomadism on the Iberian peninsula With regard to characters shepherds goatherds farmers and other rural people appear everywhere in the *Quijote* and Sancho Panza is the leading rustic personage from this group Sancho's felicitous projection of pastoral life reflects his fundamental optimism *Don Quijote* is linked to the literary shepherd through his discourse on the golden age his imitation of the lovelord shepherd in the Sierra Morena episode of part 1 and the Pastor Quijotiz scheme which signals his demise late in part 2 Dulcinea *Don Quijote*'s beloved is conceived with both the rustic and literary dimensions of the pastoral heroine One of the essential features of the *Quijote* is its dialogic structure which reflects that of the Renaissance academic colloquium and that of the pastoral novel Another vital pastoral

stimulus of Cervantes's art is his direct observation of the effects of imaginative pastoral disguises and mimetic play on his characters. The documented social customs involving pastoral mimesis such as eclogues, masques, and games indicate that pastoral expression and values have been integrated to a significant degree into the fabric of the lives of Cervantes's characters. Cervantes's attitude toward the pastoral may be established through direct statements he made about pastoral authors, poems, and books. It may also be constituted through less direct means such as the abrupt conclusion and subsequent disappearance of pastoral stories from the main narrative of the *Quijote*. Nine Centuries of Spanish Literature (Dual-Language) Seymour Resnick, Jeanne Pasmantier, 2012-10-31 This rich sampling of Spanish poetry, prose, and drama includes more than seventy selections from the works of more than forty writers from the anonymous author of the great medieval epic *The Poem of the Cid* to such 20th-century masters as Miguel de Unamuno. The original Spanish text of each work appears with an excellent English translation on the facing page. The anthology begins with carefully selected passages from such medieval classics as *The Book of Good Love* by the Archpriest of Hita and Spain's first great prose work, the stories of Count Lucanor by Juan Manuel. Works by writers of the Spanish Renaissance follow, among them poems by the Marquis de Santillana and excerpts from the great dialogue novel *La Celestina* by Fernando de Rojas. Spain's Golden Age, ca. 1550-1650, an era which produced its great writers, is represented by the mystical poems of St. Teresa, passages from Cervantes' *Don Quixote*, and scenes from Tirso de Molina's *The Love Rogue*, the drama that introduced the character of Don Juan to the world, along with other well-known works of the period. A cavalcade of stirring poems, plays, and prose selections represent Spain's rare literary achievements of the 18th, 19th, and 20th centuries. The translations were chosen for their accuracy and fidelity to the originals. Among the translators are Lord Byron, Henry Wadsworth Longfellow, Edward FitzGerald, and John Masefield. As a treasury of masterly writing, as a guide for the student who wants to improve his or her language skills, and as a compact survey of Spanish literature, this excellent anthology will provide hours of pleasure and fruitful study.
