

"A fresh, hilarious must read. . . . [*Losers*] is a winner." —*Time*

The word "LOSERS" is written in large, bold, blue capital letters. Each letter has a caricature of a man's head placed on top of it. From left to right: the 'L' has a man with a bandage on his forehead; the first 'O' has a man with a black eye; the 'S' has a man with glasses; the 'E' has a man with a bandage on his cheek; the 'R' has a man with a headband; and the final 'S' has a man with glasses.

Protecting the Presidential Candidates Mel Ayton, 2021-11-24 *Protecting the Presidential Candidates* is the first book of its kind to examine how presidents and presidential candidates were protected during the presidential election cycles from JFK to Biden It is also the first book of its kind to tell the story of the role of state troopers and private bodyguards in protecting presidential candidates Protection for candidates changed and evolved from the free wheeling style of the 1950s and early 1960s which afforded presidential candidates little or no protection to the growth of bodyguard personnel increased intelligence facilities and state of the art technology employed today to keep the candidates safe Presidential candidates relish connecting with the public and it has given greater visibility to the bodyguards who are willing to place themselves between a presidential candidate and a would be attacker In the milieu in which the Secret Service operates bodyguards have witnessed the terrors of election campaigns when presidential candidates have waded into crowds to shake hands with their supporters rode in open top cars and made sudden but risky changes to their schedules oblivious to the fact that in every campaign there have been people stalking candidates with ill intent Many stories revealed in *Protecting the Presidential Candidates* have remained largely hidden from the public some buried in newspaper archives and others in oral histories presidential libraries or official government documents The author draws on numerous sources including FBI files presidential biographies vice presidential biographies civilian bodyguard memoirs Secret Service agent memoirs White House staff memoirs and more so that these stories can now be told The book also allows readers to gain an insight into the personal as well as professional relationships between the candidate and the bodyguards who protected them Some candidates were so trusting of their bodyguards they embraced them as part of an inner circle of advisers Bodyguards have also witnessed embarrassing moments in a candidate s campaign and how intrusive they have been at the most delicate of moments The president s day is your day one agent said Nobody sees the president the way an agent does **The Wolves**

of K Street Brody Mullins, Luke Mullins, 2025-05-13 A dazzling and infuriating portrait of fifty years of corporate influence in Washington *The Wolves of K Street* is a not so guilty pleasure The New York Times irresistibly dramatic spectacularly timely explosive in its revelations and impossible to put down In the 1970s Washington's center of power began to shift away from elected officials in big marble buildings to a handful of savvy handsomely paid operators who didn't answer to any fixed constituency The cigar chomping son of an influential congressman an illustrious political fixer with a weakness for modern art a Watergate era dirty trickster the city's favorite cocktail party host these were the sort of men who now ran Washington Over four decades they'd chart new ways to turn their clients' cash into political leverage abandoning favor trading in smoke filled rooms for increasingly sophisticated tactics such as shadow lobbying where underground campaigns sparked seemingly organic public outcries to pressure lawmakers into taking actions that would ultimately benefit corporate interests rather than ordinary citizens With billions of dollars at play these lobbying dynasties enshrined in Washington a pro business consensus that would guide the country's political leaders Democrats and Republicans alike A good lobbyist could ghostwrite a bill or even secretly kill a piece of legislation supported by the president both houses of Congress and a majority of Americans Yet nothing lasts forever Amid a populist backlash to the soaring inequality these influence peddlers helped usher in DC's pro business alliance suddenly began to fray And while the lobbying establishment would continue to invent new ways to influence Washington the men who'd built K Street would soon find themselves under legal scrutiny on the verge of financial collapse or worse One would turn up dead behind the eighteenth green of an exclusive golf club with a 1 500 bottle of wine at his feet and bullet in his head An absorbing The Atlantic engrossing and meticulously researched tale The Guardian brought to life with novelistic detail and considerable narrative skill The New York Times *The Wolves of K Street* is essential reading for anyone looking to understand how corporate interests are undermining American democracy

American Psychosis David Corn, 2022-09-13 1 New York Times bestselling author and investigative reporter David Corn tells the wild and harrowing story of the Republican Party's decades long relationship with far right extremism bigotry and paranoia A fast paced rollicking behind the scenes account of how the GOP since the 1950s has encouraged and exploited extremism bigotry and paranoia to gain power *American Psychosis* offers readers a brisk can you believe it journey through the netherworld of far right irrationality and the Republican Party's interactions with the darkest forces in America In a compelling and thoroughly researched narrative Corn reveals the hidden history of how the Party of Lincoln forged alliances with extremists kooks racists and conspiracy mongers and fostered fear anger and resentment to win elections and how this led to Donald Trump's triumph and the transformation of the GOP into a Trump personality cult that foments and bolsters the crazy and dangerous excesses of the right The Trump incited insurrectionist attack on the US Capitol on January 6 2021 was no aberration *American Psychosis* shows it was a continuation of the long and deep rooted Republican practice of boosting and weaponizing the rage and derangement of the right The gripping tale in *American Psychosis* covers the last seven

decades From McCarthyism to the John Birch Society to segregationists to the New Right to the religious right to Rush Limbaugh to Newt Gingrich to the militia movement to Fox News to Sarah Palin to the Tea Party to Trumpism the Republican Party has deliberately nurtured and exploited rightwing fear and loathing fueled by paranoia grievance and tribalism This powerful and important account explains how one political party has harnessed the worst elements in politics to poison the nation s discourse and threaten American democracy Corn is a great journalist I love the way he thinks I love the way he writes I m so glad he s done a super readable modern history of the right We just need smart digestible history about this stuff right now American Psychosis is perfectly timed Relevant history for where we are right now Rachel Maddow host The Rachel Maddow Show With American Psychosis David Corn did the full homework to take us all the way back to where it really begins Lawrence O Donnell host The Last Word

Lewis, 1997 From the author of the bestselling *Liar s Poker* comes a wickedly funny and astute chronicle of the 1996 presidential campaign and how Americans go about choosing their leaders at the turn of the century A striking look at our culture and its politics and the mammoth unlikelihood of connection between the inauthentic modern candidate and the voter s passions and desires *Losers* is sure to be a winner 10 photos **The Breeder's Gazette** ,1894 *The Spectator* ,1835 A weekly review of politics literature theology and art *Clark's Horse Review* ,1900 *Youth's Companion* ,1906 *The New World* ,1842 **The Lumber Manufacturer and Dealer** ,1904 *Feeding the Beast* Kenneth T.
