Losey On Losey Josephy Losey:

JOSEPH LOSEY ON LOSEY. Tom Milne, 1967 **Conversations with Losey** Joseph Losey, Michel Ciment, 1985 *The Cinema of Joseph Losey* James Leahy, 1964 Joseph Losey Edith de Rham, 1991 **Joseph Losey** David Caute, 1994 Losey's career began with experimental theatre in N Y and on to the Hollywood blacklists In addition to appraising his thirty one features provides a compelling portrait of a hugely driven talent honoured in Europe but ignored in Hollywood whose creative generosity alcohol addiction and sometimes brutal egoism excited equally fierce reactions Joseph Losey Foster Hirsch, 1980 Joseph Losey Paolo Gobetti, 1967 *Joseph Losey* Colin Gardner, 2019-01-11 The career of Wisconsin born Joseph Losey spanned over four decades and several countries A self proclaimed Marxist and veteran of the 1930s Soviet agit prop theater he collaborated with Bertholt Brecht before directing noir B pictures in Hollywood A victim of McCarthyism he later crossed the Atlantic to direct a series of seminal British films such as *Time Without Pity* *Eve The Servant* and *The Go Between* which mark him as one of the cinema's greatest baroque stylists His British films reflect on exile and the outsider's view of a class bound society in crisis through a style rooted in the European art house tradition of Resnais and Godard Gardner employs recent methodologies from cultural studies and poststructural theory exploring and clarifying the films' uneasy tension between class and gender and their explorations of fractured temporality **"Escape to Life"** Eckart Goebel, Sigrid Weigel, 2012-05-29 After 1933 New York City gave shelter to many leading German and German Jewish intellectuals Stripped of their German citizenship by the Nazi regime these public figures either stayed in the New York area or moved on to California and other places This compendium adopting the title of a famous volume published by Klaus and Erika Mann in 1939 explores the impact the US and NYC in particular had on these authors as well as the influence they in turn exerted on US intellectual life Moreover it addresses the transformations that took place in the exiled intellectuals' thinking when it was translated into another language and addressed to an American audience Among the individuals presented in this volume are such prominent names as T W Adorno H Arendt W Benjamin E Bloch B Brecht S Kracauer the Mann family S Morgenstern and E Panofsky The authors of the essays in this compendium were free to choose the angle biography theory politics or aspect a single work a personal constellation deemed best to illuminate the given intellectual's work Acclaimed NYC photographer Fred Stein a German Jewish refugee from Dresden produced numerous portraits of exiled intellectuals and artists A selection of these compelling portraits is reproduced in this book for the first time **Marked Women** Russell Campbell, 2006-04-05 Julia Roberts played a prostitute famously in *Pretty Woman* So did Jodie Foster in *Taxi Driver* Jane Fonda in *Klute* Anna Karina in *Vivre sa vie* Greta Garbo in *Anna Christie* and Charlize Theron who won an Academy Award for *Monster* This engaging and generously illustrated study explores the depiction of female prostitute characters and prostitution in world cinema from the silent era to the present day industry From the woman with control over her own destiny to the woman who cannot get away from her pimp Russell Campbell shows the diverse representations

of prostitutes in film *Marked Women* classifies fifteen recurrent character types and three common narratives many of them with their roots in male fantasy The Happy Hooker for example is the liberated woman whose only goal is to give as much pleasure as she receives while the Avenger a nightmare of the male imagination represents the threat of women taking retribution for all the oppression they have suffered at the hands of men The Love Story a common narrative represents the prostitute as both heroine and anti heroine while *Condemned to Death* allows men to manifest in imagination only their hostility toward women by killing off the troubled prostitute in an act of cathartic violence The figure of the woman whose body is available at a price has fascinated and intrigued filmmakers and filmgoers since the very beginning of cinema but the manner of representation has also been highly conflicted and fiercely contested Campbell explores the cinematic prostitute as a figure shaped by both reactionary thought and feminist challenges to the norm demonstrating how the film industry itself is split by fascinating contradictions

I Died a Million Times Robert Miklitsch, 2021-01-11 In the 1950s the gangster movie and film noir crisscrossed to create gangster noir Robert Miklitsch takes readers into this fascinating subgenre of films focused on crime syndicates crooked cops and capers With the Senate's organized crime hearings and the brighter than bright myth of the American Dream as a backdrop Miklitsch examines the style and history and the production and cultural politics of classic pictures from *The Big Heat* and *The Asphalt Jungle* to lesser known gems like *711 Ocean Drive* and post Fifties movies like *Ocean's Eleven* Miklitsch pays particular attention to trademark leitmotifs including the individual versus the collective the family as a locus of dissension and rapport the real world roots of the heist picture and the syndicate as an octopus with its tentacles deep into law enforcement corporate America and government If the memes of gangster noir remain prototypically dark the look of the films becomes lighter and flatter reflecting the influence of television and the realization that under the cover of respectability crime had moved from the underworld into the mainstream of contemporary everyday life

Hollywood Exiles in Europe Rebecca Prime, 2014-01-14 Rebecca Prime documents the untold story of the American directors screenwriters and actors who exiled themselves to Europe as a result of the Hollywood blacklist During the 1950s and 1960s these Hollywood migrants directed wrote or starred in almost one hundred European productions their contributions ranging from crime film masterpieces like *Du rififi chez les hommes* 1955 Jules Dassin director to international blockbusters like *The Bridge on the River Kwai* 1957 Carl Foreman and Michael Wilson screenwriters and acclaimed art films like *The Servant* 1963 Joseph Losey director At once a lively portrait of a lesser known American lost generation and an examination of an important transitional moment in European cinema the book offers a compelling argument for the significance of the blacklisted migrants to our understanding of postwar American and European cinema and Cold War relations Prime provides detailed accounts of the production and reception of their European films that clarify the ambivalence with which Hollywood was regarded within postwar European culture Drawing upon extensive archival research including previously classified material *Hollywood Exiles in Europe* suggests the need to rethink our understanding of the Hollywood

blacklist as a purely domestic phenomenon By shedding new light on European cinema s changing relationship with Hollywood the book illuminates the postwar shift from national to transnational cinema **The Cinema of John Boorman** Brian Hoyle,2012-09-14 This book offers a critical study of the writer and director s feature films as well as lesser known works for television **Records of Officers and Men of New Jersey in the Civil War, 1861-1865** Anonymous,2024-06-23 Reprint of the original first published in 1876 **British Film Directors** Robert Shail,2007-10-18 British national cinema has produced an exceptional track record of innovative creative and internationally recognised filmmakers amongst them Alfred Hitchcock Michael Powell and David Lean This tradition continues today with the work of directors as diverse as Neil Jordan Stephen Frears Mike Leigh and Ken Loach This concise authoritative volume analyses critically the work of 100 British directors from the innovators of the silent period to contemporary auteurs An introduction places the individual entries in context and examines the role and status of the director within British film production Balancing academic rigour with accessibility British Film Directors provides an indispensable reference source for film students at all levels as well as for the general cinema enthusiast Key features include A complete list of each director s British feature films Suggested further reading on each filmmaker A comprehensive career overview including biographical information and an assessment of the director s current critical standing 10 B W illustrations **The Dancer Defects** David Caute,2003-09-04 The cultural Cold War between the Soviet Union and the West was without precedent At the outset of this original and wide ranging historical survey David Caute establishes the nature of the extraordinary cultural competition set up post 1945 between Moscow New York London and Paris with the most intimate frontier war staged in the city of Berlin Using sources in four languages the author of *The Fellow Travellers* and *The Great Fear* explores the cultural Cold War as it rapidly penetrated theatre film classical music popular music ballet painting and sculpture as well as propaganda by exhibition Major figures central to Cold War conflict in the theatre include Brecht Miller Sartre Camus Havel Ionesco Stoppard and Konstantin Simonov whose inflammatory play *The Russian Question* occupies a chapter of its own based on original archival research Leading film directors involved included Eisenstein Romm Chiarieli Aleksandrov Kazan Tarkovsky and Wajda In the field of music the Soviet Union in the Zhdanov era vigorously condemned modernism formalism and the avant garde A chapter is devoted to the intriguing case of Dmitri Shostakovich and the disputed authenticity of his autobiography *Testimony* Meanwhile in the West the Congress for Cultural Freedom was sponsoring the modernist composers most vehemently condemned by Soviet music critics Stravinsky Schoenberg Hindemith among them Despite constant attempts at repression the Soviet Party was unable to check the appeal of jazz on the Voice of America then rock music to young Russians Visits to the West by the Bolshoi and Kirov ballet companines the pride of the USSR were fraught with threats of cancellation and the danger of defection Considering the case of Rudolf Nureyev Caute pours cold water on overheated speculations about KGB plots to injure him and other defecting dancers Turning to painting where socialist

realism prevailed in Russia and the impressionist heritage was condemned. Caute explores the paradox of Picasso's membership of the French Communist Party. Re-assessing the extent of covert CIA patronage of abstract expressionism, Pollock and De Kooning, Caute finds that the CIA's role has been much exaggerated, likewise the dominance of the New York School. Caute challenges some recent one-dimensional American accounts of Cold War culture which ignore not only the Soviet performance but virtually any cultural activity outside the USA. The West presented its cultural avant-garde as evidence of liberty even through monochrome canvases and dodecaphonic music, appealed only to a minority audience. Soviet artistic standards and teaching levels were exceptionally high but the fear of freedom and innovation virtually guaranteed the moral defeat which accelerated the collapse of the Soviet Union. **Screen Interiors** Pat Kirkham, Sarah A.

Lichtman, 2021-03-11. Covering everything from Hollywood films to Soviet cinema, London's queer spaces to spaceships, horror architecture and action scenes, *Screen Interiors* presents an array of innovative perspectives on film design. Essays address questions related to interiors and objects in film and television from the early 1900s up until the present day. Authors explore how interior film design can facilitate action and amplify tensions, how rooms are employed as structural devices and how designed spaces can contribute to the construction of identities. Case studies look at disjunctions between interior and exterior design and the inter-relationship of production design and narrative. With a lens on class, sexuality and identity across a range of films including *Twilight of a Woman's Soul* (1913), *The Servant* (1963), *Caravaggio* (1986) and *Passengers* (2016) and illustrated with film stills throughout, *Screen Interiors* showcases an array of methodological approaches for the study of film and design history. **New Makers of Modern Culture** Justin Wintle, 2016-04-22. *New Makers of Modern Culture* will be widely acquired by both higher education and public libraries. Bibliographies are attached to entries and there is thorough cross-referencing.

Fifty Hollywood Directors Suzanne Leonard, Yvonne Tasker, 2014-11-20. *Fifty Hollywood Directors* introduces the most important iconic and influential filmmakers who worked in Hollywood between the end of the silent period and the birth of the blockbuster. By exploring the historical, cultural and technological contexts in which each director was working, this book traces the formative period in commercial cinema when directors went from pioneers to industry heavyweights. Each entry discusses a director's practices and body of work and features a brief biography and suggestions for further reading. Entries include Frank Capra, Cecil B. DeMille, John Ford, Alfred Hitchcock, Fritz Lang, Orson Welles, D.W. Griffith, King Vidor. This is an indispensable guide for anyone interested in film history, Hollywood and the development of the role of the director. **Dalton Trumbo** Larry Ceplair, Christopher Trumbo, 2015-01-13. Trumbo emerges from this well-rounded biography as a larger-than-life figure, not unlike the characters he scripted for the screen. Publishers Weekly: James Dalton Trumbo is widely recognized as a screenwriter, playwright and author, but he is also remembered as one of the Hollywood Ten who opposed the House Un-American Activities Committee. Refusing to answer questions about his prior involvement with the Communist Party, Trumbo sacrificed a successful career in Hollywood to stand up for his rights and

defend political freedom In Dalton Trumbo Larry Ceplair and Christopher Trumbo present their extensive research on the famed writer detailing his work his membership in the Communist Party his long campaign against censorship during the domestic cold war his ten month prison sentence for contempt of Congress and his thirteen year struggle to break the blacklist The blacklist ended for Trumbo in 1960 when he received screen credits for Exodus and Spartacus Just before his death he received a long delayed Academy Award for The Brave One and in 1993 he was posthumously given another for Roman Holiday This comprehensive biography which includes excerpts of Trumbo s letters notes and other writings also provides insights into the notable people with whom Trumbo worked including Stanley Kubrick Otto Preminger and Kirk Douglas and a fascinating look at the life of one of Hollywood s most prominent screenwriters and his battle against persecution
