Goodbye My Love and Other Stories Marcus A. Stockton,2017-11-16 There are two ways that a person can walk in this life You can either walk into your blessing or walk into your curse How can you do that You can do that by doing things that are natural for you to do Success at anything is not by chance or by luck It is seeing things you have already been doing brought to fruition Therefore successful people are not surprised by their success They actually knew it would happen before it happened The blessing is the reward for a life of integrity and commitment to achieving goals and setting standards What is the curse It is all the negatives that we curse our lives with the negative friends the negative conversations the negative situations An unsuccessful person who continues to put himself or herself in those situations in those conversations and around those people will bring a curse to their lives that they will never be able to shake I am grateful for the friends and the relationships that I have been blessed with in my life They have helped me to overcome all the obstacles of life And that is what any man needs incarcerated or freepeople who believe in him when no one else in the world does **Names and Stories** Kali Israel,2002-09-26 Emilia Dilke 1840 1904 was christened Emily Francis Strong and known by her middle name throughout her childhood as the daughter of an army officer cum bank manager in Iffley England near Oxford and her days as an art student in London During her first marriage she was Francis Pattison or Mrs Mark Pattison while her published works of art history and criticism were neutrally signed E F S Pattison Later in the 1870s she privately changed her first name to Emilia a switch made public when she remarried in 1885 By this second nuptial union she became Lady Dilke the famous intellectual feminist art critic author and eventually the active and popular President of the Women's Trade Union
