Love Poetry Vee Bdosha, 2003-08 Many people experience love on a daily basis but often ignore and fail to acknowledge it Many of Vee Bdosha's poems originated from requests by people on the Internet to write them a poem The resulting poetry received as gifts and read by husbands wives boyfriends and at weddings and even at a funeral Love Poetry takes you from a baby's laugh and smile to a girl's first kiss From first kiss to marriage to the failing of love and the tragedy of divorce and being alone From the loneliness of older adults and their final breath to the one great love Love Poetry explores love's every facet

Of Love and Silence Vasile Munteanu, 2018-11-29 The book is a meditation on the idea of Love There is a long arduous ideational search that the main character undertakes which takes him from the depths of the subconscious to the heights of heaven in order to find the true purpose of Love He is aided in this search by a rather shadowy figure that seems to be someone he has been in love with for a very long time He will eventually reach the conclusion that Love when all is said and done is really Love of the higher Self [The Power of Silence](#) Colum

Kenny, 2018-03-21 This book demonstrates that silence is eloquent powerful beautiful and even dangerous It surrounds and permeates our daily lives Drawing on a wide range of cross cultural literary and historical sources the author explores the uses and abuses of silence He explains how silence is not associated with solitude alone but has a much broader value within society The main themes of The Power of Silence are positive and negative uses of silence and the various ways in which silence has been understood culturally socially and spiritually The book's objectives are to equip people with a better appreciation of the value of silence and to enable them to explore its benefits and uses more easily for themselves *The*

Love Cures Laine E. Doggett, 2015-11-09 What is love Popular culture bombards us with notions of the intoxicating capacities of love or of beguiling women who can bewitch or heal to the point that it is easy to believe that such images are timeless and universal Not so argues Laine Doggett in Love Cures Aspects of love that are expressed in popular music such as love is a drug sexual healing and love potion number nine trace deep roots to Old French romance of the high Middle Ages A young woman heals a poisoned knight A mother prepares a love potion for a daughter who will marry a stranger in a faraway land How can readers interpret such events In contrast to scholars who have dismissed these women as fantasy figures or labeled them witches Doggett looks at them in the light of medical and magical practices of the high Middle Ages Love Cures argues that these practitioners as represented in romance have shaped modern notions of love Love Cures seeks to engage scholars of love marriage and magic in disciplines as diverse as literature history anthropology and philosophy

Seraphic Love Likha Caral, 2023-05-07 The brain has a unique function It was December the journey of icy morning peering slowly moving dusky lights from clouds As I said the brain has a unique function my brain pressures me for mounting on the theme of Love this winter Love is one thing that inspired the greatest of poets and playwrights like Rumi Pablo Neruda John Keats Emily Bronte Shakespeare Oscar Wilde Robert Burns etc Their writing is the reflection of their composition of words and the content they offer to readers Therefore I choose this theme as a capsule for my co author as we know love is a basic human need though it complicates emotion at the same time but love is a hard to define emotion like the painting of Picasso a brilliant and wonderful art tell us one thing about love as he quotes Love is the greatest refreshment in life it is a feeling

which all humankind experienced in life I define love as a universal language that will never lose its significance or beauty Love suits each and every person differently whether love is between lovers friends family or nature it is an overwhelming emotion that can be experienced in many ways The concept of love has a variety of feelings emotions and behaviours It is a desire to love and care other in a hard wired and deep hearted Love is an unimaginable and also it can never be summarized by an action neither it can ever be expressed by words

Love: the Most Precious Gift of Life Pejman Aghasi,2007-08 Love is the only hope It is only because of love that man finds it possible to reach god If there were no love there would be no religion no prayer If there were no love there would be no creativity no music no dance no art no poetry If there were no love there would be no beauty no friendship no happiness no intimacy All that is valuable in life comes through love Love is the source of all that is nourishing and fulfilling Love is the only heavenly phenomenon on this earth Everything else is earthly therefore it is only through love that one can reach to god and heavenly states of being Without love life becomes dull repetitive and unfulfilling Love The Most Precious Gift of Life shows us that we must live with love because that is the only way to really live The deeper and realer your love is the deeper and more meaningful your life is We must think of love and life as being the same and synonymous If love has so many blessings why do many couples struggle and face so many difficulties in their relationships In the second part of Love The Most Precious Gift of Life the root social and psychological causes of these conflicts are uncovered and a solution for solving each problem is also presented And in doing so it helps us to keep our relationships healthy and intimate and enable us to embrace love and through love reach to our highest potential which is self realization and enlightenment

anthology of Mother Teresa's teaching nonetheless shows what she believed and taught about important issues that confront all people. Due to her constant interaction with people of diverse backgrounds no life situation was foreign to her and in this book her role is primarily one of teacher and guide. Love is perhaps the word that best summarizes Mother Teresa's life and message. The title reflects what she proclaimed during her entire life: God is alive, present and still loves the world through you and through me. Mother Teresa sought to be an extension of God's heart and hands in the world of today. She was called to be a missionary of charity, a carrier of God's love to each person she met, especially those most in need. Yet she did not think that this was a vocation uniquely hers; each person is in some way called to be a carrier of God's love. Through the practical and timely advice she offers, Mother Teresa sets us on the path to closer union with God and greater love for our brothers and sisters.

MOTHER TERESA 1910-1997 was born in Skopje, present-day Macedonia and joined the Sisters of Loreto in Dublin in 1928. She left the Loreto order in 1948 to begin the Missionaries of Charity in Calcutta. Her service to the poorest of the poor became her life's work. She was awarded the Nobel Peace Prize in 1979 and was beatified in 2003.

Editor of Mother Teresa Come Be My Light

FATHER BRIAN KOLODIEJCHUK M.C., Ph.D. was associated with Mother Teresa for twenty years and is now director of the Mother Teresa Center, which has offices in California, Mexico, India, and Italy. What you are doing, I cannot do; what I am doing, you cannot do; but together we are doing something beautiful for God, and this is the greatness of God's love for us. To give us the opportunity to become holy through the works of love that we do, because holiness is not the luxury of the few. It is a very simple duty for you, for me, you in your position, in your work, and I and others, each one of us, in the work in the life that we have given our word of honor to God. You must put your love for God in a living action. Mother Teresa: From Where There is Love, There is God.
