Cross-Country Experience in Reducing Net Foreign Liabilities Ding Ding,Mr.Werner Schule,Mr.Yan Sun,2014-04-16 This paper studies the dynamics of net foreign liabilities across a number of countries Our historical analysis suggests that an orderly reduction in a country's net foreign liabilities has mostly occurred when there was significant improvement in gross public savings through deliberate fiscal consolidation measures Simulations of a dynamic general equilibrium model calibrated for New Zealand indicates that sustained government deficit reduction could improve the

country's net foreign assets by about half of the accumulated public savings. However, given New Zealand's relatively strong fiscal positions and previous work noting structurally low household savings, an orderly improvement in New Zealand's external position in the medium term will depend on a structural improvement in private savings. **Billboard**, 1992-08-08

He rose as a populist and fell as an insurrectionist. The presidency of Donald J. Trump was built on collusion, bribery, scandal, and lies. Trump is famed for his use of Twitter, a digital machine gun he relished in firing. Over a five-year period, he fully integrated Twitter into the very fabric of his administration, ultimately re-shaping the presidency and the power that came with it. In a presidency like no other, Trump woke up to Twitter, went to bed with it, and took comfort in how much it revolved around him.

Bitter Tweet is a chronological story that explores the fascinating presidency of Donald J. Trump, inspired by his own words. A captivating tale of corruption, bribery, collusion, and fascism. By exploring the contexts and consequences of his most infamous tweets, we gain an insight into just how the American political system works, or in some cases, does not. **The NFL's Greatest Day** Brad Schultz, 2019-08-22

A tight, dramatic NFL playoff game is exciting on its own, but two of the most dramatic in the same afternoon might result in the most compelling day in football history. This book is the first to capture the excitement and tension of December 23, 1972, when Pittsburgh played Oakland and Dallas met San Francisco in a pair of first-round playoff games that captivated millions. One game saw Dallas rally from three scores down in the fourth quarter, while the other featured the most famous ending in league history, the Immaculate Reception. This book details both high-stakes games as well as the historic season that led each team to the 1972 playoffs. Also covered are the men behind the miracles: some captured the moment to become heroes and legends, while others let success slip through their grasp. Two games, one afternoon, countless memories. *The Multimedia and CD-ROM Directory*, 1998 **Congressional Record** United States Congress, 2017
