Dell H. Hymes

Nguna Texts:

Now I Know Only So Far Dell H. Hymes, 2003-01-01 In *Now I Know Only So Far* sociolinguist and ethnopoetic scholar Dell Hymes examines the power and significance of Native North American literatures and how they can best be approached and appreciated. Such narratives, Hymes argues, are ways of making sense of the world. To truly comprehend the importance and durability of these narratives, one must investigate the ways of thinking expressed in these texts, the cultural sensibilities also deeply affected by storytellers' particular experiences and mastery of form. Included here are seminal overviews and reflections on the history and potential of the field of ethnopoetics. Native North American stories from areas ranging from the Northwest Coast to the Southwest take center stage in this book, which features careful scrutiny of different realizations and tellings of the same story or related stories. Such narratives are illuminated through a series of verse analyses in which patterned relations of lines throw into relief differences in emphasis, shape, and interpretation. A final group of essays sheds light on the often misunderstood and always controversial role of editing and interpreting texts. *Now I Know Only So Far* provides penetrating discussions and absorbing insights into stories and worlds both traditional and new.

A Dictionary of Mah Meri as Spoken at Bukit Bangkong Nicole Kruspe, 2010-07-06 Mah Meri is an Aslian Austroasiatic Mon-Khmer language spoken in scattered settlements along a section of the southwest coast of Selangor in Peninsular Malaysia. The Mah Meri are the only Aslian speakers who live in a coastal environment. Their language, which may have about 2,000 speakers, has no written language and is highly endangered. This is the first comprehensive dictionary of Mah Meri and is based on the author's extensive field research and consultation with members of the community over the last ten years. The dialect presented here is spoken by about 600 people at Bukit Bangkong, the most southerly Mah Meri settlement. The dictionary contains around 4,000 entries, each with a phonetic transcription and translations in both English and Malay. Many entries are further complemented by illustrative examples, notes on usage, derivations, ethnographic information, and illustrations, all providing insight into the world of Mah Meri speakers. Two finder lists, English-Mah Meri and Malay-Mah Meri, are included, giving access to the intended audience of international and local scholars and community members. The volume also includes a general introduction to the Mah Meri, notes to assist the reader in using the dictionary, and a short grammatical description.

A Grammar of South Efate Nicholas Thieberger, 2006-07-31 This book presents topics in the grammar of South Efate, an Oceanic language of Central Vanuatu, as spoken in Erakor village on the outskirts of Port Vila. It is one of the first such grammars to take seriously the provision of primary data for the verification of claims made in the analysis. The research is set in the context of increasing attention being paid to the state of the world's smaller languages and their prospects for being spoken into the future. In addition to providing an outline of the grammar of the language, the author describes the process of developing an archivable textual corpus that is used to make example sentences citable and playable using software Audiamus developed in the course of the research. An included DVD provides a dictionary and finderlist, a set of

interlinearized example texts and elicited sentences and playable media versions of most example sentences and of the example texts *Historical Catalogue of the Printed Editions of Holy Scripture in the Library of the British and Foreign Bible Society, Volume II, 2* T. H. Darlow, H. F. Moule, 2022-08-18 *A Grammar of Mavea* Valérie Guérin, 2011-11-30 Spoken on Mavea Island by approximately 32 people Mavea is an endangered Oceanic language of Vanuatu This work provides grammatical descriptions of this hitherto undescribed language Fourteen chapters containing more than 1 400 examples cover topics in the phonology and morphosyntax of Mavea with an emphasis on the latter Of particular interest are examples of individual speaker variation presented throughout the grammar the presence of three linguo labials still used today by a single speaker that were unexpectedly found before the rounded vowel o and a chapter on numerals and the counting system which have long been replaced by Bislama s but are remembered by a handful of speakers Most of the grammatical descriptions derive from a corpus of texts of various genres conversations traditional stories personal histories etc gathered during the author s fieldwork conducted for eleven months between 2005 and 2007 **Numbami Grammar in**

Ethnohistorical Context Joel Bradshaw, 2025-05-31 The Numbami language is a small isolate tied to only one coastal village within the Huon Gulf family of Austronesian languages in Papua New Guinea It is currently classified as threatened with roughly two hundred active speakers according to its latest Ethnologue listing Numbami Grammar in Ethnohistorical Context is the first comprehensive description of the language and its ethnolinguistic relations to neighboring languages both Austronesian and Papuan Language contact has had significant effects on all the Oceanic languages of New Guinea This description therefore offers more ethnohistorical coverage than most reference grammars do documenting such factors as oral history sources evidence of multilingual villages in past and present and frequent movement and prolonged contact among the coastal languages It also notes the recent strong influence of Jab m the German Lutheran mission lingua franca Tok Pisin the national lingua franca and English Linguistic coverage focuses especially on verbs subject mood marking verb serialization deverbal resultatives prepositions and complementizers and the highly productive compositional semantics of two small sets of ubiquitous core verbs The members of one set function as polysemous light verbs while the members of the other set play complementary roles in multiverb path constructions Numbami serial verb constructions SVCs include switch subject as well as same subject relationships between verbs The subjects of some adverbial serial verbs appear to be the events described by the earlier verbs in the SVC Although Numbami appears to be phonologically conservative it has shed most of its inherited Oceanic morphology Possessive suffixes exist only on a few kinship terms there is only one set of genitive pronouns and there are no morphological means of deriving verbs from nouns or nouns from verbs Light verbs and resultatives work to expand the inventory of verbal expressions and postposed attributive genitives help expand the inventory of nominal expressions Relative clauses are postposed and marked at both ends as in most of the neighboring Oceanic languages One chapter notes discourse phenomena including topic marking tail head linkage and a tabular analysis of the

roles of overt vs null subjects in narrative texts Those texts are reproduced with interlinear glosses and translations in the appendices *A Dictionary of Nafsan, South Efate, Vanuatu* Nicholas Thieberger, Members of the Erakor Community, 2021-10-31 This is a dictionary of Nafsan the language spoken in Vanuatu in the south of Efate Island in the villages of Erakor Pango and Eratap Nafsan is one of 130 distinct languages spoken in Vanuatu Over several decades linguist Nicholas Thieberger worked in close collaboration with the Erakor community to record this unique language and to refine its written presentation The resulting publication offers insight into the diversity of meanings available to speakers of Nafsan providing some 3 400 senses for Nafsan words and an English Nafsan finderlist In addition the book gives an overview of the Nafsan sound system provides a list of existing literature on the language dating back to early missionary translations and includes maps of Efate locating nearly 200 place names Readers will also find South Efate cultural knowledge embedded in the explanations of the Nafsan words and their usages A welcome companion to Thieberger's *A Grammar of South Efate* 2006 this book complements and significantly augments other multimedia resources made available online by the author

Creoles, Their Substrates, and Language Typology Claire Lefebvre, 2011-01-01 Since creole languages draw their properties from both their substrate and superstrate sources the typological classification of creoles has long been a major issue for creolists typologists and linguists in general Several contradictory proposals have been put forward in the literature For example creole languages typologically pair with their superstrate languages Chaudenson 2003 with their substrate languages Lefebvre 1998 or even creole languages are alike Bickerton 1984 such that they constitute a definable typological class McWhorter 1998 This book contains 25 chapters bearing on detailed comparisons of some 30 creoles and their substrate languages As the substrate languages of these creoles are typologically different the detailed investigation of substrate features in the creoles leads to a particular answer to the question of how creoles should be classified typologically The bulk of the data show that creoles reproduce the typological features of their substrate languages This argues that creoles cannot be claimed to constitute a definable typological class *The Abandoned Narcotic* Ron Brunton, 1989 In this

book Ron Brunton attempts to explain the strange geographical distribution of kava a narcotic drink once widely consumed by south west Pacific islanders *Asian and African Studies*, 1973 **Kokota Grammar** Bill Palmer, 2008-10-31 This work describes the grammar of Kokota a highly endangered Oceanic language of the Solomon Islands spoken by about nine hundred people on the island of Santa Isabel After several long periods among the Kokota Dr Palmer has written an unusually detailed and comprehensive description of the language Kokota has never before been described so this work makes an important contribution to our knowledge of the Oceanic languages of island Melanesia Kokota Grammar examines the phonology of the language and includes a lengthy section on stress assignment It continues with chapters on nouns and noun phrases minor participant types possession argument structure the verb complex clause structure imperative and interrogative constructions and subordination and coordination including verb serialization The typological interest of Kokota

along with its degree of endangerment and the paucity of information on Northwest Solomonian languages in general combined with the level of detail given in the volume make this a work of considerable interest to Austronesian linguists typologists syntacticians phonologists and all who are involved in describing and documenting endangered languages

Morphosyntax William Croft, 2022-08-04 Taking a functional approach this book provides a thorough overview of Morphosyntax and sets out a framework for syntactic constructions **New Guinea and Neighboring Areas** Stephen A. Wurm, 2019-11-18 No detailed description available for New Guinea and Neighboring Areas Indigenous Language Acquisition, Maintenance, and Loss and Current Language Policies Okamura, Toru, Kai, Masumi, 2020-08-28 The world's linguistic map has changed in recent years due to the vast disappearance of indigenous languages Many factors affect the alteration of languages in various areas of the world including governmental policies education and colonization As indigenous languages continue to be affected by modern influences there is a need for research on the current state of native linguistics that remain across the globe *Indigenous Language Acquisition Maintenance and Loss and Current Language Policies* is a collection of innovative research on the diverse policies influences and frameworks of indigenous languages in various regions of the world It discusses the maintenance attrition or loss of the indigenous languages language status in the society language policies and the grammatical characteristics of the indigenous language that people maintained and spoke This book is ideally designed for anthropologists language professionals linguists cultural researchers geographers educators government officials policymakers academicians and students **Clause Combining in Grammar and Discourse** John Haiman, Sandra A. Thompson, 1988-01-01 Traditionally the study of syntax is restricted to the study of what goes on within the boundaries of the prosodic sentence Although the nature of clause combining within a prosodic sentence has always been a central concern of traditional syntax in GG e.g. it underlies important research on deletion and anaphora work within a discourse analysis framework has hardly been done Analyses like this are given in the present volume *Finding the Center*, 1999-01-01 This second edition features three new Zuni stories updated transcriptions of stories from the original edition a bibliography and a new preface and introduction Oceania Linguistic Monographs, 1971 *Asian and African Studies* Slovenská akadémia vied. Kabinet orientalistiky, Ústav orientalistiky (Slovenská akadémia vied), 1973 Culture, 1989 Linguistics in Oceania J. D. Bowen, 2019-05-20 No detailed description available for Linguistics in Oceania

Nguna Texts Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Nguna Texts PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Nguna Texts PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In

conclusion, the availability of Nguna Texts free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Nguna Texts Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Nguna Texts is one of the best book in our library for free trial. We provide copy of Nguna Texts in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Nguna Texts. Where to download Nguna Texts online for free? Are you looking for Nguna Texts PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Nguna Texts. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Nguna Texts are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Nguna Texts. So depending on what exactly you are searching, you will be able to

choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Nguna Texts To get started finding Nguna Texts, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Nguna Texts So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Nguna Texts. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Nguna Texts, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Nguna Texts is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Nguna Texts is universally compatible with any devices to read.
