On Strike Six Key Labour Struggles In Canada 1919-1949:

On Strike Irving Abella, 1974 Compilation of articles on six key strikes in Canada from 1919 to 1949 includes references to The Canadian Labour Movement: A Short History Craig Heron, 1996 The Canadian Labour Movement is a fascinating story that brings to life the working men and women who built Canada's unions This concise history recounts the story of Canadian labour from the nineteenth century to the present day First published in 1989 it has been updated to include new developments in the world of labour up to 1995 Heron depicts the major events and trends in labour's history and assesses the current state and direction of the labour movement The Canadian Labour Movement is a masterful overview of the subject providing a broad and accessible introduction to Canadian labour

Autonomous State Dimitry Anastakis, 2013-02-19 Autonomous State provides the first detailed examination of the Canadian auto industry the country's most important economic sector in the post war period In this engrossing book Dimitry Anastakis chronicles the industry's evolution from the 1973 OPEC embargo to the 1989 Canada US Free Trade Agreement and looks at its effects on public policy diplomacy business enterprise workers consumers and firms Using an immense array of archival sources and interviews with some of the key actors in the events Anastakis examines a fascinating array of topics in recent auto industry and Canadian business and economic history the impact of new safety emissions and fuel economy regulations on the Canadian sector and consumers the first Chrysler bailout of 1980 the curious life and death of the 1965 Canada US auto pact the invasion of Japanese imports and transplant operations and the end of aggressive auto policy making with the coming of free trade More than just an examination of the auto industry the book provides a rethinking of Canada's tumultuous post OPEC political and economic evolution helping to explain the current tribulations of the global auto sector and Canada's place within it

Border Cities Powerhouse: 1901-1945 Patrick Brode, 2017-06-06 This is the first comprehensive history of the Border Cities area during its formative period in the first half of the 20th Century The story of Windsor's emergence during this period is largely one of confrontation and conflict a multicultural population industrial expansion radical politics and military production all played their part in the city's early history

Canada's 1960s Bryan D. Palmer, 2009-01-01 Focusing on the major movements and personalities of the time as well as the lasting influence of the period Canada's 1960s examines the legacy of this rebellious decade's impact on contemporary notions of Canadian identity

International and Comparative Industrial Relations Greg J. Bamber, Russell D. Lansbury, 2024-10-01 International and Comparative Industrial Relations 1987 analyses the factors which have shaped industrial relations in a range of different countries including the characteristics of the major groups and parties concerned and the nature and types of bargaining relationships which have evolved A substantial comparative chapter examines trends within market economies as a whole and a statistical appendix provides some valuable comparative labour market data Each chapter follows a similar format with an examination of the environment of industrial relations economic legal social and political and the major players unions employers and

governments Then follow descriptions of the main processes of industrial relations such as local and centralised collective bargaining arbitration and mediation joint consultation and employee participation Important topics are picked out such as labour law reform industrial democracy technological change and incomes policy

The Great Depression Pierre Berton, 2012-02-21 Over 15 million Canadians were on relief one in five was a public dependant and 70 000 young men travelled like hoboes Ordinary citizens were rioting in the streets but their demonstrations met with indifference and dissidents were jailed Canada emerged from the Great Depression a different nation The most searing decade in Canada's history began with the stock market crash of 1929 and ended with the Second World War With formidable story telling powers Berton reconstructs its engrossing events vividly the Regina Riot the Great Birth Control Trial the black blizzards of the dust bowl and the rise of Social Credit The extraordinary cast of characters includes Prime Minister Mackenzie King who praised Hitler and Mussolini but thought Winston Churchill one of the most dangerous men I have ever known Maurice Duplessis who padlocked the homes of private citizens for their political opinions and Tim Buck the Communist leader who narrowly escaped murder in Kingston Penitentiary In this 1 best selling book Berton proves that Canada's political leaders failed to take the bold steps necessary to deal with the mass unemployment drought and despair A child of the era he writes passionately of people starving in the midst of plenty

Working People, Fifth Edition Desmond Morton, 1999-01-13 From the dock workers of Saint John in 1812 to teenage crews at McDonald's today Canada's trade union movement has a long exciting history Working People tells the story of the men and women in the labour movement in Canada and their struggle for security dignity and influence in our society Desmond Morton highlights the great events of labour history the 1902 meeting that enabled international unions to dominate Canadian unionism for seventy years the Winnipeg General Strike of 1919 and an obscure 1944 order in council that became the labour's charter of rights and freedoms He describes the romantic idealism of the Knights of Labor in the 1880s and looks at new model unions that used their members dues and savings to fight powerful employers Working People explores the clash between idealists who fought for socialism industrial democracy and equality for women and men and the realists who wrestled with the human realities of self interest prejudice and fear Morton tells us about Canadians who deserve to be better known Phillips Thompson Helena Gutteridge Lynn Williams Huguette Plamondon Mabel Marlowe Madeleine Parent and a hundred others whose struggle to reconcile idealism and reality shaped Canada more than they could ever know

Power, Politics, and Principles Taylor Hollander, 2018-06-12 Set against the backdrop of the U S experience Power Politics and Principles uses a transnational perspective to understand the passage and long term implications of a pivotal labour law in Canada Utilizing a wide array of primary materials and secondary sources Hollander gets to the root of the policy making process revealing how the making of P C 1003 in 1944 a wartime order that forced employers to the collective bargaining table involved real people with conflicting personalities and competing agendas Each chapter of Power Politics and Principles begins with a quasi fictional

vignette to help the reader visualize historical context Hollander pays particular attention to the central role that Mackenzie King played in the creation of P C 1003 Although most scholars describe the Prime Minister s approach to policy decisions as calculating and opportunistic Power Politics and Principles argues that Mackenzie King s adherence to moderate principles resulted in a less hostile legal environment in Canada for workers and their unions in the long run than a more far reaching collective bargaining law in the United States

Dominion of Capital Don Nerbas,2013-12-06 In the critical decades following the First World War the Canadian political landscape was shifting in ways that significantly recast the relationship between big business and government As public pressures changed the priorities of Canada s political parties many of Canada s most powerful businessmen struggled to come to terms with a changing world that was less sympathetic to their ideas and interests than before *Dominion of Capital* offers a new account of relations between government and business in Canada during a period of transition between the established expectations of the National Policy and the uncertain future of the twentieth century Don Nerbas tells this fascinating story through close portraits of influential business and political figures of this period including Howard P Robinson Charles Dunning Sir Edward Beatty R S McLaughlin and C D Howe that provide insight into how events in different sectors of the economy and regions of the country shaped the political outlook and strategies of the country s business elite Drawing on business political social and cultural history Nerbas revises standard accounts of government business relations in this period and sheds new light on the challenges facing big business in early twentieth century Canada

Wheel of Fortune Jamie Swift,1995 Jamie Swift combines sharp eyed journalism that brings out the nuances of daily life with a penetrating analysis of jobless recovery He describes the emerging world of work through the eyes and experiences of people in Kingston and Windsor two Ontario cities with roots in the pre industrial past places poised for the post industrial information age

Joe Salsberg Gerald J. J. Tulchinsky,2013-01-01 Award winning historian Gerald Tulchinsky traces Salsberg s personal and professional journey from his entrance into Toronto s oppressive garment industry at age 14 which led to his becoming active in emerging trade unions to his rise through the ranks of the Communist Party of Canada and the Workers Unity League Detailing Salsberg s time as an influential Toronto alderman and member of the Ontario legislature the book also examines his dramatic break with communism and his embrace of a new career in journalism

Bora Laskin Philip Girard,2015-01-15 In any account of twentieth century Canadian law Bora Laskin 1912 1984 looms large Born in northern Ontario to Russian Jewish immigrant parents Laskin became a prominent human rights activist university professor and labour arbitrator before embarking on his accidental career as a judge on the Ontario Court of Appeal 1965 and later Chief Justice of Canada 1973 1984 Throughout his professional career he used the law to make Canada a better place for workers racial and ethnic minorities and the disadvantaged As a judge he sought to make the judiciary more responsive to modern Canadian expectations of justice and fundamental rights In *Bora Laskin Bringing Law to Life* Philip Girard chronicles the life of a man who at all points of his life was a fighter for a better Canada he

fought antisemitism corporate capital omnipotent university boards the Law Society of Upper Canada and his own judicial colleagues in an effort to modernize institutions and re shape Canadian law Girard exploits a wealth of previously untapped archival sources to provide in vivid detail a critical assessment of a restless man on an important mission **The History of Disruption** Mehmet Dosemeci,2024-10-29 Challenging our understanding of social struggles as movements Mehmet D semeci traces a 300 year counter history of struggle predicated on disruption Why do we think of social struggles as movements Have struggles been practiced otherwise not as motion but as interruption occupation disturbance arrest Looking at three hundred years of Atlantic social struggle kinetically Mehmet D semeci questions the axiomatic association that academics and activists have made between modern social struggles and the category of movement D semeci argues that this movement politics has privileged some forms of historical struggle while obscuring others and perhaps more damningly reveals the complicity of social movements in the very forces they oppose D semeci s story begins with the eighteenth century establishment of a transatlantic regime of movement that coerced goods and bodies into violent and ceaseless motion He then details the long history of resistance to this regime interweaving disparate social struggles such as food riots Caribbean maroon communities Atlantic pirates secret societies and syndicalism the student New Left Black Power radical feminism Operaismo and the Zapatistas into a history of politics as disruption D semeci convincingly argues that this history is key to understanding the resurgence of disruptive politics in the twenty first century and offers valuable guidance for future struggles seeking to overturn an ever intensifying regime of movement *Marxism and Historical Practice (Vol. I)* Bryan D. Palmer,2015-09-01 The two volumes of Marxism and Historical Practice bring together essays written by one of the major Marxist historians of the last fifty years The pieces collected in Volume I Interpretive Essays on Class Formation and Class Struggle offer a stimulating empirically grounded survey of North American collective behaviour popular mobilizations and social struggles ranging from a rich discussion of ritualistic protest like the charivari through the rise of the Knights of Labor in the 1880s to campaigns against neoliberal labour reform in British Columbia in the early 1980s What emerges is Palmer s sustained reflection on long standing interpretive historical problems of class formation the dynamics of social change and how popular social movements arise and relate to law the state and existing cultural contexts Violence in Canada Jeffrey Ross,2017-09-29 Many people consider Canada particularly in comparison to its southern cousin as a peaceable kingdom However as the historical record demonstrates Canadians have never been a thoroughly non violent people Violence in Canada highlights from an interdisciplinary perspective the major areas and contexts where violence takes place Consisting of thirteen contributions the book forms an indispensable guide to the subject All of the authors are experts in their field many with international reputations and are drawn from the fields of sociology political science history and criminology The foreword by Ted Robert Gurr author of Violence in America is followed by an historical analysis of violence on the Canadian western frontier Other scholars describe contemporary violence by and against indigenous peoples

women children and the elderly in labor related disputes homicide police and prison violence terrorism and discuss government responses and policy implications Each chapter specifically addresses the sociological and political dimensions of violence The authors make ample use of statistics and empirical research Jeffrey Ian Ross s introduction outlines the sociopolitical dynamics of violence and his summary chapter offers directions for future research When the book was first published in 1995 it was widely praised by scholarly journals and has since become a standard text in the study of violence and modern Canadian cultural studies The book is all the more valuable as its new introduction places its findings in the context of research that has been produced since the original publication Violence in Canada will be of interest to sociologists criminologists and political scientists Jeffrey Ian Ross is an associate professor in the Division of Criminology Criminal Justice and Social Policy and fellow with the Center for Comparative and International Law University of Baltimore His work has appeared in many academic journals and chapters in academic texts as well as articles in popular magazines in Canada and the United States He is the author co author editor or co editor of eight books Ted Robert Gurr is Distinguished University Professor at the University of Maryland Among his books are Why Men Rebel and Violence in America

Public Violence in Canada, 1867-1982 Judy Torrance, 1988-05-01 Judy Torrance introduces the concept of public violence to denote acts widely considered to be violent and of importance to society Public violence differs from related concepts like political violence in explicitly recognizing that the subject matter is socially constructed

Riding to the Rescue Steve Hewitt, 2006-12-15 The Mountie may be one of Canada s best known national symbols yet much of the post nineteenth century history of the Royal Canadian Mounted Police remains unexamined particularly the period between 1914 and 1939 when the RCMP underwent enormous transformation The nature of this transformation as it took place in Alberta and Saskatchewan where the Mounties have traditionally dominated policing is the focus of Steve Hewitt s Riding to the Rescue During the 1914 to 1939 period the nineteenth century model of the RCMP was evolving into a twentieth century version and the institution that emerged responded to a nation that was being transformed as well Forces such as industrialization mass immigration urbanization and political radicalism compelled the Mounties to look away from the frontier and toward a new era Incorporating previously classified material which explores the RCMP both in the context of its ordinary policing role and in its work as Canada s domestic spy agency Hewitt demonstrates how much of the impetus behind the RCMP s transformation was ensuring its own survival and continued relevance Riding to the Rescue is a provocative and incisive look behind one of Canada s most enduring icons at the cusp of the modern era

Canadian Books in Print. Author and Title Index, 1975

The Vigilant Eye Greg Marquis, 2017-01-19T00:00:00Z In The Vigilant Eye Greg Marquis combines the narrative and chronological approach of traditional institutional history with the critical approaches of social history legal history and criminology The book begins with the English and Irish roots of nineteenth century British North American policing and traces the development of the three models of law enforcement that would shape the future the local rural

constable the municipal police department and the paramilitary territorial constabulary Marquis examines the development of provincial police services whose expansion coincided with the rise of mass automobile ownership and controversies over alcohol prohibition and control and their eventual absorption into the RCMP In terms of political policing the vigilant eye has monitored harassed and disrupted various social and political movements ranging from Fenians to communists to Quebec separatists and environmentalists Marquis argues that the style of community policing in vogue during the 1970s and 1980s lacked confidence and had a limited impact Canada's simplistic crime fighting model undermines genuine reform including curbs on the use of deadly force on citizens and justifies the increased militarization of policing Marquis argues that it is time for citizens to turn their vigilant eye towards police and policing in their own communities
