

POOR JACK

*The perilous history of
the merchant seaman*

RONALD HOPE

Poor Jack The Perilous History Of The Merchant Seaman

**Leonard George Carr Laughton, Roger
Charles Anderson, William Gordon
Perrin**

Poor Jack The Perilous History Of The Merchant Seaman:

Poor Jack Ronald Hope, 2001 Nasty brutish and short Hobbes might well have been describing the existence of the professional seaman for most of history The earliest recorded sailor's yarn dating from about 2000 BC is a story of shipwreck and seamen were always nearer to oblivion than most At times landsmen have been tempted to sentimentalize the way of the sea Dibden the eighteenth century ballad monger wrote There is a sweet cherub that sits up aloft to keep watch for the life of poor Jack but seamen knew the cherub was never over diligent Whether described as shipman mariner sailor seaman poor Jack or jolly Jack jolly whenever opportunity offered poor on all but paydays the merchant seaman was substantially the same for most of the 2000 years of the Christian era and indeed for the 2000 years before that Cut off from land and normal society the seaman's world was distinct and the seaman himself distinctive In the western world the deep sea sailor has now all but disappeared so it is possible to look dispassionately at what the seafaring life meant for those who went down to the sea in ships Drawing on a mass of contemporary material spanning four millennia this book follows the merchant seaman ashore and afloat through the typical vicissitudes of his exotic but uncertain life Although it is an unsentimental warts and all portrayal it is nevertheless an affectionate valedictory tribute to a lifestyle that has almost vanished **Merchant**

Seamen's Health, 1860-1960, 2014 **Disease in the Merchant Navy** Gordon Cook, Anna Pavlov, 2019-08-08 In this unique highly detailed examination Gordon C Cook explores disease in the merchant navy through the history of the Seamen's Hospital Society From its foundation in 1812 until the present day the Seamen's Hospital Society has been responsible for the physical welfare of merchant seamen and has headed many remarkable advances in medical science This handsome volume is ideal for all those with an interest in the Seamen's Hospital Society medical and naval historians and general readers with an interest in maritime and naval history **The Evil Necessity** Denver Alexander Brunsman, 2013 A fundamental component of Britain's early success naval impressment not only kept the Royal Navy afloat it helped to make an empire In total numbers impressed seamen were second only to enslaved Africans as the largest group of forced laborers in the eighteenth century In *The Evil Necessity* Denver Brunsman describes in vivid detail the experience of impressment for Atlantic seafarers and their families Brunsman reveals how forced service robbed approximately 250 000 mariners of their livelihoods and not infrequently their lives while also devastating Atlantic seaport communities and the loved ones who were left behind Press gangs consisting of a navy officer backed by sailors and occasionally local toughs often used violence or the threat of violence to supply the skilled manpower necessary to establish and maintain British naval supremacy Moreover impressments helped to unite Britain and its Atlantic coastal territories in a common system of maritime defense unmatched by any other European empire Drawing on ships logs merchants papers personal letters and diaries as well as engravings political texts and sea ballads Brunsman shows how ultimately the controversy over impressment contributed to the American Revolution and served as a leading cause of the War of 1812 *Early American Histories* Winner of the Walker Cowen

Memorial Prize for an Outstanding Work of Scholarship in Eighteenth Century Studies *English/British Naval History to 1815* Eugene L. Rasor, 2004-10-30 The English British have always been known as the sailor race with hearts of oak the Royal Navy as the Senior Service and First Line of Defense It facilitated the motto The sun never set on the British Empire The Royal Navy has exerted a powerful influence on Great Britain its Empire Europe and ultimately the world This superior annotated bibliography supplies entries that explore the influence of the English British Navy through its history This survey will provide a major reference guide for students and scholars at all levels It incorporates evaluative qualitative and critical analysis processes the essence of historical scholarship Each one of the 4 124 annotated entries is evaluated assessed analyzed integrated and incorporated into the historiographical scholarship The Seaforth Bibliography Eugene Rasor, 2009-04-17 This remarkable work is a comprehensive historiographical and bibliographical survey of the most important scholarly and printed materials about the naval and maritime history of England and Great Britain from the earliest times to 1815 More than 4 000 popular standard and official histories important articles in journals and periodicals anthologies conference symposium and seminar papers guides documents and doctoral theses are covered so that the emphasis is the broadest possible But the work is far far more than a listing The works are all evaluated assessed and analysed and then integrated into an historical narrative that makes the book a hugely useful reference work for student scholar and enthusiast alike It is divided into twenty one chapters which cover resource centres significant naval writers pre eminent and general histories the chronological periods from Julius Caesar through the Vikings Tudors and Stuarts to Nelson and Bligh major naval personalities warships piracy strategy and tactics exploration discovery and navigation archaeology and even naval fiction Quite simply no one with an interest and enthusiasm for naval history can afford to be without this book at their side The Colombo Bay Richard Pollak, 2013-09-10 In the face of killer storms fires piracy and terrorism container ships the length of city blocks and more than a dozen stories high carry 90 percent of the worlds trade This is an account of one ship s voyage and of the sailors who daily risk their lives to deliver six million containers a year to United States ports alone Inside these twenty foot and forty foot steel boxes are the thousands of imports from chinos and Game Boys to garlic and frozen shrimp without which North America s consumer society would collapse To explore this little known and dangerous universe of modern seafaring Richard Pollak joined the Colombo Bay in Hong Kong and over the next five weeks sailed with her and her 3 500 containers across the South China Sea the Indian Ocean the Mediterranean and the Atlantic En route this mammoth vessel called at Singapore and Colombo passed through the Suez Canal toll 250 000 then put in at Malta and Halifax before tangling with Hurricane Karen on the two day run to New York Here is the story of the ship s unheralded twenty four man company of the unflappable British captain Peter Davies a veteran of four decades at sea of Federico Castrojas who like the rest of the hard working Filipino crew must daily confront the loneliness of being away from his family for nine months at a stretch of Simon Westall the twenty one year old third mate who reveals what it is like to be

gay in the broad shouldered world of the merchant service It is a world where pirates in the Malacca Strait sneak up behind ships at night in fast power boats then clamber aboard and either rob the unarmed sailors at gunpoint and escape into the dark or throw the crew into the sea and hijack the ship plundering her cargo and sometimes repainting her and setting out to do business under another name and flag It is a world where families desperate to get to the United States or Europe pay thousands of dollars to the Chinese Snakeheads and other criminal gangs who secrete these wretched migrants in stifling containers after a week or more at sea these stowaways arrive in the Promised Land either starving or dead Pollak sailed on September 13 2001 into a changed world on one of 7 000 container ships whose millions of uninspected boxes suddenly had become potential Trojan horses in which terrorists could transport weapons of mass destruction into the heart of the United States Throughout his riveting narrative Pollak interweaves the insights of Herman Melville and Joseph Conrad whose masterful portrayals of seafaring make the voyage of the Colombo Bay a dramatic reminder of what a hard and rarely reported life merchant seamen have always led out on the unhooped oceans of this planet *Drink Spiking and Predatory Drugging* Pamela Donovan,2016-07-04 This book analyses common perceptions about drink spiking a pervasive fear for many and sometimes a troubling reality Ideas about spiked drinks have shaped the way we think about drugs alcohol criminal law risk nightspots and socializing for over one hundred and fifty years since the rise of modern anaesthesia and synthetic pharma ubiquity The book offers a wide ranging look at the constantly shifting cultural and gender politics of psycho chemical treachery It provides rich case histories assesses evolving scientific knowledge and analyses the influence of social forces as disparate as Temperance and the acid enthusiasts of the 1960s Drawing on interdisciplinary research the book will be of great interest to upper level students and scholars of criminal law forensic science public health and social movements

The Way of the Sea Roald Kverndal,2008-01-01 The sea has been both a source of bounty and a bridge of communication through the ages The Way of the Sea explores the unique role of seafarers in promoting the revealed plan of the Creator and Redeemer of both land and sea As a follow up to The Seamen s Mission Kverndal s comprehensive survey of maritime mission presents both historical and current perspectives While The Way of the Sea provides a much needed tool for the developing field of maritime Missiology people from all walks of life will learn from the rich history and culture of kingdom minded seafarers 'I am Determined to Live or Die on Board My Ship.' Jim Tildesley,2019-04-02 Feeding Nelson's Navy Janet Macdonald,2014-04-30 The author of How to Cook from A Z disproves the myth of British navy culinary misconduct in a work of serious history that is a delight to read British Food in America This celebration of the Georgian sailor s diet reveals how the navy s administrators fed a fleet of more than 150 000 men in ships that were often at sea for months on end and that had no recourse to either refrigeration or canning Contrary to the prevailing image of rotten meat and weevily biscuits their diet was a surprisingly hearty mixture of beer brandy salt beef and pork peas butter cheese hard biscuit and the exotic sounding lobsouse not to mention the Malaga raisins oranges lemons figs dates and pumpkins which

were available to ships on far distant stations In fact by 1800 the British fleet had largely eradicated scurvy and other dietary disorders While this scholarly work contains much of value to the historian the author s popular touch makes this an enthralling story for anyone with an interest in life at sea in the age of sail Overall this is an excellent examination of this crucial aspect of British naval power and I m certainly going to try out some of the recipes HistoryOfWar org *Nemesis* Adrian G. Marshall,2015-10-23 The *Nemesis* was the first of a generation of iron clad steam powered naval vessels that established British dominance in Asian waters in the nineteenth century The world s first iron warship the first vessel with truly watertight compartments and the first iron vessel to round the Cape of Good Hope *Nemesis* represented a staggering superiority over the oar and sail powered naval forces of Britain s Asian rivals Yet strangely her story has never been told to modern audiences and her origins and actions have until now been shrouded in mystery This lively narrative places her in the historical context of the last years of the East India Company and in the history of steam power and iron ships It tells of her exploits in the First Opium War in pirate suppression and naval actions across Asia from Bombay to Burma to the Yangtze River and beyond *The Routledge Companion to Marine and Maritime Worlds 1400-1800* Claire Jowitt,Craig Lambert,Steve Mentz,2020-05-21 This book has been nominated for The Mountbatten Award for Best Book in the Maritime Media Awards 2021 *The Routledge Companion to Marine and Maritime Worlds 1400 1800* explores early modern maritime history culture and the current state of the research and approaches taken by experts in the field Ranging from cartography to poetry and decorative design to naval warfare the book shows how once traditional and often Euro chauvinistic depictions of oceanic mastery during the early modern period have been replaced by newer global ideas This comprehensive volume challenges underlying assumptions by balancing its assessment of the consequences and accomplishments of European navigators in the era of Columbus da Gama and Magellan with an awareness of the sophistication and maritime expertise in Asia the Arab world and the Americas By imparting riveting new stories and global perceptions of maritime history and culture the contributors provide readers with fresh insights concerning early modern entanglements between humans and the vast unpredictable ocean With maritime studies growing and the ocean s health in decline this volume is essential reading for academics and students interested in the historicization of the ocean and the ways early modern cultures both conceptualized and utilized seas *A Visitor's Guide to Georgian England* Monica Hall,2017-07-30 The author has done an outstanding job of making the colorful Georgian world come alive in all its contradictory bawdy and utterly fascinating glory Britain Express Could you successfully be a Georgian Find yourself immersed in the pivotal world of Georgian England exciting times to live in Everything was booming the Industrial Revolution the Enlightenment and the nascent Empire in an era inhabited by Mary Shelley the Romantic poets and their contemporaries Find everything you need to know in order to survive as a time traveler from today undetected among the ordinary people how to dress behave yourself in public earn a living and find somewhere to live Just as importantly you will be given advice on how to stay on the right side of the law and

how to avoid getting seriously ill Monica Hall creatively evokes this bygone era filling the pages of this book with all aspects of daily life within the period calling upon diaries illustrations letters poetry prose eighteenth century laws and archives This detailed account intimately explores the ever changing lives of those who lived through Britain's imperial prowess the birth of modern capitalism and the upheaval of the industrial revolution major political reform and class division A fantastic piece of social history that fills in a huge number of gaps in our knowledge First class entertainment and educational at the same time Books Monthly [The Real Jim Hawkins](#) Roland Pietsch,2011-03-23 Generations of readers have enjoyed the adventures of Jim Hawkins the young protagonist and narrator in Robert Louis Stevensons Treasure Island but little is known of the real Jim Hawkins and the thousands of poor boys who went to sea in the eighteenth century to man the ships of the Royal Navy This groundbreaking new work is a study of the origins life and culture of the boys of the Georgian navy not of the upper class children training to become officers but of the orphaned delinquent or just plain adventurous youths whose prospects on land were bleak and miserable Many had no adult at all taking care of them others were failed apprentices many were troublesome youths for whom communities could not provide so that the Navy represented a form of floating workhouse Some with restless and roving minds like Defoes Robinson Crusoe saw deep sea life as one of adventure interspersed with raucous periods ashore drinking singing and womanizing The author explains how they were recruited describes the distinctive subculture of the young sailor the dress hair tattoos and language and their life and training as servants of captains and officers More than 5 000 boys were recruited during the Seven Years War alone and without them the Royal Navy could not have fought its wars This is a fascinating tribute to a forgotten band of sailors [A Brief History of Mutiny](#) Richard Woodman,2005 The notorious uprising on the Bounty has been elevated to iconic status by Hollywood yet Richard Woodman describes it here as a mere pup among mutinies Captain Bligh was neither tyrant nor sadist whereas Pigot of the Hermione was both Woodman brings a seaman's perspective to this compelling history which stretches from Magellan's handling of an uprising on his great voyage of discovery in 1519 to the sordid crimes that mutinies had become four centuries later **The Mariner's Mirror** Leonard George Carr Laughton,Roger Charles Anderson,William Gordon Perrin,2007 *Ships Monthly* ,2001 **Current Contents** Institute for Scientific Information (Philadelphia),2002

After the Storm John Rousmaniere,2002-04-17 An exploration of loss and survival by one of America's finest nautical writers After the Storm is John Rousmaniere's most ambitious work ever the unique expression of a master storyteller and authority on seamanship who has survived storms at sea Each of the book's stories of seafaring disaster many little known all exciting and of deep human interest presents a broad human drama Rousmaniere tells of the hopes and choices that put these sailors in harm's way He takes readers into the gales themselves with authoritative knowledge of horrific weather and the split second decisions that seamen must make Finally he explores the consequences of these disasters for survivors rescuers families communities and in some cases nations The pursuit of these elusive strands leads the reader deep into our

ambivalent relationship with the sea as both destroyer and preserver

Poor Jack The Perilous History Of The Merchant Seaman Introduction

In today's digital age, the availability of Poor Jack The Perilous History Of The Merchant Seaman books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Poor Jack The Perilous History Of The Merchant Seaman books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Poor Jack The Perilous History Of The Merchant Seaman books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Poor Jack The Perilous History Of The Merchant Seaman versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Poor Jack The Perilous History Of The Merchant Seaman books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Poor Jack The Perilous History Of The Merchant Seaman books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Poor Jack The Perilous History Of The Merchant Seaman books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the

Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Poor Jack The Perilous History Of The Merchant Seaman books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Poor Jack The Perilous History Of The Merchant Seaman books and manuals for download and embark on your journey of knowledge?

FAQs About Poor Jack The Perilous History Of The Merchant Seaman Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Poor Jack The Perilous History Of The Merchant Seaman is one of the best book in our library for free trial. We provide copy of Poor Jack The Perilous History Of The Merchant Seaman in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Poor Jack The Perilous History Of The Merchant Seaman. Where to download Poor Jack The Perilous History Of The Merchant Seaman online for free? Are you looking for Poor Jack The Perilous History Of The Merchant Seaman PDF? This is definitely going to save you time and cash in something you should think about.
