Thomas Griffiths

Pope Patrick:

Pope Patrick Peter De Rosa, 2011-11-02 The year is 2009 America has its first Catholic president since Kennedy The planet's other superpower is the Federation of Islamic Republics stretching from Morocco to Pakistan And in Rome the aging Polish Pope obstinate and combative to the end has died and the conclave of cardinals must choose a successor After a great deal of argument and debate they choose the least controversial candidate the least political the one least likely to upset the Vatican status quo Brian O Flynn a kindly old Irish priest who reads Yeats and publishes obscure academic theses At the moment of his election a 300 pound ornamental pillar falls on his head Then all hell breaks loose Pope Patrick is the riotous story of a mild mannered country cardinal who through a democratic election a twist of fate and a little help from his golden Lab Charley turns the Vatican upside down and throws the industrial world into chaos He deals once and for all with the thorny issues of contraception the celibacy of the clergy and the infallibility of the pope sends the Dow Jones tumbling and the hopes of the downtrodden soaring and in the process brings the world to the brink of catastrophe By turns funny tender exciting and controversial Pope Patrick is a scathingly brilliant delightfully droll novel of principles power and faith the story of the holiest bravest most likable pope since St Peter

Legacy of the Keys Bill Floyd, 2012-04-19 Legacy of the Keys is a trilogy Book One Guardian of the Holy Keys is an action adventure novel in manner of Dan Brown's book Angels and Demons It is filled with marvelous characters intriguing dialogue and an engrossing storyline Nearing the end of the Dark Ages the lust for power and wealth ran rampant through the halls of the Vatican The most powerful families struggled for this power After the murder of the reigning pope a lowly priest was elected Realizing that no one man should have such power he hides the keys that were handed down from St Peter to each pope Centuries later his namesake finds a manuscript hidden in the papal apartments giving the location of one of the keys hidden in the archives The key is stolen evil is once again unleashed and the lust for power and wealth is rampant as one of the cardinals makes a play for the ultimate power the keys hold Book Two coming in the spring of 2014

The Life and Writings of St. Patrick John Healy, 1905

My Son, the Priest

Kristin Grady Gilger, 2025-11-11 A beautifully written tale of spiritual growth James Martin SJ author of the New York Times bestsellers Jesus A Pilgrimage and Learning to Pray Not every Catholic mother wants her son to be a priest The true story of a young man's journey to become a Jesuit priest written by his mother a fallen away Catholic who must come to terms with her son's decision or risk losing him It is an intimate sometimes irreverent and often searing examination of faith family and reconciliation You send your son off to college and you think that in a few years you might get a call and he'll announce that he has someone he's bringing home someone he wants you to meet But then that someone turns out to be a recruiter hawking a lifetime of poverty chastity and obedience What college kid in his right mind would sign up for that The book offers a rare often entertaining glimpse into the highly unusual Jesuit formation process which includes sending would be priests off on pilgrimages with 35 in their pockets It also takes on tough issues from the church's history of sexual abuse to

Infallible A Papal Fantasy is a rollicking speculation on what might happen if a Pope were to decide to use his infallible authority to advance instead of hindering the cause of gay rights Infallible mixes romance sex and murder with the Byzantine machinations of Vatican politics as the newly elected Pope Patrick I is sent on a spiritual journey where he is subjected to the trials tribulations and triumphs of gay life Convinced that he has experienced a real epiphany Patrick must now using all of his substantial Papal powers find a way to peacefully achieve God s grand design Faced with unrelenting opposition from within his own Vatican hierarchy the Pope enlists the help of two young men Randy Feigal an AIDs activist and long time political adversary from his hometown Boston and Alberto Camello a young Swiss Guardsman who s just beginning to question his own sexuality The sides are drawn Will the forces of traditional dogma win the day Or will Patrick and his friends at last find a way to wrench the Catholic Church into the Twenty first Century
