SEVENTY SEVEN Terrance Jagiel, 2023-06-26 This is the story of my existence and all the memories that I could remember The title of the book is **SEVENTY EVEN** which is the time frame of my life to date The story is that of my mother father and two sisters and I We were brought up by two Polish parents that were Catholic and we lived in a town called Toledo in the state of Ohio My father was a very unique man who had the ability to do mostly anything he puts his mind to My father was a good provider and a

hard worker He had the ability to think in a way that amazed people My father had been in many different businesses and occupations He also was an inventor with over thirty patents credited to his name My father loved his family and did his best to provide for us and make a loving atmosphere for us to live in My mother was a wonderful mother who was able to raise us in a manner that help us throughout our lives we were taught to be kind be polite be caring towards others have manners love and forgive each other believe in God and thank him for all he provided for us The early years as far back as I can remember were happy sad and confusing Our lives took many twists and turns mainly because of my father and his desire to succeed My mother was a saint to give him free reign to do what he wanted but I guess she didn't have much of a choice This book is different because instead of chapters I decided to use the name of the streets we lived on which were quite a few And just for a little challenge there are a couple of things throughout the book that are different see if you can find out what they are when you finish the book The answers will be in code at the end of the book with instructions how to find out the answers So I hope you enjoy the adventure of my life *Motion Pictures* Library of Congress.
