

**Example 'Poppies' and 'Kamikaze' poem**

**PLAN:**

**POPPIES + KAMIKAZE**

Compare the ways in which power and conflict are explored in 'Poppies' and one other poem in your anthology.

**P1 - STRUCTURE + FORM**

Kamikaze: 7 stanzas, dramatic monologue

Poppies: 4 stanzas, dramatic monologue

Link: Both dramatic monologues but poppies are written directly from the speaker, whereas in Kamikaze the speaker speaks from her perspective and her fathers. Both are not experiences of the writer.

**P2 - LANGUAGE - DONE**

Kamikaze: "mackerel, black crabs, feathery prawns, the loose silver of whitebait and once a tuna"

Poppies: "hoping to hear your playground voice catching on the wind"

Link: They both show how life + memories are stained with war.

**P3 - LANGUAGE**

Kamikaze: "enough fuel for a one-way journey into history"

Poppies: "Sellotape bandaged around my hand", and "crimped petals, spasms of paper red, disrupting a blockade of yellow bias binding"

Link: both explore death, however in different ways.

**P4 - LANGUAGE**

Kamikaze: 'we too learned to be silent, to live as though he had never returned, that this was no longer the father we loved.'

Poppies: "Yellow" + "Tracing the inscriptions on the war memorial"

Link: The theme of honour.

**P5 - RHYME SCHEME + TONE**

Kamikaze: No rhyme scheme, intimate tone, very personal story

Poppies: no rhyme scheme, free verse

Link: both show the chaos that war brings.

In the poems 'Poppies' by Jane Weir and 'Kamikaze' by Beatrice Garland, the writers explore power and conflict from the perspective of war and its consequences. Both poets display the personal and emotional impacts on individuals without directly fighting.

In both poems, the writers show how war can taint memories and life with conflict and loss. Both poets show how war infiltrates everyone's life and causes suffering, not just on the battlefield. In Kamikaze, the speaker describes "mackerel, black crabs, feathery prawns, the loose silver of whitebait, and once a tuna" the kamikaze pilot sees below. There is a juxtaposition between the sea full of life and the connotations of "black," which foreshadows the kamikaze's death. Perhaps Garland is showing how life in war is constantly stained with death and loss; even nature is affected by conflict. In 'Poppies', the speaker looks back nostalgically to her memories before the war, when her son was alive and young, she was "hoping to hear your [his] playground voice catching on the wind". Weir
