Poppy Chronicles Blitz:

Blitz (Book 4 of The Poppy Chronicles) Claire Rayner, 2010-05-30 London in the Blitz Poppy is a mature and capable woman She struggles to enable her family to lead normal lives The problems they create are known to all mothers a daughter torn between two men and a difficult and headstrong stepdaughter It is a time of fear and uncertainty but love and passion grow amidst the devastation **Blitz** Claire Rayner, London in the Blitz is a dangerous place **A Time to Heal** Claire Rayner, 2010-05-29 Dr Harriet Berry is a woman research doctor who apparently discovers a cure for cancer She is

confronted with the skepticism and jealousy of her colleagues and in spite of her efforts the lives of those with whom she is intimately involved are put under pressure Her sensational scientific breakthrough brings immediate notoriety and a whirl of undesirable publicity with which she is totally unprepared to cope **Death on the Table** Claire Rayner, 2010-05-29 The

man admitted to casualty was a Polish seaman an emergency in urgent need of an abdominal operation Four hours later he died accidentally From then on the accidents became more frequent and more violent **Clinical Judgments** Claire Rayner, 2010-05-29 Medical decisions can kill or cure and this book documents one month in a hospital where staff are challenged by such decisions Problems are faced daily by people like Kate Sayers a surgeon whose dedication to her work makes any private life difficult and whose boyfriend an investigative journalist opens up publicity on issues which the hospital would far rather keep quiet Media Review Digest C. Freedman, 2014-07-11 Few historical images are more powerful than those of wartime London Having survived a constant barrage of German bombs the city is remembered as an island of courage and defiance These wartime images are still in use today to support a wide variety of political viewpoints But how well do such descriptions match the memories of those who survived the blitz Jean Freedman interviewed more than fifty people who remember London during the war focusing on under represented groups including women Jews and working class citizens In addition she examined original propaganda secret government documents wartime diaries and postwar memoirs Of particular significance to Freedman were the contemporary music theater film speeches and radio drama used by the British government to shape public opinion and impart political messages Such bits of everyday life are mentioned in virtually every civilian s experience of wartime London but their interpretations of them often clashed with their government s intentions By exploring the differences between wartime documentation and postwar memory oral and written artifacts and the voices of the powerful and the obscure Freedman illuminates the complex interactions between myth and history She concludes that there are as many interpretations of what really happened during Britain s finest hour as there are people who remember it **The King's**
