Popskis Private Army:

Popski's Private Army Vladimir Peniakoff, 1957 **Popski's Private Army** Vladimir Peniakoff, 1953 Popski's Private Army Lt.-Col. Vladimir Peniakoff DSO MC, 2016-03-28 In October 1942 Vladimir Peniakoff nicknamed Popski formed his own elite fighting force in the North African desert Over the next year Popski's Private Army carried out a series of daring raids behind the German lines that were truly spectacular freeing prisoners destroying installations spreading alarm This one of the classic memoirs of the Second World War is their story A story of adventure which has no rival in the literature of any war DAILY EXPRESS This is certainly among the best of war books splendid writing THE OBSERVER One of the small handful of really first class war books A superb story of adventure told masterfully brilliantly EVENING STANDARD His courage resourcefulness and qualities of leadership deservedly gained him a high reputation He has now shown that he also possesses unusual literary talent THE DAILY TELEGRAPH **With Popski's Private Army** Ben Owen, 2009 Warriors On Wheels Capt. Robert "Park" Yunnice MC, 2016-07-26 Captain Robert Park Yunnice MC 1909 1961 was one of the original officers of Popski's Private Army officially No 1 Demolition Squadron PPA a unit of British Special Forces set up on Cairo in October 1942 by Major Vladimir Peniakoff MC Popski Capt Yunnice was Popski's second in command and leader of B patrol This is the true story of a small group of men who enjoyed World War II The war was not of their seeking few of them knew anything about war or wanted it but when it came they volunteered as a matter of course One by one led by a love of adventure they gravitated to a special service unit called Popski's Private Army I was second in command of Popski's Private Army I was the first recruit I trained the men and knew them intimately I fought with them and joked with them I shared their triumphs their failures and their fears I saw some of them die I loved these men and was honoured by their friendship and their faith This story should have been written long ago when the war ended It was but in a different form and never published now I have found time to rewrite it just as it happened during the years of the war Author's Preface Popski's Private Army, Etc Vladimir PENIAKOFF, 1957 **Fighting with Popski's Private Army** Park Yunnice, 2011-12-01 This WWII memoir gives the inside story of Britain's legendary demolition squadron and their daring escapades in Italy and Northern Africa During the Second World War a Russian born emigre named Vladimir Peniakoff emerged as a decorated officer of the British Special Forces in Cairo Code named Popski he started the No 1 Demolition Squadron known as Popski's Private Army charged with thwarting Field Marshal Rommel's fuel supply in Northern Africa This is the story of Popski's famous fighting unit as told by his second in command Captain Bob Park Yunnice As Britain's Eighth Army advanced toward Tripoli PPA set out in jeeps across the desert to mount raids behind the Mareth Line in Southern Tunisia In his lively and intimate account Yunnice describes the ensuing action at Gafsa and Kasserine and vividly depicts the sorties which took the men straight across the German Line of Command As Tunis fell to the Allies on May 7th 1943 PPA began raid operations for the Italian Campaign Dropped into Central Italy by RAF gliders they set about blowing up strategic targets while waiting for the Allied landings

Yunnie takes command of his own patrol and through a series of daring missions colorful characters flit in and out of the front line action *Private Army Popski's Private Army* Vladimir Peniakoff, 1965 *With Popski's Private Army* Ben Owen, 1993 *The Eyes of the Desert Rats* David Syrett, 2014-08-19 Made up of members of the Coldstream and Scots Guards British Yeomanry cavalry regiments New Zealanders South Africans and Indian Army men the Long Range Desert Group was perhaps the most effective of all the special forces established by the Allies during the Second World War It was able to go thousands of miles into enemy territory well armed and carrying its own supplies of petrol food and even water to last for weeks at a time something quite new in military history Using experience acquired in WWI and inter war exploration travels the LRDG thus developed the ability to appear almost anywhere in the desert to carry out almost every type of ground reconnaissance mission possible in desert warfare exploring and mapping the terrain transporting agents behind enemy lines or determining the strength and location of enemy forces with an extraordinary degree of accuracy and detail and thus able to verify or hide Ultra intelligence Equally important were their skills in the art of desert navigation demonstrated in the outflanking of the enemy during the Allied advance from El Alamein westward to Tunisia as led by the LRDG Once it had teamed up with the Special Air Service SAS made up of British Free French Commonwealth and Jewish Palestinian soldiers the LRDG perfected the art of irregular mechanized warfare conducted in the rear of the enemy's forces in the desert attacking enemy installations of all kinds mining roads raiding airfields destroying enemy aircraft on the ground and inflicting losses upon the enemy in inverse proportion to their own remarkably low rate of casualties Through meticulous research in original archival material this book thus tells the extraordinary story of how a relatively small number of dedicated men developed the methods and techniques for crossing by motor vehicle the depths of the then unmapped and seemingly impassable great deserts of Egypt and Libya the Western Desert during the British Army's North African Campaign of 1940-43 The Long Range Desert Group and the Special Air Service as a matter of course did extraordinary things the heroic was the commonplace Their tactics techniques and remarkable success in desert warfare continue to make them of great interest to the student of military affairs Likewise as it seeks to answer how the deep desert can best be used for military purposes this study is pertinent to today's military operations perhaps more so than at any time since World War II this study provides fresh insights into the nature of desert warfare past present and future and reveals the peculiarities of this warfare often lost to modern armies a virtual primer useful to commanders and soldiers alike At long last this book can find its rightful place in the classroom of military courses and colleges and in the hands of those interested in the intricacies complexities and problems of military operations in desert regions From the Foreword to the book by Colonel Retired David M Glantz *The Perfect Soldier* James F. Dunnigan, 2004 In this authoritative in depth account military author and historian James F Dunnigan uncovers the fascinating evolution of the world's deadliest warriors from skilled prehistoric hunters through Stoss Truppen British SAS Russia's Spetnaz the Long Range Reconnaissance Patrols of the Vietnam War

antiterrorism commandos SWAT teams and the commando wars of Afghanistan and Iraq With brilliant analysis and gripping descriptions Dunnigan explores the minds methods and decisive battles of elite forces This inside look shows the way warfare has changed forever

The World War II Bookshelf James Dunnigan,2005-08 Unlike any conflict before or since World War II was a truly worldwide war with dozens of nations participating in significant battles in virtually every corner of the globe In this definitive guide military analyst James F Dunnigan chooses fifty titles out of the many thousands of books published on the subject as being the most worthy of a place in an enthusiast s library The books Dunnigan chooses offer powerful and moving journeys into the heart of battle and are accompanied by candid and controversial essays sure to spur discussion and investigation

Popskis Private Army Vladimir Peniakoff,1988 **Bolt Action: Campaign: Italy: Soft Underbelly** Warlord Games,2021-10-28 With the Axis Powers ejected from North Africa the Western Allies look to take the fight across the Mediterranean and into Mussolini s Italy This supplement for Bolt Action focuses on Operation Husky the airborne and naval invasion of Sicily the hard fought battles in the villages and rugged mountain passes of that island and the advance up the Italian Peninsula towards Rome With a host of scenarios new units special rules and Theatre Selectors this book contains everything players need to refight these important battles in defence of the Regno d Italia or to strike at the underbelly of Axis controlled Europe

British Army Cap Badges of the Second World War Peter Doyle,Chris Foster,2012-07-20 In their companion volume to British Army Cap Badges of the First World War authors Peter Doyle and Chris Foster present an overview of the main cap badges worn by the British Army during the Second World War which continued the rich and varied tradition of British regimental insignia This book describes and illustrates for the first time in high quality full colour the main types of cap badge worn With many amalgamations war raised units and special forces British military insignia from the period have a surprising range that differs substantially from that worn by the soldiers of the previous generation As in the first book this volume contains contemporary illustrations of the soldiers themselves wearing the badges Employing the skills of an established writer and collector and artist it provides a unique reference guide for anyone interested in the British Army of the period

Behind Enemy Lines James Dean Sanderson,2016-07-26 Terror Torture Death It was kill first or be killed for these men who fought their own private hit and run war True accounts of World War II heroic secret raiders whose daring missions behind enemy lines changed the course of the war Ten accounts of high courage and dedication stories of the suicidal missions of the World War II Courage knows no nationality and it might be added bounds which a collection of now it can be told tales attempts to prove Mr Sanderson s stories focus on surpassing daring audacity and cunning to match any act of heroism on the field of battle Usually these intrepid escapades were the work of one ingenious planner sometimes however whole crews engaged in death defying sorties The writing catches the spirit of these men with realism and drama whether the story deals with an incredible plot to kill Rommel which didn t come off the disposal of an embryonic Nazi A bomb in Norway in 1943 a cockleshell raid along a Nazi held river or the grim humor

of Britain's only private independent army Popski's Army fighting alongside the Tommies in Tunisia Good cloak and dagger stuff that points up the fact that even the Armed Services had great need of wildly imaginative non conformists For the boys or men who are commandos in spirit Kirkus Reviews SAS and Special Forces in World War II Michael E Haskew,2013-12-12 Illustrated with action photographs The Encyclopedia of Elite Forces in World War II is a comprehensive guide to the elite forces of both sides during the 1939-45 war Each entry describes the unit's strength date of formation and gives a brief overview of its combat record during the war Behind the Lines Michael F. Dilley,2013-09-30 The array of new technologies that came on the scene in the early 20th century resulted in widely varied new forms of military special operations once civilization embarked on its greatest war Suddenly fighting men could be delivered by parachute submarine glider jeeps and fast amphibious craft deep into enemy territory to perform special tasks yet others would continue to perform missions the same as their ancestors in previous wars on foot using stealth endurance and patience This work contains discussions of the employment of various special purpose special mission organizations during World War II These units operated in Allied and Axis countries and in various theaters of war including Europe North Africa the Pacific Asia and the continental United States Representing every major combatant the operations include various kinds of raids intelligence gathering missions support to partisan guerrilla groups prisoner rescues direct action missions and at least two where the object was simply to steal something Some missions would have been officially denied if the operations had been caught in the act The book is divided into two sections Behind Enemy Lines and Behind Friendly Lines to demonstrate that special purpose organizations can be employed wherever needed even in areas controlled by military units of their own or allied countries Many of the units described run the gamut of special mission types from commando to parachute units reconnaissance to sabotage units and partisan training units as well as those with combined missions Many of the operations described in this book continue to serve as templates for modern Special Operations missions while still others the first attempts of their kind continue to serve as examples of what not to try under the circumstances Michael F Dilley served for 20 years in the U S Army's Military Intelligence branch After retiring from the Army the author served for about ten years as an employee of the Department of Defense then as a contractor for various U S Government agencies in several fields for 15 years Author of several books and many articles a number of these chapters are based on his previous writings for the legendary Behind the Lines magazine *Grampy's War* Colin Simmons,2019-06-22 As with most people of his generation Fred Britt didn't really mention the war unless he was with fellow veterans But when Colin Simmons found 20 hours of tapes that Fred had recorded of his experiences after he died I thought it would be nice if people could hear and read about his experiences the story of the common man On the tapes my Grandad asks if one of his grandchildren could do something with them I had no idea what he did during the war By doing this I am ensuring that his name and what he went through has not been forgotten Fred served with them through his training in the UK over to Africa at the end of El Alamein the Invasion of

Pantelleria Sicily Italy including the battles of the River Sangro and Anzio When Victory over Europe was declared he was then dispatched to Africa to begin training for the invasion of Japan When that was averted he was then sent to the Middle East and was involved in the Palestine War He returned to his family in Portsmouth in 1946 *Special Forces Vehicles* Pat Ware, 2012-10-24 A highly illustrated guide to the unconventional vehicles that help special forces succeed in asymmetrical warfare from the author of *The Centurion Tank* What is the ideal vehicle for special forces operations for dangerous missions performed by small units of highly trained troops often working in enemy territory behind enemy lines And which vehicles have the world's armies selected adapted and developed since modern special forces established themselves as a key arm of the military during the Second World War Pat Ware in this authoritative and highly illustrated book uses all his expert knowledge of the history of military vehicles to show the fascinating variety of machinery that has been used from converted Jeeps and Land Rovers to a bizarre collection of even more remarkable sometimes purpose built strike vehicles the Scorpion Cobra and Supacat Jackal the LRDG Chevrolet the Mechem the Pinzgauer and the Warrior among them As well as describing the anatomy of the typical special forces vehicle with particular reference to the iconic SAS Jeeps and the Land Rover Pink Panther he illustrates all of the known special forces vehicles giving technical data including information on power units and transmission type of weapons auxiliary equipment armored protection speed and mobility and weight He also explains the nature of special forces and describes their historic origins with emphasis on units such as the LRDG the SAS and Popski's Private Army during the Second World War and he looks at modern special forces and their role
