Population Policy Contemporary Issues

Fu-Lai Tony Yu, Diana S. Kwan

Population Policy Contemporary Issues:

Population Policy Godfrey Roberts, 1990-04-23 This volume addresses some of the most important questions that have arisen in recent debates about population policy in the Third World What are some of the national policy priorities How are they implemented How successful have they been What is the role of international agencies in the implementation of population policy What are some of the legal and ethical issues involved The contributors focus on the Asian region but also offer a geographically balanced treatment of the subject by including papers that discuss the experiences of countries such as Brazil Mexico Colombia and African nations

Islam and the Securitisation of Population Policies Katrina Riddell, 2016-05-06 There has been much scholarly debate on the politically disruptive capabilities of Islam and the threats to global security posed by or to Muslim states and societies but within this dialogue there has been little recognition of the role of population policies in security issues Katrina Riddell's study focuses specifically on Islam and the securitization of population policies and sustainability Opening with a discussion of contemporary population discourses and their historical foundations the book examines how population growth has become an international security issue The author takes the examples of Pakistan and Iran to provide a nuanced understanding of Muslim states interaction with global debates on sustainability She also explores how Muslim and non Muslim states societies and agents perceive issues of population growth and control Providing an innovative approach to the pursuit of global sustainability and security this book presents useful material to scholars whose research focuses on Islam and the future

International population policy issues and choices for the United States., 1987

Contemporary Social Issues in East Asian Societies: Examining the Spectrum of Public and Private Spheres Merviö, Mika Markus, 2014-01-31 While the balance between private and public sectors are based primarily on the experiences of the wealthy societies in Western Europe and North America the global reach and increased political weight of East Asian economies is bound to influence other societies as well Contemporary Social Issues in East Asian Societies Examining the Spectrum of Public and Private Spheres focuses on modern highly developed East Asian societies and their social issues particularly ones that are related to family institution and health By examining the modernized global society and its connectedness this book is a vital resource for researchers students and academicians interested in the distinctive features connected with local social and cultural traditions of East Asian society

Contemporary Issues in Family Studies Angela Abela, Janet Walker, 2013-10-02 This volume tackles key issues in the changing nature of family life from a global perspective and is essential reading for those studying and working with families Covers changes in couple relationships and the challenges these pose parenting practices and their implications for child development key contemporary global issues such as migration poverty and the internet and their impact on the family and the role of the state in supporting family relationships Includes a stellar cast of international contributors such as Paul Amato and John Coleman and contributions from leading experts based in North Africa Japan Australia and New Zealand Discusses

topics such as cohabitation divorce single parent households same sex partnerships fertility and domestic violence Links research and practice and provides policy recommendations at the end of each chapter

Contemporary Problems of Pakistan Korson,2022-03-07 Contemporary Issues in International Political Economy Fu-Lai Tony Yu,Diana S.

Kwan,2019-05-22 This book is the product of a team teaching course entitled Issues in Economic Development offered to the final year students of Department of Economics and Finance at Hong Kong Shue Yan University In this volume the authors comprehensively survey world s most controversial issues in economic and political affairs Topics in this volume cover Christianity Islam confrontation ISIS and anti terrorism North Korea and Taiwan Strait Crises China s rise as a global power Brexit Artificial Intelligence Bitcoin same sex marriage global warming happiness and well being This book can be used as a reader or textbook in courses such as International Political Economy and International Development or as a reference for scholars and policy makers

International Handbook of Population Policies John F. May,Jack A. Goldstone,2022-07-01 This Handbook offers an array of internationally recognized experts essays that provide a current and comprehensive examination of all dimensions of international population policies The book examines the theoretical foundations the historical and empirical evidence for policy formation the policy levers and modelling as well as the new policy challenges The section Theoretical Foundations reviews population issues today population theories the population policies framework as well as the linkages between population development health food systems and the environment The next section Empirical Evidence discusses international approaches to design and implement population policies on a regional level The section Policy Levers and Modelling reviews the tools and the policy levers that are available to design implement monitor and measure the impact of population policies Finally the section New Policy Challenges examines the recurrent and emerging issues in population policies This section also discusses prospects for demographic sustainability as well as future considerations for population policies As such this Handbook provides an important and structured examination of contemporary population policies their evolution and their prospects

Politics of Abortion and Birth Control in Historical Perspective Donald T. Critchlow,2010-11-01 While there is extensive literature on the social history politics and legal aspects of birth control and abortion in the United States the history of family planning as a policy remains to be fully recorded This volume is intended to contribute to this history by examining birth control and abortion within a larger cultural policy and comparative framework The essays contained in this volume represent a variety of perspectives and scholarly interests In many instances the authors differ with each other as well as with the editor on fundamental points of historical interpretation They all however share a commitment to study the politics of population within a scholarly framework that emphasizes the importance of policy history for understanding past and contemporary problems

Managing Development in a Globalized World Habib Zafarullah,Ahmed Shafiqul Huque,2017-09-25 Traditionally development has been rooted in ideologies and assumptions prevalent in the developed world and in practices and strategies adopted by leading industrial

nations However historically eclectic ideas and approaches often clash with existing long established notions of progress and modes of realizing social and economic change *Managing Development in a Globalized World Concepts Processes Institutions* explores this topic by incorporating ideas and interpretations that have previously been neglected or given inadequate attention in the discourse on developing countries It underscores development as a continuous process that must be supported by sound policies and efficient management supplying a wider understanding of the field The authors argue that the application of innovative development techniques and best practices is essential for obtaining optimum results in meeting the needs of society They examine the style of managing development with a new perspective that links the phenomenon with changing demands and the interplay of internal external actors and a host of stakeholders An exploration of key sectors in development provides clear comprehension of problems and solutions A careful synthesis of theoretical conceptual and empirical literature the book assesses real world situations and provides insight into the operational dynamics of development policies programs and institutions It focuses on goals values and dynamics of development management that are undergoing rapid changes and continue to be enhanced to alleviate poverty and improve living standards in an era of globalization and inter regional and inter institutional synergies It highlights best practices essential for the efficient and effective delivery of human development services that are designed and put in place to obtain optimum results in meeting the needs of society

People, Population Change and Policies Charlotte Höhn,Dragana Avramov,Irena E.

Kotowska,2008-03-08 This two volume work explores social cohesion and the demographic challenges of low birth rates and population aging Authors approach the topic from the perspective of citizens and policymakers analyzing attitudes from 14 European countries on demographic trends and expectations towards private networks and public policies Volume 2 focuses on family and family change value of children fertility intentions and views on work family balance

Contemporary

World Population Policies John F. May,2012-03-30 This book examines the history behind the formulation implementation and evaluation of population policies in the more developed the less developed and the least developed countries from 1950 until today as well as their future prospects It links population policies with the theories of the

demographic epidemiological and migratory transitions It begins by summarizing the demographic situation around the world with an emphasis on population policies and their underlying theories Then it reviews the early efforts to reduce mortality and fertility in the developing countries This is followed by a description of the internationalization of the debate on population issues and the transformation of these programs into more formal population policies particularly in the developing countries The book reviews also the situation of the developed countries and their specific challenges sub replacement fertility population aging and immigration and examines the effectiveness of population policies It also explores the way forward and future prospects for population policies over the next decades The book provides numerous concrete examples from all over the world and show how population policies are actually implemented and what have been their successes as well as their constraints Above all the book highlights the importance of understanding underlying demographic trends when assessing the development prospects of any country The book is recommended for not only demographers social scientists and policymakers but also economists and political scientists who are interested in social and demographic change around the world Demography students and researchers who are interested in applying knowledge on population trends and prospects in designing and evaluating public policies will find this an invaluable reference work

Contemporary Issues in Global Medicine and Moving Toward International Healthcare Equity Comninellis, Nick, Waldman, Steven D., 2022-06-24 The COVID 19 pandemic is only the latest prompt about the importance of international health and its broad influence upon social wellbeing The COVID 19 pandemic has highlighted the need for an informed and coordinated effort to achieve international healthcare equity Leaders in international health must be conversant in its issues Contemporary Issues in Global Medicine and Moving Toward International Healthcare Equity provides an understanding of contemporary issues in international medicine It explores the impact of civil unrest on population health and provides practical strategies for providing clinical care in low resource settings Covering topics such as international public health maternal health and drug resistance this book is an essential resource for government officials medical officials physicians nurses social workers sociologists epidemiologists medical students students and educators of higher education researchers and academicians

50 Years Of Social Issues In Singapore David Chan, 2015-04-15 The social context of Singapore is changing rapidly and understanding how people think feel and behave in various situations has become a key driver of effectiveness in addressing social issues 50 Years of Social Issues in Singapore provides a comprehensive review and examination of various social issues at multiple levels of analysis including the individual group and society This invaluable book adopts a translational approach to social issues in Singapore by explicitly bridging intellectual and practical perspectives Contributed by a distinguished team of authors the chapters examine the critical ideas underlying public debates of social issues and their policy and practical implications The book is organized into three parts Part I examines issues of population and social fundamentals in Singapore such as ageing marriage urban planning healthcare and racial and religious harmony Part II

analyses Singapore's social progress through issues of inclusivity such as social mobility developing communities and marginal groups that deserve more attention Part III focuses on core principles and social processes related to social justice doing good social media and approaches to understanding and addressing social issues in Singapore Most importantly the chapters in this book clearly identify many of the critical unresolved and emerging questions on various social issues that will guide the next generation of public discussion and policy deliberations on what matter in Singapore

Intimate Interventions in Global Health Rachel Sullivan Robinson, 2017-05-11 This book considers the response to the HIV epidemic in sub Saharan Africa by examining family planning programs and HIV prevention efforts

Issues in Social Demography A. K. Sharma, 1989 **Undocumented Migration to the United States** Frank D. Bean, Barry Edmonston, Jeffrey S. Passel, 1990 Contains a collection of essays Assesses the impact of the Immigration Reform and Control Act IRCA of 1986 on illegal immigration with emphasis on undocumented migration from Mexico

Population and Development of the Arab Gulf States Nadeya Sayed Ali Mohammed, 2017-03-02 This thought provoking study measures and critically examines the effects that an average population growth rate of 2.8% could have on the development of the Arab Gulf States It questions the ability of Gulf governments to continue providing relatively high standards of education health and employment under conditions of rapid population growth an undiversified economic base and a tribal political framework Within this context population growth is identified as one important variable that hinders long term development The book will appeal to all those interested in the Middle East demography development and sociology

Population Policy and Individual Choice Marc Nerlove, Assaf Razin, Efraim Sadka, 1987-01-01 Review of welfare economics Externalities and public goods Endogenous fertility and potential market failure false issues Endogenous fertility and potential market failure real issues Children as a capital good Socially optimal population size beyond the pareto principle Directions for further research

Population Policy Contemporary Issues Introduction

In today's digital age, the availability of Population Policy Contemporary Issues books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Population Policy Contemporary Issues books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Population Policy Contemporary Issues books and manuals for download is the cost-saving aspect. Traditional books and manuals can be

costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Population Policy Contemporary Issues versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Population Policy Contemporary Issues books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Population Policy Contemporary Issues books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Population Policy Contemporary Issues books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Population Policy Contemporary Issues books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Population Policy Contemporary Issues books and manuals for download and embark on your journey of knowledge?

FAQs About Population Policy Contemporary Issues Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Population Policy Contemporary Issues is one of the best book in our library for free trial.
