Populist Manifestos

Gerald L. Neuman

Populist Manifestos:

The Populist Manifesto Emmy Eklundh, Andy Knott, 2020-01-29 This volume brings together a range of scholars dissatisfied with the mainstream of the populism debate It intends to bring forward a perspective which envisions populism not simply as a negative aspect of politics but as a way of doing politics Contemporary politics has been characterised by the overarching presence of populism while simultaneously engendering a sense of fear and extremism around the results of populist movements This collection intends to unpack the true potential for movements from and by the people linking these historically and offering a new lens for thinking about contemporary populism What can we learn from recent events How can these lessons inform how we think about politics for the future Offering this approach from the perspective of populist potential will help us answer these questions and open the debate with contributors from countries or regions that have a tradition of populism privileging them with a deeper understanding [The Rise of Populist Sovereignism](#) Stephan De Spiegeleire, Clarissa Skinner, Tim Sweijts, 2017-09-14

Populist Political Communication in Europe Toril Aalberg, Frank Esser, Carsten Reinemann, Jesper Stromback, Claes De Vreese, 2016-07-01 In an increasing number of countries around the world populist leaders political parties and movements have gained prominence and influence either by electoral successes on their own or by influencing other political parties and the national political discourse While it is widely acknowledged that the media and the role of communication more broadly are key to understanding the rise and success of populist leaders parties and movements there is however very little research on populist political communication at least in the English speaking research literature Originating from a research project funded by the European Cooperation in the field of Scientific and Technical Research COST this book seeks to advance this research It includes examinations 24 European countries and focuses on three areas within the context of populism and populist political communication populist actors as communicators the media and populism and citizens and populism

Populism and Collective Memory Luca Manucci, 2019-11-21 Right wing populism is a global phenomenon that challenges several pillars of liberal democracy and it is often described as a dangerous political ideology because it resonates with the fascist idea of power in terms of anti pluralism and lack of minorities protection In Western Europe many political actors are exploiting the fears and insecurities linked to globalization economic crisis and mass migrations to attract voters However while right wing populist discourses are mainstream in certain countries they are almost completely taboo in others Why is right wing populism so successful in Italy Austria and France while in Germany it is marginal and socially unacceptable It is because each country developed a certain collective memory of the fascist past which stigmatizes that past to different levels For this reason right wing populism can find favorable conditions to thrive in certain countries while in others it is considered as an illegitimate and dangerous idea of power Through a comparative study of eight European countries this book shows that short term factors linked to levels of corruption economic situation and quality of democracy interact with long term cultural elements and

collective memories in determining the social acceptability of right wing populist discourses

The Growth of Populism in the Political Mainstream Jakob Schwörer, 2021-05-09 This book examines the populist communication of mainstream parties in Germany Austria Italy and Spain For a long time populist and radical right parties have been the main subject of investigation in academic research Yet how mainstream parties react to the rise of such actors is less known Scholars assume a populist Zeitgeist a populist contagion claiming that the political mainstream actively engages in populist and nativist discourses The author tests this widespread assumption analyzing whether center left and center right mainstream parties adopt populist messages as well as content related to the leftist and right wing host ideologies of populist actors Therefore this book is a must read for scholars students and researchers of political science and electoral studies as well as policy makers and practitioners interested in a better understanding of populism and populist communication

Mapping Populism Amit Ron, Majia Nadesan, 2020-03-05 This collection which can serve as an introduction to the field of populism provides an array of interdisciplinary approaches to populist mobilizations theories meanings and effects In so doing it rejects essentialized ideas regarding what populism is or is not Rather it explores the political social and economic conditions that are conducive for the emergence of movements labelled populist the rationalities and affective tenor of those movements the political issues pertaining to the relationship between populists and elites and the relationship between populist groups and political pluralism Grappling with accord and discord in assumptions and methodologies the book will appeal to scholars of sociology political science communication and cultural studies interested in populism social movements citizenship and democracy

The Ideational Approach to Populism Kirk A. Hawkins, Ryan E. Carlin, Levente Littvay, Cristóbal Rovira Kaltwasser, 2018-09-03 Populism is on the rise in Europe and the Americas Scholars increasingly understand populist forces in terms of their ideas or discourse one that envisions a cosmic struggle between the will of the common people and a conspiring elite In this volume we advance populism scholarship by proposing a causal theory and methodological guidelines a research program based on this ideational approach This program argues that populism exists as a set of widespread attitudes among ordinary citizens and that these attitudes lie dormant until activated by weak democratic governance and policy failure It offers methodological guidelines for scholars seeking to measure populist ideas and test their effects And to ground the program empirically it tests this theory at multiple levels of analysis using original data on populist discourse across European and US party systems case studies of populist forces in Europe Latin America and the US survey data from Europe and Latin America and experiments in Chile the US and the UK The result is a truly systematic comparative approach that helps answer questions about the causes and effects of populism

How Globalisation and Mediatism Challenge Democracy Yvonne Rostock, 2019-07-12 Democracy was the most successful political idea of the 20th century as the high number of democratic governments around the world bears out Today though it seems that it is experiencing a reversal of fortunes Populist parties are on the rise in democratic states At the same time some countries are sliding towards

autocracy Elsewhere politicians reframe election victories as a claim to absolute power There is no denying that democracy is under pressure Globalisation populism and mediatisation the growing influence of the media on politics are testing its limits Launched by the Swiss National Science Foundation and the University of Zurich in 2005 the National Centre of Competence in Research on Democracy NCCR Democracy examined how and why this is happening and the consequences it has for democracy The final report details the key findings of the 12 year research programme The Sage Handbook of Political Marketing Paul Baines,Phil Harris,Denisa Hejlova,Costas Panagopoulos,2025-08-07 The Sage Handbook of Political Marketing is a comprehensive resource that introduces the theory and practice of political marketing in a global yet simultaneously localized world The practice of political marketing has evolved significantly during the 20th and 21st centuries adapting to the rise of mass media marketing communication advertising and the web Traditionally dominated by US European and Australasian scholars the field has up to now emphasized the Americanisation and professionalisation of campaigning styles Since the start of the new millennium however political marketing has transformed into a data driven specialized profession With increasing digitalisation and the advent of AI political marketing involves personally targeted evidence based messaging with real time engagement and sentiment analysis This approach is not limited to democratic regimes but is also widely adopted by authoritarian states worldwide The handbook addresses the global perspectives on political marketing covering a myriad of contexts cultures and regimes It encompasses insights into political marketing in regions seldom discussed in the literature including Zimbabwe Japan India Hong Kong and Ukraine These chapters enrich the debate on political marketing s impact on democracies and its use in non democratic societies Organized into four parts the handbook covers strategy propaganda digital evolution ideology and contemporary practices in political marketing It explores topics such as the marketing of ideology the impact of the internet and social media the use of AI in political marketing and the role of fake news and disinformation in campaigns The handbook addresses the use of political marketing techniques in crisis management political branding the measurement of political marketing effects and political marketing use outside of electoral campaigns The Sage Handbook of Political Marketing is an essential resource for scholars practitioners students and politicians in general seeking to understand the complexities of political marketing It provides a comprehensive and nuanced exploration of the field equipping readers to engage with the theoretical and practical aspects of political marketing in a rapidly changing world Part 1 Strategy in Political Marketing Orthodox and Occidental Perspectives Part 2 Political Marketing Propaganda and Digital Evolution Global South and Eastern European Perspectives Part 3 Ideology in Political Marketing Advocacy Movements Lobbying and Public Diplomacy Part 4 Contemporary Political Marketing Cybercampaigning Fake News and Social Media **Anti-Corruption and Populism** Vladimír Naxera,2023-05-05 This book assesses what corruption means for populists and the anti corruption rhetoric of populist actors The author uses the case study of Czech politicians to show how populist politicians exploit the notion of corruption in their communication Using

many examples of different political statements by presidents party leaders MPs etc the populist discourse of corruption is discussed in the context of other discourses presented in Czech politics The author analyses both Czech not only populist political party election manifestos and the political communication on social media from Czech anti establishment and populist political parties ANO Freedom and Direct Democracy and Pirates Based on an extensive conceptual framework the book also focuses on whether mainstream parties respond to the success of populists by adopting populist anti corruption rhetoric themselves and the similarities and differences between the approaches they adopt Understanding the processes of more than 30 years of Czech post communist politics and offering a theoretical and methodological framework applicable to research conducted in other contexts this book will appeal to scholars of political science sociology and economics

Political Communication and Performative Leadership Corina Lacatus,Gustav Meibauer,Georg Löffmann,2023-11-07 This edited collection explores the intersections of populist communication performative leadership and international politics It investigates the mechanisms and dynamics connecting these core conceptual fields and offers empirical examples Together the contributors to the volume argue that populist communication i e the language deliberation and discursive performance of populist ideas has a profound and lasting impact not only on domestic politics but in terms of foreign policies as well as the conduct of international politics writ large First populist communication shapes how global regional and transborder issues are debated and strategically used for political purposes domestically Second populist communication changes when and how states and other actors in turn formulate responses and policies vis a vis for example migration global health climate change trade or war Finally populist communication affects the nature of international politics It influences how actors conduct themselves internationally and how we may conceive of core concepts and practices such as diplomacy security cooperation and order To illustrate these mechanisms the contributors explore cases from around the world demonstrating the relevance of populist communication for international politics in both the Global South and the Global North *Anti-Constitutional*

Populism Martin Krygier,Adam Czarnota,Wojciech Sadurski,2022-03-31 Around the world populist parties have sprung up in formerly and formally liberal democratic polities challenging their existing political parties and leaders and frequently overwhelming them These challenges and successes were rarely predicted arriving so soon after the wave of liberal democratic and constitutional enthusiasms proclamations and institution building which peaked in the 1990s Bringing together scholars from law political science and philosophy this collection explores the character of contemporary populisms and their relationships to constitutional democracy With contributors from around the world it offers a diverse range of nuanced perspectives on populism as a global phenomenon Using comparative and multi disciplinary techniques this book considers the specifics and similarities of populisms and raises general questions about their nature and potential futures

The International Encyclopedia of Political Communication, 3 Volume Set Gianpietro Mazzoleni,Kevin G. Barnhurst,Ken'ichi Ikeda,Rousiley C. M. Maia,Hartmut Wessler,2015-12-14 The International Encyclopedia of Political

Communication is the definitive single source reference work on the subject with state of the art and in depth scholarly reflection on the key issues within political communication from leading international experts It is available both online and in print Explores pertinent salient topics within political science sociology psychology communication and many other disciplines Theory empirical research and academic as well as professional debate are widely covered in this truly international and comparative work Provides clear definitions and explanations which are both cross national and cross disciplinary by nature Offers an unprecedented level of authority accuracy and balance with contributions from leading international experts in their associated fields Part of The Wiley Blackwell ICA International Encyclopedias of Communication series published in conjunction with the International Communication Association Online version available at Wiley Online Library www.wileyciaencyclopedia.com Named Outstanding Academic Title of 2016 by Choice Magazine a publication of the American Library Association

Human Rights in a Time of Populism Gerald L. Neuman, 2020-04-09 The electoral successes of right wing populists since 2016 have unsettled world politics The spread of populism poses dangers for human rights within each country and also threatens the international system for protecting human rights Human Rights in a Time of Populism examines causes consequences and responses to populism in a global context from a human rights perspective It combines legal analysis with insights from political science international relations and political philosophy Authors make practical recommendations on how the human rights challenges caused by populism should be confronted This book with its global scope international human rights framing and inclusion of leading experts will be of great interest to human rights lawyers political scientists international relations scholars actors in the human rights system and general readers concerned by recent developments

Populist Political Communication in Poland Agnieszka Stepinska, Artur Lipinski, Dorota Piontek, Agnieszka Hess, 2020-09-30 This book is the final product of the research project Populist political communication political messages media coverage and audience feedback It focuses on three categories of participants in populist political communication that is political actors media and citizens In particular this study offers an insight into reasons behind the choice by Polish politicians and journalists to use populist messages as well as factors fostering populist sentiments among Polish citizens Its multi dimensional approach utilizes communication media and political science theories to make sense of production dissemination reception and impact of populist political messages This publication combines several aspects of research on populism On the one hand it is a continuation of theoretical and interpretative discussions present in both Polish and foreign literature The correlation between Polish and foreign research is important as it allows for comparison of the results obtained in different research contexts as well as for further theoretical discussions on the methods of researching and describing the discussed phenomena On the other hand it attempts to capture a specificity of the Polish populist political communication in recent years 2015 2017

Populist Manifestos Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Populist Manifestos PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing

financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Populist Manifestos PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Populist Manifestos free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Populist Manifestos Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Populist Manifestos is one of the best book in our library for free trial. We provide copy of Populist Manifestos in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Populist Manifestos. Where to download Populist Manifestos online for free? Are you looking for Populist Manifestos PDF? This is definitely going to save you time and cash in something you should think about.
