Por Amor A Nuestra Tierra P. K. Hallinan, 2000 Demonstrates that with effort and work children can help to make the world environmentally safe and a better place to live *Canciones populares y literatura de África Oriental* Aaron Louis Rosenberg, 2013 Este estudio es un replanteamiento de la relación entre canciones y literatura en África oriental Se examinan en términos comparativos las obras literarias y musicales de esta parte del continente con el fin de determinar y describir los caminos a partir de los cuales tales formas de la expresión creativa reflejan y transforman caminos prevalecientes y medios de formación de identidad de las personas cuyas vidas se extienden a través de varias fronteras y que desarrollan sentidos superculturales de sí mismos El autor se basa en una extensa investigación de campo así como en una multitud de entrevistas La lectura atenta de las canciones y la literatura hace de este libro un estudio convincente para estudiantes de música y literatura africanas y el análisis de las identidades africanas puede ser realmente para los estudiosos del nacionalismo tanto en África como en el mundo **ALPINISTAS DE CORAZÓN**, Alpinistas del corazón está dirigido no sólo a los jóvenes sino a quienes tienen un corazón joven para que vivan intensamente las virtudes teológicas la fe en Cristo la esperanza en el Espíritu y la caridad en el Padre Es una invitación a decir NO a tantos caminos que atentan contra la dignidad humana y por tanto contra la vida misma y a decir SÍ a la fuerza del espíritu que anima y vence con radicalidad *Palabra de Dios* 2010 ,

Quechua de Huarás, en Español e Inglés: Glosario Menandra Mosquera, 2012-11-30 This glossary has been prepared in order to leave a record of the Quechua spoken by the people of Huarás and surrounding areas in the mid 20th century Huarás capital of the Region Department of Ancash Peru has a distinct form of Quechua That dialect was endangered due to a massive earthquake on May 31 1970 Tens of thousands of people died and the city was destroyed Many of the survivors left the area Once rebuilt Huarás was repopulated with people new to the area who use Spanish or a different dialect to communicate Since then technological influences such as the Internet also reinforce the use of Spanish to the detriment of the local Quechua Born in Huarás I was raised in a bilingual environment Spanish and Quechua Although I left the area to attend the university I could always feel at home upon returning until that earthquake Since then it seems strange to return to an unfamiliar city due to people language and environment I hope this glossary will help the newer generations better understand not only their grandparents and ancestors but the culture from which they come Language and culture are intimately tied and much more than words is lost when a language dies The Inca Empire Tahuantinsuyo was invaded by Spain in 1532 At that time Quechua was spoken never written throughout the Inca civilization with many dialects Since then the Spanish language has been imposed but in Huarás never did it replace Quechua to the extent that it did in 1970 This glossary contains words several verb forms and phrases It is written with the expectation that it may help to preserve the inherited Quechua so that Huarás may remain bilingual It is written for huarasinos the people of Huarás If others find it useful
