and textual property literary appropriations and adaptations and finally the transformation of the writer himself from the Russian migr writer Sirin to the American novelist Nabokov

**Authorship in Nabokov's Prefaces** Jacqueline Hamrit, 2015-01-12 Whereas literary criticism has mainly oscillated between the death of the author Barthes and the return of the author Couturier this work suggests another perspective on authorship through an analysis of Nabokov's prefaces It is here argued that the author being neither dead nor tyrannical alternates between authoritative apparitions and receding disappearances in the double gesture of mastery without mastery which Derrida calls exappropriation that is a simultaneous attempt to appropriate one's work control it have it under one's power and expropriate it losing control by loosening one's grip The intention of this is to approach through one's experience of reading and interpreting the experience of self effacement and impersonality pertaining to writing of Blanchot Prefaces are considered to be suitable places for the deconstruction of the classical image of Nabokov's arrogance through the unearthing of his reserve and vulnerability This work provides an account of the mere intuition which therefore does not pretend to be a conclusive and definitive interpretation of another image of Nabokov whose undeniable talent for deception seems in accordance with a need for discretion and secrecy

*Freudians and Schadenfreudians* Jeffrey Berman, 2024-08-22 Sigmund Freud can be a polarizing figure beloved by many and despised by some Focusing on eight key writers and scholars who either passionately loved or gleefully loathed Freud this book represents Freud's wide legacy the reach of his ideas their controversies and their ability still to provoke inspire confound outrage and compel The book begins by focusing on four highly prolific authors whose admiration for Freud is boundless Lionel Trilling Harold Bloom Kurt R Eissler and Peter Gay Berman then explores four more writers whose aim was not simply to debunk Freud and destroy his monstrous creation but to cast both into hell D H Lawrence Vladimir Nabokov Thomas Szasz and Frederick Crews Each chapter discusses the author's involvement with Freud exploring the continuities and discontinuities of his or her writings as well as offering snapshots of the writers suggesting how their personal and professional lives were inextricably related Berman draws out some surprising commonalities between the Freudolaters and Schadenfreudians going on to discuss the current state of psychoanalysis and the psychoanalytic credos by which contemporary analysts live

Desperate Storytelling Roger B. Salomon, 2008-07-01 Desperate Storytelling demonstrates how writers from Byron to Saul Bellow have embraced Cervantes's vision of the artist as creative exile born to tell tales of valor and nobility yet doomed to recognize the world's banal reality Forced to portray adventure in a reductive voice these writers have immersed heroism in madness and narrative in mockery Their fictions reflect an awareness of life's absurdities yet a refusal to forsake the ideal Reassessing the post Romantic literary consciousness Roger B Salomon explores the many permutations of the mock heroic mode the

complex aesthetic instrument brought into being by Cervantes one by which a writer takes on a dual role as both nostalgic creator and ironic critic The mock hero is almost by definition an outdated one aligning his deepest emotional attachments to dead mythologies and forgotten codes of ethics he is an alienated figure in a landscape hostile to the possibility of any kind of attainment Just as Don Quixote's noble madness in an ignoble age invites both sympathy and derision so later incarnations of the mock hero immerse the reader in a dialogue between the real and a faded ideal between the sensible and the admirable Describing a literary mode that joins heroic endeavor with its deflating results Desperate Storytelling traces the adventures of literature's misplaced heroes from Nabokov's Berlin to Saul Bellow's Chicago from James Joyce's Dublin to Mark Twain's Mississippi Chicorel Index to Short Stories in Anthologies and Collections, 1975 **A Dictionary of the Avant-Gardes**, 2013-05-13 A Dictionary of the Avant Gardes recognizes that change is a driving force in all the arts It covers major trends in music dance theater film visual art sculpture and performance art as well as architecture science and culture

Nabokov's Eros and the Poetics of Desire M. Couturier, 2014-06-03 Nabokov gained international fame with *Lolita* a highly erotic and morally disturbing novel Through its comprehensive study of the amorous and sexual behaviors of Nabokov's characters this book shows how Eros both as a clown or a pervert contributes to the poetic excellence of his novels and accounts for the unfolding of the plots Portable Modernisms Emily Ridge, 2017-06-23 Luggage is an overlooked detail in the stock sketch of the expatriated modernist writer from the valise fashioned desks of both James Joyce and Vladimir Nabokov to the lost manuscript laden cases of Ernest Hemingway and Walter Benjamin While the trope of modernist exile has long been spotlighted little attention has been given to the material meaning of this condition What things and objects do modernism's exiles and emigres carry with them and how does the act of carriage enter into the modernist picture more broadly What are the implications and historical resonances of a portable outlook particularly from the angles of gender wartime conflict and character conception Above all how far does such an outlook impact upon artistic vision Portability represents the simultaneous transportation and repudiation of domesticity and the home those key frames of reference in the nineteenth century novel This book examines the multifarious ways in which the emergence of a modern culture of portability prompts a radical if often problematic departure from Victorian architectural conceptions of fiction towards more movable understandings of form and character **The Translator's Turn** Douglas Robinson, 1991 Robinson's book is original and stimulating and I suspect it will remain a provocative landmark in its field for some time to come Steven Rendall *Philosophy and Literature* **Between Religion and Rationality** Joseph Frank, 2010-07-01 Essays from the award winning Dostoevsky biographer In this book acclaimed Dostoevsky biographer Joseph Frank explores some of the most important aspects of nineteenth and twentieth century Russian culture literature and history Delving into the distinctions of the Russian novel as well as the conflicts between the religious peasant world and the educated Russian elite *Between Religion and Rationality* displays the cogent reflections of one of the most distinguished and versatile critics in the field Frank's essays provide a

discriminating look at four of Dostoevsky's most famous novels discuss the debate between J M Coetzee and Mario Vargas Llosa on the issue of Dostoevsky and evil and confront Dostoevsky's anti-Semitism. The collection also examines such topics as Orlando Figes's sweeping survey of the history of Russian culture, the life of Pushkin and Oblomov's influence on Samuel Beckett. Investigating the omnipresent religious theme that runs throughout Russian culture even in the antireligious Chekhov, Frank argues that no other major European literature was as much preoccupied as the Russian with the tensions between religion and rationality. *Between Religion and Rationality* highlights this unique quality of Russian literature and culture, offering insights for general readers and experts alike.
