**Embracing Writing** Gary R. Hafer, 2014-09-29 Embracing WRITING Embracing Writing responds to the writing across the curriculum movement in a way that enables educators to integrate writing into their courses not just painlessly but productively instead of simply increasing their workloads with writing assignments that students dislike Embracing Writing elucidates the principles of academic writing and shows instructors how to integrate writing with course content blending them to enhance and deepen the higher education learning process Scholarly writing is a central part of the academic experience and when used effectively can be an outstanding pedagogical tool The creative approach in Embracing Writing will have you looking at writing in a whole new way Not only will your students appreciate the honest nurturing and fun writing assignments but your own writing will improve as well This is not a rulebook for writers but a guided approach to viewing writing and content as one indivisible whole Embracing Writing will help you Engage students in writing assignments that actually help them develop their writing ability Understand what makes good collegiate writing and how it can aid in content discovery Discover new pathways for your own writing so writing for publication and the classroom is enjoyable again Develop a writing pedagogy that doesn't detract from core course content delivery There often is a disconnect between administrative demands for in course writing and the inadequate training resources available to faculty members Because most of us aren't trained as writers we need a meaningful way to

connect writing to our areas of expertise Embracing Writing provides that connection **Working One-to-One with Students** Gina Wisker, Kate Exley, Maria Antoniou, Pauline Ridley, 2013-04-11 Working One to One with Students is written for Higher Education academics adjuncts teaching assistants and research students who are looking for guidance inside and outside the classroom This book is a jargon free practical guide to improving one to one teaching covering a wide range of teaching contexts including mentoring students and staff supervising dissertations and how to approach informal meetings outside of lectures Written in an engaging accessible style and grounded in experience this book offers a combination of practical advice backed by relevant learning theory Featuring a wealth of case studies and useful resources the book covers areas including Supporting students Encouraging independent learning Mentoring coaching and personal tutoring Developing peer groups and buddying programs Dealing with diversity difficult students and ethical dilemmas supervising the undergraduate dissertation Supervising postgraduates in the arts social sciences and sciences This book is a short snappy practical guide that covers this key element of a lecturer s work In the spirit of the series KEY GUIDES FOR EFFECTIVE TEACHING in HIGHER EDUCATION this book covers relevant theory that effectively informs practice
