Jail Blazers Kerry Eggers,2021-09-07 Kerry Eggers who covered the Trail Blazers goes back twenty years for the stories from the players coaches management and those in Portland during an era when the the local NBA stars were in the headlines for both their play and their off court behavior In the late 90s and early 2000s the Portland Trail Blazers were one of the hottest teams in the NBA For almost a decade they won 60 percent of their games while making it to the Western Conference Finals twice However what happened off court was just as unforgettable as what they did on the court When someone asked Blazers general manager Bob Whitsitt about his team s chemistry he replied that he d never studied chemistry in college And with that the Jail Blazers were born Built in a similar fashion to a fantasy team the team had skills but their issues ended up being their undoing In fact many consider it the darkest period in franchise history While fans across the country were watching the skills of Damon Stoudamire Rasheed Wallace and Zach Randolph those in Portland couldn t have been more disappointed in the players off court actions This many have mentioned included a very racial element which carried over to the players as well As forward Rasheed Wallace said We re not really going to worry about what the hell the fans think about us They really don t matter to us They can boo us every day but they re still going to ask for our autographs if they see us on the street That s why they re fans and we re NBA players While people think of the Detroit Pistons of the eighties as the elite Bad Boys the Jail Blazers were actually bad
