Zermatt Frank Schaeffer, 2013-02-04 Calvin Becker's strict fundamentalist upbringing means he's never seen a film watched television or danced He even has to hide his five second hand copies of Mad magazine in the attic Now he and his family his embarrassingly devout missionary parents and his sisters the tyrannical 18 year old Janet and the angelic Rachael are on their modest annual skiing holiday in Switzerland For the Beckers the Hotel Riffelberg had always provided a safe haven from the jazz loving sinners who congregate further down the mountain in Zermatt but this is 1966 the year of peace love and the Beatles and the world is changing As is the irrepressible Calvin In his innocent 14 year old body the hormones are raging awakening a volcanic sexual curiosity and he willingly succumbs to the ample charms of Eva the young waitress who introduces him to ecstasies beyond his wildest dreams But then Calvin's mother catches him supposedly in the act and things start to go awry triggering a climactic end to his childhood and the family holiday

Butterflies in the Belfry -- Serpents in the Cellar: An Unintended Pursuit for a Natural Christianity J. Michael Jones, 2017-01-06 In 1988 while working for a demanding Christian organization Michael Jones moves his family to the Middle East to serve as missionaries to Muslims Though Michael finds the Muslim people to be extremely hospitable he discovers serious flaws within his own evangelical worldview After a catastrophic collapse of faith standing in middle of the post evangelical wilderness Michael contemplates possible paths out including returning to agnosticism or even suicide He takes the reader on an intimate yet intellectually enthralling journey through his personal history and the history of Western civilization In the end not only does he find the answers to his personal dilemma but inadvertently he discovers a refreshing form of Christianity that has been forgotten This book shares insights the author gained during front line service amid the

conflicts that arise when worldviews clash and presents his field tested portrait of a raw focused and muscular Christianity

Fall in Love, Have Children, Stay Put, Save the Planet, Be Happy Frank Schaeffer, 2021-11-02 A post coronavirus evolution based how to for putting living ahead of work Bestselling author Frank Schaeffer offers a passionate political social and lifestyle blueprint for changes millions of us know are needed to rebalance our work lives with thriving relationships Fall in Love Have Children Stay Put Save the Planet Be Happy Even before everything was disrupted by COVID 19 not to mention by Trump millions of Americans were already questioning capitalism s values We were already challenging the idea that your job defines you We already knew something was wrong Loneliness frustration and alienation were already on the rise Even the most successful of us felt too busy too preoccupied and too distracted to enjoy what we intuitively know are life s greatest rewards vibrant relationships family life connection to others involvement in our community and the thrilling experience of love Fall in Love builds a well researched and entertaining bridge to living happier lives and to a better future It shows us that based on a better understanding of our evolutionary selves we can thrive in family life and in our work life too But to do both joyfully and at the same time depends on rediscovering the priority of relationships connections community and love

Patience with God: Faith for People Who Don't Like Religion (or Atheism) Frank Schaeffer, 2010-04 Frank Schaeffer has a problem with Dawkins Hitchens Harris Dennett and the rest of the New Atheists the self anointed Brights He also has a problem with the Rick Warrens and Tim LaHayes of the world The problem is that he doesn t see much of a difference between the two camps As Schaeffer puts it they often share the same fallacy truth claims that reek of false certainties I believe that there is an alternative that actually matches the way life is lived rather than how we usually talk about belief Sparing no one and nothing including himself and his fiery evangelical past and invoking subtleties too easily ignored by the pontificators Schaeffer adds much needed nuance to the conversation My writing has smoked out so many individuals who seem to be thinking about the same questions I hope that this book will provide a meeting place for us the scattered refugees of what I ll call The Church of Hopeful Uncertainty

Francis Schaeffer and the Shaping of Evangelical America Barry Hankins, 2008-11-03 Francis Schaeffer 1912 1984 was probably the single greatest intellectual influence on young evangelicals of the 1960s and 70s He was cultural critic popular mentor political activist Christian apologist founder of L Abri and the author of over twenty books and two important films It is impossible to understand the intellectual world of contemporary evangelicalism apart from Francis Schaeffer Barry Hankins has written a critical but appreciative biography that explains how Schaeffer was shaped by the contexts of his life from young fundamentalist pastor in America to greatly admired mentor to lecturer and activist who encouraged world wary evangelicals to engage the culture around them Drawing extensively from primary sources including personal interviews Hankins paints a picture of a complex sometimes flawed but ultimately prophetic figure in American evangelicalism and beyond

AWOL Kathy Roth-Douquet, Frank Schaeffer, 2024-01-17 This impassioned convincing manifesto from two policy experts with military family calls for class

integration of the military Publishers Weekly Military service was once a natural part of good citizenship with Americans of all classes serving during wartime Not anymore As Kathy Roth Douquet and Frank Schaeffer assert in this groundbreaking work there is a growing disconnect between the cultural elite who guide military policy and the rank and file servicemembers charged with carrying it out While the privileged lack the benefits and perspective gained through military service those who do serve feel under supported and morally distanced from the rest of the country And when only a handful of congressmembers have military experience it can become too easy or too hard to send soldiers into combat Based on extensive research and firsthand accounts of service AWOL is both informative and personal As the father of a former Marine Frank Schaeffer knows the anguish and pride of seeing a child deployed into combat Kathy Roth Douquet wife of a career officer knows struggle of keeping a family together with a husband at war as well as the satisfaction of raising children in an ethic of service Intimately acquainted with the glory and the sacrifice of military service these co authors offer the urgent wake up call that America needs *How Free People Move Mountains* Kathy Roth-Douquet, Frank Schaeffer, 2024-06-11

How Do We Ever Speak with One Voice Again in Our Divided and Angry Country It is amazing how one America is isolated from the other America The red blue state divisions run so deep that it is possible to live without any interaction ideological or otherwise with those who hold different opinions than oneself We are a people alienated from ourselves and from our government The authors an odd mix across the Blue Red divide one a founder of the modern evangelical movement the other a liberal Jewish former Clinton aide hold an extended conversation across many months several states and two countries sometimes contentious sometimes funny exploring the idea of how unlikely pairings and thus the entire country can come together They argue that we re entering a new era in history and now is the time to rise up to it to make ourselves able to tackle the enormous problems in our laps to in effect move mountains *Sex, Mom, and God* Frank Schaeffer, 2011-05-31 A penetrating analysis of political extremism with a moving and at times hilarious account of growing up in one of the Christian right s most influential families Few writers command Frank Schaeffer s intimate understanding of right wing radicalism and even fewer are able to share their insight as entertainingly and with as much moral weight as he has in *Sex Mom and God* Max Blumenthal author of *Republican Gomorrah* Mom was a much nicer person than her God There are many biblical regulations about everything from beard trimming to menstruating Mom worked diligently to recast her personal hygiene obsessed God in the best light Alternating between laugh out loud scenes from his childhood and acidic ruminations on the present state of an America he and his famous fundamentalist parents helped create bestselling author Frank Schaeffer asks what the Glenn Becks and the Rush Limbaughs and the paranoid fantasies of the right wing echo chamber are really all about Here s a hint sex The unforgettable central character in *Sex Mom and God* is the author s far from prudish evangelical mother Edith who sweetly but bizarrely provides startling juxtapositions of the religious and the sensual throughout Schaeffer s childhood She was says Frank Schaeffer the greatest illustration of the Divine beauty of Paradox I ve encountered a
