*A Portrait of Egypt* Mary Anne Weaver, 1999 Explores the likelihood of Egypt's secular society being overthrown in favor of a militant Islamic regime and what effect that would have on the rest of the Arab world

**A Portrait of Egypt** Mary Anne Weaver, 2000-08-07 For centuries Egypt has been a citadel of Islamic learning and thought and since the signing of the Egyptian Israeli Peace Treaty in 1979 it has been of immense strategic importance to American interests in the Middle East But Egypt is also a country in crisis torn between the old and the new between unsettled religious revival and secular politics President Hosni Mubarak favors a secular society But Mubarak's government faces constant conflict with militant clerics such as Sheikh Omar Abdel Rahman In *A Portrait of Egypt* Mary Anne Weaver argues that an Islamist victory in Egypt is almost inevitable and unlike that of Shi'ite Iran its impact on the Islamic world will be truly profound Based on exclusive interviews with militants and front men generals and presidents *A Portrait of Egypt* is essential reading for anyone trying to understand the far reaching consequences of the growing impact of Islamist politics and policies on the West

**Through Our Enemies' Eyes** Michael Scheuer, 2006 This seminal work on modern terrorism is the one book to read in

order to truly understand the reasons why radical Muslims such as Osama bin Laden and his followers have declared war on America and the West In order to win the war against terrorism argues Michael Scheuer former head of the CIA s Bin Laden Unit we must first stop dismissing militant Muslims as extremists or religious fanatics Formulating a successful military strategy requires that we see the enemy as they perceive themselves highly trained and motivated soldiers who believe their cause is righteous This revised paperback edition provides a more extensive study of Osama bin Laden and the sources of his thought Scheuer has added a good deal of bin Laden s words focusing on those issues that have been most misunderstood or ignored and therefore are most in need of exposition These include bin Laden s personality his early years as a nonviolent Saudi dissident and reformer the causes motivating al Qaeda and its allies especially their perception that U S foreign policy threatens Islam s survival bin Laden s long history of interest in and support for the Palestinian cause against Israel his evolutionary growth as an Islamic hero and leader between 1996 and 2001 and the profound impact the Afghan Soviet War had and continues to have on bin Laden al Qaeda and worldwide Sunni Islamic militancy Only by understanding these words can the West appreciate the threat it faces and formulate a strategy to defeat it Egypt on the Brink Tarek Osman,2013-07-31 DIVIn this immensely readable and thoroughly researched book Tarek Osman explores what has happened to the biggest Arab nation since President Nasser took control of the country in 1954 This new edition takes events up to summer 2013 looking at how Egypt has become increasingly divided under its new Islamist government div *Inside the Muslim Brotherhood - The Truth About The World's Most Powerful Political Movement* Youssef Nada,2012-08-13 This is the authorised biography of Youssef Nada a man who knows most of the untold story of more than half a century of rage and revolution Through war global terrorism and complex international crises he was there On the inside A true eyewitness to history a participant and powerbroker in events which shaped it Youssef Nada would never promise answers but would offer possible solutions through the ideas and philosophy he has lived to all his life as an ambassador of reason a peacemaker and as the de facto foreign minister of the Muslim Brotherhood group who have a membership of more than one hundred million worldwide with many millions holding pivotal positions in America the UK and throughout continental Europe He has a hard clear lucid vision he has insight into the terror of Lockerbie in Scotland the rehearsals for the September 11 onslaught against America and the July 7 London bombers the Iran Contra affair the Beirut kidnapping of Terry Waite and of deals and horrors that have touched the lives of individuals and nations alike He has been involved in all aspects of the Arab Spring in Egypt including the upcoming elections in which the Muslim Brotherhood will take power Youssef Nada was until now the hidden mystery at the heart of the Middle East the part of the puzzle no one could place It was safer After 9 11 Nada known throughout much of the world as a humanitarian was branded a global terrorist and listed as such by America and the UN The Muslim Brotherhood al Ikhwan al Muslimeen the most controversial and influential of all Islamist organisations from East to West and back again has been at odds with many governments it is the most potent Islamist opposition party throughout

the Arab world Youssef Nada believes that as he is known as the Muslim Brotherhood's international political foreign emissary all the international intelligence agencies moved against him Now he had decided to step completely out of the shadows and tell the story of his life      **Participation, Representation and Global Civil Society** Jane W.

Muthumbi, 2010-03-18 This book focuses on religious fundamentalists mobilization efforts against abortion in three United Nations Conferences Using U S Christian and Egyptian Islamic fundamentalist groups as empirical cases this account highlights these groups efforts against the adoption of abortion in the 1984 Mexico Conference on Population the 1994 Cairo conference on Population and the 1995 Beijing Conference on Women The account which examines Northern U S Christian and Southern Egyptian Islamists anti abortion networks participation and representation within these forums provides a unique glimpse into their engagement within international institutions It also explores whether Northern and Southern groups growing involvement in decision making processes has lessened the inequality that historically characterized North South relations in the international arena and compares the strategies and tactics used by these groups as they attempted to influence the debate on reproductive rights within the conferences PrepComs regional forums NGO Forums and the state dominated plenary sessions It also assesses the extent to which these entities were effective in influencing outcomes in these arenas and comments on North South relations in a contemporary context Information on these groups was obtained from interviews with leaders of the U S Christian and Egyptian Islamic fundamentalist groups as well as secondary sources and official U N documents      **Fatal Future?** Richard M. Pearlstein, 2009-06-03 The nature and goals of terrorist organizations

have changed profoundly since the Cold War standoff among the U S Soviet and Chinese superpowers gave way to the current polyplex global system in which the old rules of international engagement have been shattered by a new struggle for power among established states non state actors and emerging nations In this confusing state of global disorder terrorist organizations that are privately funded and highly flexible have become capable of carrying out incredibly destructive attacks anywhere in the world in support of a wide array of political religious and ethnic causes This groundbreaking book examines the evolution of terrorism in the context of the new global disorder Richard M Pearlstein categorizes three generations of terrorist organizations and shows how each arose in response to the global conditions of its time Focusing extensively on today's transnational i.e. privately funded and internationally operating terrorist organizations he devotes thorough attention to the two most virulent types ethnoterrorism and radical Islamic terrorism He also discusses the terrorist race for weapons of mass destruction and the types of attacks including cyberterrorism that are likely to occur in coming years Pearlstein concludes with a thought provoking assessment of the many efforts to combat transnational terrorism in the post September 11 period      Study of Revenge Laurie Mylroie, 2001 The new terrorism is nothing other than old fashioned state sponsored terrorism in a new disguise

The Middle East and South Asia 2020-2022 Elisabeth Yarbakhsh, 2021-09-15 The World Today Series The Middle East and South Asia More than a quarter of the world's population live in the Middle East and South Asia

Toth,2013-03-06 Sayyid Qutb is widely considered the guiding intellectual of radical Islam with a direct line connecting him to Osama bin Laden But Qutb has too often been treated maliciously or reductively the Philosopher of Islamic Terror as Paul Berman famously put it in the New York Times Magazine James Toth offers an even handed account of Sayyid Qutb and shows him to be a much more complex figure than the many one dimensional portraits would have us believe Qutb first gained notice as a novelist literary critic and poet but then turned to religious and political criticism aimed at the Egyptian government and Muslims he deemed insufficiently pious After a two year sojourn in the U S he returned to Egypt even more radicalized and joined the Muslim Brotherhood eventually taking charge of its propaganda operation When Brotherhood members were accused of assassinating Egyptian President Gamal Abdel Nasser the group was outlawed and Qutb imprisoned He was executed in 1966 becoming the first martyr to the Islamist cause Using an analytical approach that investigates without passing judgment Toth traces the life and thought of Qutb giving attention not only to his well known Signposts on the Road but also to his less studied works like Social Justice in Islam and his 30 volume Qur anic commentary In the Shade of the Qur an Toth s aim is to give Qutb s ideas a fair hearing to measure their impact and to treat him like other intellectuals who inspire revolutions however unpopular they may be In offering a more nuanced account of Qutb one that moves beyond the cartoonish depictions of him as the evil genius lurking behind today s terrorists Sayyid Qutb deepens our understanding of a central figure of radical Islam and indeed our understanding of radical Islam itself **The Iron Cage**

**Holy War, Inc.** Peter L. Bergen,2001-11-14 On September 11 2001 the world in which we live was changed forever The twin towers of the World Trade Center came crashing down one side of the Pentagon burst into flame and more than six thousand men women and children lost their lives in the most deadly terrorist attack on American soil As shocking as it was it had been long in the making The assault was the most sophisticated and horrifying in a series of operations masterminded by Osama bin Laden and his Jihad group an organization that CNN's terrorism analyst Peter Bergen calls Holy War Inc One of only a handful of Western journalists to have interviewed the world's most wanted man face to face Peter Bergen has produced the definitive book on the Jihadist network that operates globally and in secrecy In the course of four years of investigative reporting he has interviewed scores of insiders from bin Laden associates and family members to Taliban leaders to CIA officials and traveled to Afghanistan Yemen Egypt Pakistan and the United Kingdom to learn the truth about bin Laden's al Qaeda organization and his mission Immense in scope and unnerving in its findings Holy War Inc reveals How bin Laden lives travels and communicates with his cells How his role in the crushing defeat of the Soviet Union in Afghanistan made him a hero to Muslims all over the world and equipped him to endure a long and bloody siege How the CIA

ended up funding to the tune of three billion dollars radical anti American Afghan groups allied to bin Laden How the attacks that foreshadowed the destruction of the World Trade Center among them the bombings of the American embassies in Africa and the warship USS Cole in Yemen were planned and executed The dimensions of bin Laden s personal fortune and why freezing his assets is both futile and nearly impossible The ideology of bin Laden s number two the man who has influenced him most profoundly in his holy war the Egyptian Ayman al Zawahiri What we can expect from Islamist extremists in the future Above all Peter Bergen helps us to see bin Laden s organization in a radically new light as a veritable corporation that has exploited twenty first century communications and weapons technologies in the service of a medieval reading of the Koran and holy war Holy War Inc is essential reading for anyone trying to understand tomorrow s terrorist threats and the militant Islamist movements that could determine the fate of governments and human lives the world over Both author and publisher will donate a portion of the proceeds from this book to United Way s September 11th Fund for the relief of victims of the World Trade Center attacks
