Portrait Of Love Mystiques 17:

The Artifice of Love Fiona Black, 2009-02-19 The lovers expressions of mutual affection and desire in the Song of Songs include intimate and detailed poetic descriptions of the body These are challenging to interpret because the imagery used is cryptic drawing on seemingly incongruous aspects of nature architecture and war Biblical scholarship frequently expresses some discomfort or embarrassment over this language yet largely maintains the view that it should be interpreted positively as a complimentary and loving description of the body If read without this hermeneutic however the imagery appears to construct nonsensical and ridiculous pictures of the human form which raise interesting questions and pose definite challenges for the Song's readers Fiona Black addresses the problematic nature of the Song's body imagery by using the artistic and literary construct of the grotesque body as a heuristic The resulting reading investigates some issues for the Song that are often left to the margins namely the Song's presentation of desire its politics of gender and the affect of the text The book concludes with the identification of some implications of this reading including the creation of a new framework in which to understand the relevance of the Song's imagery for its presentation of love This is volume 12 in the Gender Culture Theory subseries and volume 392 in the Journal for the Study of the Old Testament Supplement series

The Murder Mystique Laurie Nalepa, Richard Pfeifferman, 2013-02-07 Although they account for only ten percent of all murders those attributed to women seem especially likely to captivate the public This absorbing book examines why that is true and how some women literally get away with murder Combining compelling storytelling with insightful observations the book invites readers to take a close look at ten high profile killings committed by American women The work exposes the forces that underlie the public's fascination with female killers and determine why these women so often become instant celebrities Cases are paired by motive love money revenge self defense and psychopathology Through them the authors examine the appeal of women who commit murders and show how perceptions of their crimes are shaped The book details both the crimes and the criminals as it explores how pop culture treats stereotypes of female murderers in film and print True crime aficionados will be fascinated by the minute descriptions of what happened and why while pop culture enthusiasts will appreciate the lens of societal norms through which these cases are examined Dark Suspicion Gayet, Caroline, 1980

Legacy of Danger André, Alix, 1980 **Rock Star's Girl** Kate William, Francine Pascal, 1980 Andrea Slade hides the fact that her father Jamie is a rock star so people will like her for who she is Of course Lila and Jessica will stop at nothing to find out her connection to Jamie Captive in Paradise Magali, 1980 *The Valentino Mystique* Allan R. Ellenberger, 2014-06-24 The circumstances surrounding the death of legendary star Rudolph Valentino have been a constant source of fascination for admirers worldwide This work examines every aspect of his passing analyzing the circumstances and gathering information into one convenient source for the Valentino scholar and enthusiast The first part examines every moment of the last days of Rudolph Valentino his illness and operation the reactions of such intimates as Pola Negri and all

Angela of Foligno's Memorial Angela (of Foligno),Cristina Mazzoni,1999 The powerful voice of major Italian medieval woman mystic translated with commentary Angela of Foligno is considered by many as the greatest mystical voice among Italian medieval women She devoted herself to a relentless pursuit of God when as a middle aged woman she lost her mother husband and children illiterate herself she dictated her experiences to her confessor who transcribed her words into Latin as the Memorial In a direct and vigorous style it tells of her suffering visions joy identification with Christ and finally her mystical union with God However her book has always been viewed with suspicion indeed even bordering on heresy her spirituality goes beyond conventional language as well as beyond accepted doctrines and modes of prayer This annotated selection from the Memorial is preceded by a biographical introduction which places Angela s text in its historical cultural and spiritual context the accompanying interpretive essay which follows compares Angela s experience with that of twentieth century Christian feminist theologians The volume is completed with an annotated bibliography

CRISTINA MAZZONI is Professor and Chair Department of Romance Languages and Linguistics at the University of Vermont

Love Lives Carol Dyhouse,2021-02-11 The story of how women s lives loves and dreams have been re shaped since 1950 the year of Walt Disney s Cinderella and a time when teenage girls dreamed of marriage Mr Right and happy endings Cinderella stories captured the imagination of girls in the 1950s when dreams of meeting the right man could seem like a happy ending a solution to life s problems But over the next fifty years women s lives were transformed not by the magic wand of a fairy godmother nor by marrying princes but by education work birth control and feminism However while widening opportunities for women were seen as progress feminists were regularly caricatured as man haters cast in the role of ugly sisters witches or wicked fairies in the fairy tale This book is about the reshaping of women s lives loves and dreams since 1950 the year in which Walt Disney s film Cinderella gave expression to popular ideas of romance and at a time when marriage was a major determinant of female life chances and teenage girls dreamed of Mr Right and happy endings It ends with the runaway success of Disney s Frozen in 2013 a film with relevance to very different times Along the way it illuminates how women s expectations and emotional landscapes have shifted asking bold questions about how women s lives have been transformed since 1950 How have women s changing life experiences been mirrored in new expectations about marriage intimacy and family life How have new forms of independence through education and work and greater control over childbearing altered

women's life ambitions And were feminists right to believe that sexual equality would improve relationships between men and women **Death of a Stranger** Noël, Denise, 1980 **The New York Times Index**, 2002 **Jules Michelet** John Raymond Williams, 1987 **Feast of Excess** George Cotkin, 2015-11-13 In 1952 John Cage shocked audiences with 4 33 his compositional ode to the ironic power of silence From Cage's minimalism to Chris Burden's radical performance art two decades later in one piece he had himself shot the post war American avant garde shattered the divide between low and high art between artist and audience They changed the cultural landscape Feast of Excess is an engaging and accessible portrait of The New Sensibility as it was named by Susan Sontag in 1965 The New Sensibility sought to push culture in extreme directions either towards stark minimalism or gaudy maximalism Through vignette profiles of prominent figures John Cage Patricia Highsmith Allen Ginsberg Andy Warhol Anne Sexton John Coltrane Bob Dylan Erica Jong and Thomas Pynchon to name a few George Cotkin presents their bold headline grabbing performances and places them within the historical moment This inventive and jaunty narrative captures the excitement of liberation in American culture The roots of this release as Cotkin demonstrates began in the 1950s boomed in the 1960s and became the cultural norm by the 1970s More than a detailed immersion in the history of cultural extremism Feast of Excess raises provocative questions for our present day culture "Jews, Race and Popular Music " Jon Stratton, 2017-07-05 Jon Stratton provides a pioneering work on Jews as a racialized group in the popular music of America Britain and Australia during the twentieth and early twenty first centuries Rather than taking a narrative historical approach the book consists of a number of case studies looking at the American British and Australian music industries Stratton's primary motivation is to uncover how the racialized positioning of Jews which was sometimes similar but often different in each of the societies under consideration affected the kinds of music with which Jews have become involved Stratton explores race as a cultural construction and continues discussions undertaken in Jewish Studies concerning the racialization of the Jews and the stereotyping of Jews in order to present an in depth and critical understanding of Jews race and popular music *Billboard*, 1995-03-04 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Deadly Inheritance** André, Alix, 1980 *Billboard*, 1995-02-25 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Stranger at Midnight** Coriola, 1980 Setting Plato Straight Todd W. Reeser, 2015-12-28 When we talk of platonic love or relationships today we mean something very different from what Plato meant For this we have fifteenth and sixteenth century European humanists to thank As these scholars most of them Catholic read digested and translated Plato they found themselves faced with a fundamental problem how to be

faithful to the text yet not propagate pederasty or homosexuality In *Setting Plato Straight* Todd W Reeser undertakes the first sustained and comprehensive study of Renaissance textual responses to Platonic same sex sexuality Reeser mines an expansive collection of translations commentaries and literary sources to study how Renaissance translators transformed ancient eros into non erotic non homosexual relations He analyzes the interpretive lenses translators employed and the ways in which they read and reread Plato s texts In spite of this cleansing Reeser finds surviving traces of Platonic same sex sexuality that imply a complicated recurring process of course correction of setting Plato straight *The Mystery and the World* Maria Clara Bingemer, 2016-05-10 During the past century an enormous effervescence of events changed the sociopolitical configuration of the world The interpretation of these facts helped further deepen the crisis in which modern thought already found itself and it generated the uncertain and unstable environment in which we live today the so called postmodernity late modernity or hypermodernity In this context one of the most profound impacts is most certainly the one on religion During the twentieth century religion proved not to be banished from the human horizon as the masters of suspicion intended Known as the godless century the twentieth century saw also a resuscitation of the search for the sense of life and spirituality With the crisis of modern reason humankind turned toward consumerism and provisional and light practices The last century represents not only the height of the postmodernization process but also the rescue of the transcendent and absolute even if it is an absolute without face and identity It is in this scenario that religious experiences apparently exiled by modern rationality begin to occur and multiply again Mystical experiences will be then the basis for highlighting recurrent characteristics with universal import But they will show a different configuration than before One will be able to find them not in so called sacred spaces but in very secular ones not so much within institutions but at the borders or even outside them not configured by a specific tradition but in an interface that makes more than one tradition meet and dialogue
