## **Portrait Of Leni Riefenstahl:**

A Portrait of Leni Riefenstahl Audrey Salkeld, 1997 Leni Riefenstahl who died in 2003 will always be remembered for her film of the 1936 Olympic Games in Berlin After the war Riefenstahl was shunned by the film industry both in Europe and America despite a 1952 court ruling proclaiming her not guilty of supporting the Nazis in a punishable way Winner of the Boardman Tasker Award this is a fine and balanced study of a still controversial figure **Portrait of Leni Riefenstahl** Ramboro Books, 1999-08 **The Amazon Queen** Lisa H. Williams, 1977 **Hitler and Film** Bill Niven, 2018-04-24 An exposé of Hitler's relationship with film and his influence on the film industry A presence in Third Reich cinema Adolf Hitler also personally financed ordered and censored films and newsreels and engaged in complex relationships with their stars and directors Here Bill Niven offers a powerful argument for reconsidering Hitler's fascination with film as a means to further the Nazi agenda In this first English language work to fully explore Hitler's influence on and relationship with film in Nazi Germany the author calls on a broad array of archival sources Arguing that Hitler was as central to the Nazi film industry as Goebbels Niven also explores Hitler's representation in Third Reich cinema personally and through films focusing on historical figures with whom he was associated and how Hitler's vision for the medium went far beyond straight propaganda He aimed to raise documentary film to a powerful art form rivaling architecture in its ability to reach the masses

Encyclopedia of Twentieth-Century Photography, 3-Volume Set Lynne Warren, 2005-11-15 The Encyclopedia of Twentieth Century Photography explores the vast international scope of twentieth century photography and explains that history with a wide ranging interdisciplinary manner This unique approach covers the aesthetic history of photography as an evolving art and documentary form while also recognizing it as a developing technology and cultural force This Encyclopedia presents the important developments movements photographers photographic institutions and theoretical aspects of the field along with information about equipment techniques and practical applications of photography To bring this history alive for the reader the set is illustrated in black and white throughout and each volume contains a color plate section A useful glossary of terms is also included Encyclopedia of the Documentary Film 3-Volume Set Ian Aitken, 2013-10-18 The Encyclopedia of the Documentary Film is a fully international reference work on the history of the documentary film from the Lumi re brothers Workers Leaving the Lumi re Factory 1885 to Michael Moore's Fahrenheit 911 2004 This Encyclopedia provides a resource that critically analyzes that history in all its aspects Not only does this Encyclopedia examine individual films and the careers of individual film makers it also provides overview articles of national and regional documentary film history It explains concepts and themes in the study of documentary film the techniques used in making films and the institutions that support their production appreciation and preservation *The Material Image* Brigitte Peucker, 2007 Focusing on intermediality The Material Image situates film within questions of representation familiar from the other arts What is meant by figuring the real How is the real suggested by visual metaphors and what is its relation to illusion How is the spectator figured as

entering the text and how does the image enter our world The film's spectator is integral to these concerns Cognitive and phenomenological approaches to perception alike claim that spectatorial affect is real even when it is film that produces it Central to the staging of intermediality in film tableaux moments in film also figure prominently in the book *Films by Scorsese Greenaway Wenders and Kubrick* are seen to address painterly photographic and digital images in relation to effects of the real Hitchcock's films are examined with regard to modernist and realist effects in painting Chapters on Fassbinder and Haneke analyze the significance of tableau for the body in pain while a final chapter on horror film explores the literalism of psychopathic tableau Here too art and the body images and the real are juxtaposed and entwined in a set of relations
