Farber,2018-01-01 Renowned photographer Don Farber one of the most important chroniclers of Buddhism today brings the face and the spirit of contemporary Tibetan Buddhism alive with this remarkable book Portraits of Tibetan Buddhist Masters a collection of superb color photographs presented with brief biographies and teachings from each master is a vibrant work a testament to the compassion and wisdom that lies at the heart of the Tibetan Buddhist tradition Farber felt compelled to record the last of the living Buddhist masters who received their training in Tibet and then fled the country following the invasion by China as well as other masters who survived many years of imprisonment during the Cultural Revolution He has worked with a sense of urgency to photograph and interview these extraordinary beings who have been the custodians of this endangered Buddhist tradition His collection of portraits also includes some of the bright lights of Tibetan Buddhism the younger masters who will carry the tradition into the future As a photographic archive of Tibetan Buddhist masters this book plays an important role in preserving Tibetan culture in all its richness and complexity through the words and faces of its esteemed masters

**Migration and Health** Sandro Galea,Catherine K. Ettman,Muhammad H. Zaman,2022-11-25 A new introduction to a timeless dynamic how the movement of humans affects health everywhere International migrants compose more than three percent of the world s population and internal migrants those migrating within countries are more than triple that number Population migration has long been and remains today one of the central demographic shifts shaping the world around us The world s history and its health is shaped and colored by stories of migration patterns the policies and political events that drive these movements and narratives of individual migrants Migration and Health offers the most expansive framework to date for understanding and reckoning with human migration s implications for public health and its determinants It interrogates this complex relationship by considering not only the welfare of migrants but also that of the source destination and ensuing generation populations The result is an elevated interdisciplinary resource for understanding what is known and the considerable territory of what is not known at an intersection that promises to grow in importance and influence as the century unfolds

**The Indian Portrait, 1560-1860** Rosemary Crill,Kapil Jariwala,2010 The role of the portrait in India between 1560 and 1860 served as an official chronicle or eye witness account as a means of revealing the intimate moments of everyday life and as a tool for propaganda Yet the proliferation and mastery of Indian portraiture in the Mughal and Rajput courts brought a new level of artistry and style to the genre *Nepali Aama* Broughton Coburn,1991
