Portrait Of The Mother Artist:

The Mother Artist Catherine Ricketts, 2024-04-16 Are caregiving and creative labor fundamentally at odds Is it possible for mothers to attend to both Few women artists feature prominently in the history of art and even fewer who are mothers How are motherhood and artmaking at play and at odds in the lives of women What can we learn about ambition limitation and creativity from women who persist in doing both Forged in the stress of early motherhood *The Mother Artist* explores the fraught yet generative ties between caregiving and creative practice As a young mother working at a museum essayist Catherine Ricketts began asking questions about the making of motherhood and the making of art Now with incantatory prose and an intuitive gaze she twines intimate meditations on parenthood with studies of the work and lives of painters writers dancers musicians and other creatives Ricketts takes readers through the studios of mother artists placing us in the company of women from the past and the present who persevere in both art and caregiving We encounter Senga Nengudi's sculptures which celebrate the pregnant body and Toni Morrison's powerful writing on childbirth We behold Joan Didion's meditations on maternal grief and Alice Neel's arresting portraits of mothers and babies And we observe the ambition of sculptor Ruth Asawa the activism of printmaker Elizabeth Catlett and the constancy of writer Madeleine L Engle *The Mother Artist* welcomes us into a community of creatives and includes full color images of their work Part memoir part biography and part inquiry into the visual literary and performing arts *The Mother Artist* contends that a brutal world needs art made by those who have cared for the vulnerable This book is for mothers who aspire to make art anyone eager to discover the stories of visionary women and all who long for a revolution of tenderness **The Lost Mother** Anne Summer, 2009

Read how you want 16 point large print After her mother's death in 2005 Anne Summers inherits a portrait of her mother as a child She finds herself drawn into the story of how the portrait was painted and soon learns the artist painted another portrait of her mother this time as the Madonna In a gripping narrative that is part art history part detective story and part meditation on the relations between mothers and daughters Anne's search for the Madonna painting its forgotten artist Constance Stokes and the mysterious Russian migr collector who bought both paintings takes her down unexpected paths Along the way Anne must face the truth of the relationship she had with her mother **Rembrandt's Mother** Christiaan Vogelaar, Gerbrand Korevaar, 2005 About half of the work Rembrandt did in Leiden consisted of paintings etchings and drawings showing older people In these works an old woman is frequently portrayed who has traditionally been held to be Rembrandt's mother Neeltje Willemsdr van Zuijdtbroek Whether Rembrandt really depicted her or whether this is a myth which has persisted for centuries is still not clear This book discusses the creation of this myth which although not firmly based on facts has been an essential part of Rembrandt's image for centuries The works for which Rembrandt's mother was the model and which are reproduced in this book give an idea of the young artist's iconographic interests For instance Rembrandt depicted her as a prophetess attentively reading a book Sometimes she plays an active role in religious or

allegorical pictures A similar model can also be recognised in paintings by Rembrandt's friend Jan Lievens and his first pupil Gerrit Dou By showing the paintings of these young masters the book examines the artistic relationships between them If offers a unique opportunity to compare early closely related works and to gain a clearer picture of the collaboration among these artists

The Lost Mother Anne Summers, 2010 My mother had just turned ten in mid 1933 when a young woman approached her as they were both leaving Mass at St Joan of Arc's in Brighton The woman was an artist and she would like to paint her portrait After her mother's death in 2005 Anne Summers inherits a portrait of her mother as a child Mesmerised by this image she finds herself drawn into the story of how the portrait was painted and eventually found its way into her family She soon learns the artist painted another portrait of her mother this time as the Madonna In a gripping narrative that is part art history part detective story and part meditation on the relations between mothers and daughters Anne's search for the Madonna painting and the mysterious Russian migr collector who bought both paintings takes her down unexpected paths Her search soon turns into a parallel quest to rescue Constance Stokes the artist from obscurity and to learn why the collector suddenly abandoned the paintings Along the way Anne finds she must face the truth of the relationship she had with her mother In turn hypnotic and moving *The Lost Mother* is a powerful exploration of art loss and love

Mother: Portraits by 40 Great Artists Juliet Heslewood, 2009-05-01 Artists paint their mothers for many reasons as a loving tribute of course but also to capture a memorable face to work through conflicting emotions as a family legacy or the simple availability of a model Looking at each work and considering its individual history reveals much about the relationship the artist and about the time and place in which it was created *Mother* collects more than 40 of these fascinating portraits Selected by art historian Juliet Heslewood the portraits are displayed chronologically and the changing nature of the subject can be seen as time progresses over the centuries to the present day Text accompanying each portrait provides compelling background information about the artist and his or her mother the mother's impact on the artist's career and the artist's painting style Among the painters represented are Rembrandt Rossetti Van Gogh Sargent Picasso Kahlo and Hockney

Portrait of the Artist and His Mother in Twentieth-Century Italian Culture Daniela Bini, 2020-11-05 The power exercised by the mother on the son in Mediterranean cultures has been amply studied Italy is a special case in the Modern Era and the phenomenon of *Mammismo italiano* is indeed well known Scholars have traced this obsession with the mother figure to the Catholic cult of the Virgin Mary but in fact it is more ancient What has not been adequately addressed however is how *Mammismo italiano* has been manifested in complex ways in various modern artistic forms *Portrait of the Artist and His Mother in Twentieth Century Italian Culture* focuses on case studies of five prominent creative personalities representing different sometimes overlapping artistic genres Luigi Pirandello Pier Paolo Pasolini Dino Buzzati Carlo Levi Federico Fellini The author examines how the mother son relationship not only affected but actually shaped their work Although the analysis uses mainly a psychological and psychoanalytical critical approach the belief of the author substantiated by historians

anthropologists and sociologists is that historical and cultural conditions contributed to and reinforced the Italian character This book concludes with an analysis of some examples of Italian film comedies such as Fellini's and Monicelli's where mammismo vitellonismo is treated with a lighter tone and a pointed self irony **Salvador Dal', Or the Art of Spitting on Your Mother's Portrait** Carlos Rojas,2010-11-01 **Portrait of the Mother-Artist** Nancy Gerber,2003-01-21 Nancy Gerber revitalizes feminist theories of motherhood and creativity She shows that the mother who is an artist in contemporary fiction is a working class character one who develops an aesthetic of the ordinary fashions political critique out of domestic metaphor and sustains a rich interior life despite material poverty **Portrait of the Artist's Mother** Fiona Place,2019
