Creativity Mogens Müller,Jesper Tang Nielsen,2016-08-11 A combination of two classic discussions in New Testament scholarship the contributions in this volume shed light on the still unsolved synoptic problem by using the well coined concept of rewriting to describe the relationship between the synoptic gospels The contributions work with the hypothesis

that the synoptic tradition can be conceived of as a process of rewriting Matthew rewrote Mark and Luke rewrote Mark and Matthew This approach to the synoptic problem dismantles the grounds for the otherwise widely accepted two source theory If it can be shown that Luke knew Matthew's Gospel the Q hypothesis is superfluous One group of articles focuses on the general question of Luke's literary relation to the other gospels In these essays the concept of rewriting describes Luke's use of his sources The second part of the collection examines a number of texts in order to show how Luke rewrites specific passages In the final section the contributions concern Luke's relation to Roman authorities It is shown that Luke's literary creativity is not limited to his predecessors in the gospel tradition Rewriting is his literary strategy

Jesus—The Portrait and Inscription of God George Paki, If we want to understand what God was telling John about the future we need to first understand what John understood Professor Jon Paulien Loma Linda University USA In *Jesus The Portrait and Inscription of God* the author pours his years of research into addressing the issue that Jon Paulien highlights Paki builds an intriguing case for a dual focused method of interpreting Revelation He uses this method to show i that Revelation was written primarily to John and his initial audience ii that the same prophecies also speak to us with clarity and force iii Then he wonders if God intentionally used the same material to speak to an audience then and now When this method is applied to Revelation 1:3 the text does come alive Deep theological truths and nuggets extracted are way too many to recount in a single book In fact this fresh approach minimizes most of our interpretive issues and enhances our understanding and appreciation of the apocalyptic Christ Some of our leading scholars agree It is well written well laid out and has good solid biblical insights Good solid evidence for Revelation's high Christology Dr Kayle de Waal Avondale College Australia I found it thoughtful helpful and interesting to read The style of presentation is also very attractive Professor Jon Paulien Loma Linda University USA You have clearly shown the relationship between Revelation 1:3 with the rest of Revelation Dr Ross Cole Avondale College Australia The method used its interpretations and the theological insights are corroborated by other Johannine books the New Testament the Old Testament and the Spirit of Prophecy This volume will enhance the libraries of academics and laypeople alike *Spirit, Scripture, and Theology, 2nd Edition* Roger Stronstad, 2019-05-14

The Portraits of Jesus Christ in the New Testament Henry Sloane Coffin, 1925 *The Portrait of Philip in Acts* F. Scott Spencer, 1997-01-01 Appraisals of early Christian leaders in Acts typically neglect or minimize the contribution of Philip the evangelist This study establishes Philip's pivotal place in the overall structure of Luke Acts stressing the significance of his roles as the first missionary to the marginalized Samaritans and God-fearers of a charismatic prophet in the tradition of Moses and Elijah and a versatile servant in both domestic diaconal and itinerant kerygmatic capacities This investigation utilizes close literary analysis of the Lukan narrative informed by social historical assessments of the ancient Mediterranean world to create a comprehensive multidimensional portrait of Philip in Acts

Christ and Christianity: The picture of Jesus (the master) Hugh Reginald Haweis,1886

The Epistemological Basis for Belief according to John's Gospel David A. Redelings,2011-09-23 This book a revision of the author s dissertation describes the grounds on which knowledge about God is possible according to the Gospel of John In response to modern questions and doubts about the possibility of religious knowledge John s answers are identified and illuminated using standard historical method A major part of this investigation is spent showing that for readers of all persuasions it is clear that certain parts of John s Gospel were never intended as either fiction or metaphor From these parts the basis on which John thinks that people can have religious knowledge is inferred and described

The Branch Preston T. Massey,2018-07-24 The thesis of the book may be stated simply it is an argument based upon the four prophetic texts of Jer 23 5 Zech 3 8 6 12 and Isa 4 2 as a foundational pattern for the four Gospels These four prophetic texts it will be argued mention a King Branch a Servant Branch a Man Priest Branch and a Lord God Branch This study seeks to show how Matthew presents Jesus as the King Branch Mark as the Servant Branch Luke as the Priest Man Branch and John as the Lord God Branch Consideration will also be given to explore the ramification of the four living Beings as described in Rev 4 6 7 Given the sum total of this sequence of literary facts the conclusion of this book will raise a number of possible implications One of these implications will offer the conclusion that the four evangelists could not have written their four Gospels solely on their own human unaided efforts

The Message of the New Testament (Foreword by John MacArthur) Mark Dever,2007-05-01 The New Testament is the story of how all the promises made by God in the Old Testament were kept and what that means for us today The nation of Israel had many hopes hope for a deliverer hope for restored fellowship with God and hope for the world to be put right The New Testament explains how those promises were kept and how if we are Christians they are kept in us as well Mark Dever surveys the historical context organization and theology of each New Testament book in light of God s Old Testament promises His message is that of the New Testament itself one of hope fulfilled

Proclamation from Prophecy and Pattern Darrell L. Bock,1997-01-01 Luke is here presented as contributing to New Testament Christology through his treatment of Old Testament Christological texts This redaction critical study argues that Luke s use of the Old Testament is not so much a proof from prophecy as a proclamation that draws both upon prophecies and upon patterns This proclamation as it is developed in Luke Acts serves to turn the reader s attention from seeing Jesus as Messiah to seeing him eventually as Lord
