## **Portraits Of God A Biblical Theology Of Holiness:**

Portraits of God Allan Coppedge, 2001 What is God like Answering this is the great quest of human existence Because God is so different from us we struggle to describe him While doctrinal statements about God certainly have their place in Christian understanding the Bible more often uses God's actions and roles to help us know him better Indeed some of the most helpful insights in Scripture arise when God is compared to something else a rock an eagle or a tower And many human metaphors taken from the world of actions and relationships bring us even closer to understanding of God In Portraits of God Allan Coppedge suggests we look carefully at God as our Father Redeemer King Judge Priest and Creator These portraits taken together give us an understanding of the Holy One for which no single category is adequate These images work their way through the whole of Scripture They are the doorway allowing us into the mysteries of God's very being In Portraits of God Coppedge offers a comprehensive survey picturing a God who wants to be known personally and who has profoundly communicated himself Coppedge finds the inexhaustible nature of God to be one of holiness reflected in and best described by the language of diverse roles Approaching God in this way transforms us as churches and individuals to reflect God's own holy character This is a book for students pastors and churchgoers alike Anyone desiring to know more deeply and wholly the Christian God revealed in the Bible will find in Portraits of God a treasure of scholarship and truth

The God Who Is Triune Allan Coppedge, 2007-10-01 The trinity of the Christian God is not just one isolated doctrine among others Allan Coppedge draws out the implications for our understanding of God's nature attributes roles relationship to creation and providence

**Exploring Protestant Traditions** W. David Buschart, 2009-09-20 Protestant is shorthand for a spreading family tree of church and theological traditions Each tradition embodies a historically shaped perspective on the beliefs practices and priorities that make up a Christian community Whether you are an insider to one tradition a hybrid of two or three or as many Christians today an outsider to all Exploring Protestant Traditions is a richly informative field guide to eight prominent Protestant theological traditions Lutheran Anabaptist Reformed Anglican Baptist Wesleyan Dispensational and Pentecostal Clearly and evenhandedly W David Buschart traces the histories of each tradition explains their interpretive approaches to Scripture and identifies their salient beliefs As a result you will gain a sense of what it is to believe and worship as a Reformed or Pentecostal Christian who the traditions heroes are and where the theological accents are placed Charts displaying the denominational representatives of each tradition and bibliographies mapping the path for further explorations add to the value of this guide This is a book that seeks to receive rather than evaluate to listen and understand rather than judge or correct His is a model of theological hospitality that encourages you to open your doors to the varied ways in which Protestantism has taken root in history and human society Some things take time like coming to know a religious tradition But Exploring Protestant Traditions is an excellent place to start

*Christian Theology and African Traditions* Matthew Michael, 2013-05-21 Christian theology is increasingly recognized to be now a non western enterprise

since the high concentrations of Christians in the world are no longer found in the Western societies Christian Theology and African Traditions takes seriously this present recognition of the southward movement of Christianity from the western world to a non western setting It seeks to reposition Christian theology and faith to engage the African traditions in classical category of theology proper bibliology anthropology Christology pneumatology soteriology ecclesiology and eschatology and provides unique insights and problems that these classical and systematic categories poses to African Christianity Similarly it provides theological blueprint for non Africans who are interested in knowing the nature and shape of the Christian theology in non western settings *The Father Who Redeems and the Son Who Obeys* Svetlana Khobnya,2014-09-25 The idea of God the Father has attracted scholarly attention for centuries especially in terms of the revelation of God s fatherhood through the Son The Father Who Redeems and the Son Who Obeys balances the Christological perspective on God s nature with the image of God the Father that has its roots in the Old Testament and is more prominent in the Second Temple period than sometimes acknowledged For Paul God is the Father who redeems The Old Testament imagery that shaped the Israelites conception of God s interaction with them and which was a basis for God s future restoration of the nation despite their unfaithfulness is central to Paul s explanation of the new salvific act of God the Father in Christ the faithful and obedient Son

**Walking with the Full Assurance of Understanding** Sterling Merritt Durgy,2019-10-23 Walking with the Full Assurance of Understanding has been written to provide Christians who are serious about their faith what Paul called the wealth that comes from the full assurance of understanding In its pages readers will find the central truths logic and promise of Christianity necessary for a confident stable and fruitful walk with God No one knew better than John Wesley that it is one thing to know Scripture quite another to understand it Even as a missionary to Georgia well schooled in the faith by a clergyman father a devout mother and his studies at Oxford Wesley remained unaware of the full meaning of Scripture It was understanding that unlocked the power of God s work in his life Given the multitude of negative influences both from secular culture and within the Christian community there has never been a greater need to avoid the false teachings of philosophy popular but mistaken beliefs and poor assumptions The information and insights presented here will enable twenty first century Christians to avoid being carried about by every wind of doctrine by understanding the treasure they have in God Jesus Christ and the Scriptures

**Being Missional, Becoming Missional** Banseok Cho,2021-12-10 This book explores the theme of the missional conversion of the church namely how the church is transformed toward its missionary vocation from a biblical theological perspective The purpose of this book is to find biblically grounded theologically sound and practically applicable principles helpful for the church which seeks to be continuously shaped into a missional community which authentically and fully participates in God s mission today The biblical theological findings on how the triune God in the biblical narrative shapes the people of God toward their missionary vocation demonstrates first that in Scripture the missional conversion of the church is primarily the consequence of its continuous encounter with the triune God and second

that this divine human encounter for the missional conversion of the church is ineluctable in view of the ongoing tension between the missional faithfulness of God in fulfilling the missionary vocation of the church on the one hand and the missional failure of the church in its missionary vocation on the other hand

**Enacting Atonement** Roy McDaniel, 2025-11-04 Discover the story of salvation in Christ through Levitical rituals Atonement lies at the heart of the Christian faith In Christ's work of atonement we are reconciled to God enabled to draw near to him and can see his glory Through studying the Levitical burnt offering Roy McDaniel takes readers on a deep exploration of Leviticus 1:1-9 in this thought provoking volume part of the Studies in Christian Doctrine and Scripture series from IVP Academic Using elements of narrative analysis like setting plot and hero McDaniel shows how the Levitical burnt offering is a ritual recapitulation of the narrative of Israel's election and deliverance as depicted in Genesis and Exodus and how in doing so it proclaims the atoning work of Christ At the heart of this work lies the logic of atonement present in the Levitical burnt offering an idea that contributes to the doctrine of atonement by demonstrating how Christ's incarnate sacrifice is rooted in his eternal identity as God the Son In **Enacting Atonement** Roy McDaniel Provides a coherent account of atonement centered on the eternal identity of the Son Shows how Levitical sacrifice can inform the church's doctrine of atonement by modeling a careful theological exegesis of Leviticus and Explores questions about the meaning of sacrifice and its relationship to the being and attributes of God Whether you're a scholar student pastor theologian or a layperson seeking deeper understanding **Enacting Atonement** invites you to uncover the rich tapestry of God's redemptive narrative in the Levitical ritual

**Love that Rescues** Eric J. Bargerhuff, 2010-02-01 In an age where church discipline has fallen out of favor in the context of many churches Eric Bargerhuff calls the church to a deeper understanding of its nature and purpose as an expression of God's fatherly love towards his people As a biblically mandated activity instituted by Christ himself in Matthew 18 church discipline is an essential practice of any faithful church that is committed to sharing the Gospel and making disciples Tackling some of the false notions and assumptions surrounding church discipline Bargerhuff sets forth a historical biblical theological and practical position that centers its identity and purpose on a proper understanding of the cross of Christ Since the punitive wrath of God was poured out for sin on the cross of Jesus Christ a penal substitutionary atonement it is therefore necessary to reject the notion that church discipline is punishment but rather it should be seen as God's hand of forgiveness and grace

extended for the purpose of restoring reconciling and rescuing one of his own a sheep that has gone astray It is to be regarded as God s love in the actions of a forgiven and forgiving community

**Elenchus of Biblica** Maria J. Schoenmaeckers,Robert Althann,2004-12-20 Le 23 novembre 1964 jour de la promulgation de Lumen Gentium la constitution dogmatique sur l Eglise marque un evenement c est la premiere fois dans l histoire de l Eglise qu une assemblee de la Sainte Eglise s exprime solennellement sur la vie consacree Le sixieme chapitre de la constitution traite de la signification et de l essence de la vie religieuse la reliant au mystere de l Eglise peuple de Dieu Ce texte conciliaire presente la vie religieuse comme un etat canonique celui du chretien qui tend dans un institut de perfection a la charite parfaite et consacre sa vie a Dieu et aux hommes ppar la profession des conseils evangeliques de chastete pauvreté et obeissance De toute evidence cette declaration doctrinale est importante pour l Eglise et pour le developpement de la vie consacree dans l Eglise En lisant Lumen Gentium on est assez vite frappe par le debut abrupt du sixieme chapitre sur les religieux car tous les autres chapitres s ouvrent par une breve introduction Cependant on ne peut deracher ce chapitre de ce que a ete dit precedemment sur la vocation universelle a la saintete En fait l histoire du texte fait clairement ressortir le lien qui unit ces chapitres *A Spiritual Portrait of a Believer* Chet

Cataldo,2010-02-19 The focus of this study is to discover the identity of the emphatic I of Rom 7 with the added purpose of attempting to draw a spiritual portrait of a mature Christian believer To accomplish this purpose the process is as follows An examination of Rom 7 within its context is conducted This examination is followed by an attempt at determining the experience of the emphatic I found within Rom 7 The next step in the process is to compare the experience of the emphatic I of Rom 7 as found within its context of Rom 1 8 with what Paul wrote elsewhere on the experience of new life in Christ for Christian believers The purpose of this comparison is to discover if Paul had a consistent portrait of spirituality and Christian maturity The final step is to compare the experience described by Paul both in Rom 7 and in the wider Pauline Corpus with the experience which John Wesley called perfection and with the Mystical experience called the spiritual marriage The study of Romans Wesley and the Mystics coupled with the wider study of the secondary literature showed that there is a remarkable consistency in the teaching and understanding that the closer a Christian believer gets to God the more this Christian believer is aware of his or her own sinfulness Paul in describing the experience of the emphatic I is describing a

person who is becoming more and more aware of his or her own sinfulness The conclusion to be drawn from this study is that the identity of the empathic I is of a regenerate Christian believer one who is growing ever closer and closer to God and at the same time is in pain over the remaining effects of sin

*The Keswick Movement* Charles Edwin Jones, 2007 This volume introduces researchers to the leaders ideas and institutions of the Keswick Movement a strand of holiness teaching that was embraced by many evangelicals who came from the more Calvinistic wing of Protestantism especially Anglicans Baptists Congregationalists and Presbyterians The Keswick Movement is the most difficult of the three main holiness traditions to delineate Unlike the Wesleyan Holiness and Holiness Pentecostal traditions the Keswick Movement has not gone through a definitive period of careful theological refining and institutional boundary setting

**Jesus, Deliver Us** Willard M. Swartley, 2019-06-04 Deliver us from the evil one is the heart s cry from the Lord s Prayer Evil wears many faces in our modern world This book connects the Lord s Prayer to troubles of our times be it attacks from Satan the wars around the world the scourge of racism or the mass shootings of our time The subtitle of the book identifies the scope This book blends both deliverance from demonic bondage and witness to the powers in relation to political policies and government While the book aims to be a biblical theology on these topics it seeks also to address the praxis how these evils are confronted through healing deliverance ministries and what people of God say and do in witness to the powers The two streams of response to evil are really one as a faithful response to the saving work of the Lord God Almighty through Jesus Christ s victory over Satan sin evil and death Love your enemy confronts evil with power to transform
