

Portraits Of Jesus

Elizabeth E. Platt

Portraits Of Jesus:

The Portraits of Jesus Christ in the New Testament Henry Sloane Coffin, 1925 **Portraits of Jesus Christ** Benedict Prayer Books, 2019-08-02 This book contains over 80 paintings of Jesus Christ for the purposes of enjoying and meditating Painting has always been associated with the life of the Church From the time of the Catacombs it has been used in ecclesiastical ornamentation and for centuries after Constantine religious art was the only form of living art in the Christian world Its fecundity has been wonderful and even now although much diminished is still important Until the Renaissance the Church exercised a veritable monopoly over this sphere Profane painting in Europe dates only from the last five centuries and it took the lead only in the nineteenth century It may therefore be said that throughout the Christian Era the history of painting has been that of religious painting *The Five Portraits of Jesus* William MacCallum Clow, 1925 Portraits of Jesus in the Gospel of John Robert P. Lightner, 2007-01-15 In his Gospel John presented Jesus as the Son of God by painting portraits pictures of him The author of this volume displays twenty nine of these portraits for us to look at and even study The reader who observes these portraits carefully will come to know the Lord Jesus Christ in new and deeper ways After each portrait is examined there are applications for daily living and simple study questions drawn from the portrait This book is all about Jesus the Living Word set forth in the Written Word and is intended for individual and group use Portraits of Jesus Michael R. Cosby, 1999-01-01 This book provides a learning by doing approach to the study of the Gospels It allows students to uncover literary patterns theological issues and interpretive problems through close readings of primary sources Questions are asked along the way that help readers understand the shape of the narrative and the themes important to each Gospel writer **Portraits of Jesus** Robert Imperato, 2020-02-04 This is an introductory guide to the ways Jesus is depicted in the New Testament Both college students and the general reader will find here a variety of New Testament understandings of Jesus that are rooted in critical reading of the four gospels and Pauline letters This new edition adds historical context to the portraits of Jesus as each document is somewhat shaped by historical factors This work presumes neither religious faith nor lack of faith its aim is to inform and to stimulate some fundamental questions as well as to give the readers portraits as synthetic balance to the vital work of analysis **Portraits of Jesus the Christ** Morris Dubidat, 2019-10-22 The temple was erected to portray God s glory majesty and grace which was to be revealed in his son Jesus That I may dwell among them was a revelation of his plan for the future Emanuel God with us There was nothing on earth like the tabernacle and there was no greater experience to have than the presence of the Almighty God both in sensing his presence and seeing the Shekinah light of his glory in the most holy place This tabernacle was a revelation of his eternal plan for man s redemption through Jesus his son After we have settled the sin question at the altar of sacrifice and then have ourselves washed from the defilement of sin at the laver we are then ready to enter the holy place of fellowship with the saints and to behold the glory beauty and grace of God In this Old Testament tabernacle the veil restricted the entrance to

the most holy place and hence the presence of the Almighty But now in this dispensation of grace the veil was ripped open on purpose by God Since Jesus went into the heavenly tabernacle with his own blood access is no more denied to those of us who have accepted him as our sacrificial lamb we can come boldly to the throne of grace where he is seated on the right hand of God his father in heaven With humbleness of spirit and a heart of gratitude we join in the songs of the redeemed in praise and adoration to him who have redeemed us with his own blood With such experience in Jesus who was portrayed in the tabernacle we can wholeheartedly agree with David in Psalm 27 4 This one thing is our greatest desire to dwell in his presence

The Portraits of Jesus Christ in the New Testament Henry Sloane Coffin, 1934 *Four Portraits of Jesus* Elizabeth E. Platt, 2004 *Four Portraits of Jesus* is a Bible study guide based on the four distinctive portraits of Jesus in the four Gospels Each chapter begins with a passage relating to a key theme for each particular Gospel and then addresses a series of questions designed to acquaint readers with important issues related to that Gospel and its audience The all in one volume incorporates detailed lesson plans for the teacher or study leader course reading material and worksheets for the participant and biblical background information for both

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Portraits of Christ* Henry Garipey, 1974 *PORTRAITS OF CHRIST* contains fifty two illuminating devotional studies of names and titles given to Jesus Christ in the Old and New Testaments The individual portraits are divided into four groups according to their Biblical context The Prophecy prophetically ascribed titles The Advent names associated with Jesus coming The Person the I am or self ascribed titles and The Ministry names and titles associated with Jesus life and work Together they cover the complete Biblical spectrum of references to Jesus

From dust jacket front flap *Portraits of Jesus in the Gospel of John* Robert P. Lightner, 2007-01-15 In his Gospel John presented Jesus as the Son of God by painting portraits pictures of him The author of this volume displays twenty nine of these portraits for us to look at and even study The reader who observes these portraits carefully will come to know the Lord Jesus Christ in new and deeper ways After each portrait is examined there are applications for daily living and simple study questions drawn from the portrait This book is all about Jesus the Living Word set forth in the Written Word and is intended for individual and group use

Portraits of Jesus in the Gospel of John Craig Koester, 2018-10-18 John's Gospel is best known for its presentation of Jesus as the Word of God made flesh But as the narrative unfolds readers discover that the identity of Jesus is surprisingly complex He is depicted as a teacher a healer a prophet and Messiah He is Jewish and Galilean a human being who is Son of Man and Son of God *Portraits of Jesus in the Gospel of John* considers each of these roles in detail showing how each makes a distinctive contribution to the Gospel's rich mosaic of images for Jesus John's multifaceted portrait of Jesus draws on a broad spectrum of early Christian traditions and the contributors to this collection of essays explore the ways in which these traditions are both preserved and transformed in the Fourth Gospel The writers draw us more deeply into the questions of the way in which traditions about Jesus developed in the early church and how the Gospel of John might

contribute to our understanding of that dynamic process *Portraits of Jesus* Robert Imperato, 2017-12-12 This is an introductory guide to the ways Jesus is depicted in the New Testament Both college students and the general reader will find here a variety of New Testament understandings of Jesus that are rooted in critical reading of the four Gospels and Pauline letters The authors of the four Gospels show considerable freedom in their handling of the words and deeds associated with Jesus New Testament authors are not so much news reporters as promoters of Christian living They shape their material to highlight who Jesus is and how to live according to his teaching and example This work presumes neither religious faith nor lack of faith its aim is to inform and to stimulate some fundamental questions as well as to give the readers portraits as synthetic balance to the vital work of analysis At best this book should be read with a copy of the New Testament at hand to answer questions and to challenge the assertions of reader and author *Portraits of Jesus Christ*, 1867* **Portraits of Jesus** Robert Imperato, 2022-09-01 This is an introduction to the New Testament portrayals of Jesus of Nazareth Analysis of editorial emphases by each author gives access to the ways Jesus is characterized This is an introductory guide to the ways Jesus is depicted in the New Testament Both college students and the general reader will find here a variety of New Testament understandings of Jesus that are rooted in critical reading of the four Gospels and Pauline letters Underlining these particular portrayals is the historical Jesus a prophet mighty in word and deed who challenged the people running the Temple state This new addition gives attention to his historical context and adds to a realistic understanding of this most studied book and person This work presumes neither religious faith nor lack of faith its aim is to inform and to give the readers portraits as synthetic balance to the vital work of analysis Ideally this book should be read with a copy of the New Testament at hand to answer questions and to test the assertions of reader and author *Face to Face* Robin Margaret Jensen, Examining how God and eventually Christ are portrayed in early Christian art Jensen explores questions of the relationship between art and theology conflicts over idolatry and iconography and how the Christological controversies affected the portrayals of Christ Since much of this art comes from ancient Rome she places her analysis in the context of the history of Roman portraiture One hundred photographs enhance the discussion Portraits of God Allan Coppedge, 2009-09-20 What is God like Answering this is the great quest of human existence Because God is so different from us we struggle to describe him While doctrinal statements about God certainly have their place in Christian understanding the Bible more often uses God's actions and roles to help us know him better Indeed some of the most helpful insights in Scripture arise when God is compared to something else a rock an eagle or a tower And many human metaphors metaphors taken from the world of actions and relationships bring us even closer to understanding of God In *Portraits of God* Allan Coppedge suggests we look carefully at God as our Father Redeemer King Judge Priest and Creator These portraits taken together give us an understanding of the Holy One for which no single category is adequate These images work their way through the whole of Scripture They are the doorway allowing us into the mysteries of God's very being In *Portraits of God*

Coppedge offers a comprehensive survey picturing a God who wants to be known personally and who has profoundly communicated himself. Coppedge finds the inexhaustible nature of God to be one of holiness reflected in and best described by the language of diverse roles. Approaching God in this way transforms us as churches and individuals to reflect God's own holy character. This is a book for students, pastors, and churchgoers alike. Anyone desiring to know more deeply and wholly the Christian God revealed in the Bible will find in *Portraits of God* a treasure of scholarship and truth. *Portraits of Christ* Gordon J. Keddie, David G. Whitla, 2020-07-14

Four Portraits, One Jesus Mark L. Strauss, 2011-03-01 To Christians worldwide the man Jesus of Nazareth is the centerpiece of history, the object of faith, hope, and worship. Even those who do not follow him admit the vast influence of his life. For anyone interested in knowing more about Jesus, study of the four biblical Gospels is essential. *Four Portraits, One Jesus* is a thorough yet accessible introduction to these documents and their subject: the life and person of Jesus. Like different artists rendering the same subject using different styles and points of view, the Gospels paint four highly distinctive portraits of the same remarkable Jesus. With clarity and insight, Mark Strauss illuminates these four books, first addressing their nature, origin, methods for study, and historical, religious, and cultural backgrounds. He then moves on to closer study of each narrative and its contribution to our understanding of Jesus, investigating things such as plot, characters, and theme. Finally, he pulls it all together with a detailed examination of what the Gospels teach about Jesus' ministry, message, death, and resurrection, with excursions into the quest for the historical Jesus and the historical reliability of the Gospels.

Portraits of Jesus in the Gospel of John Craig R. Koester, 2019 John's Gospel is best known for its presentation of Jesus as the Word of God made flesh. But as the narrative unfolds, readers discover that the identity of Jesus is surprisingly complex. He is depicted as a teacher, a healer, a prophet, and Messiah. He is Jewish and Galilean, a human being who is Son of Man and Son of God. *Portraits of Jesus* considers each of these roles in detail, showing how each makes a distinctive contribution to the Gospel's rich mosaic of images for Jesus. John's multifaceted portrait of Jesus draws on a broad spectrum of early Christian traditions. Contributors to this collection of essays explore the ways in which these traditions are both preserved and transformed in the Fourth Gospel. The writers draw us more deeply into the questions of the way in which traditions about Jesus developed in the early church and how the Gospel of John might contribute to our understanding of that dynamic process.

Getting the books **Portraits Of Jesus** now is not type of challenging means. You could not forlorn going in the same way as ebook accrual or library or borrowing from your friends to gate them. This is an certainly simple means to specifically get lead by on-line. This online notice Portraits Of Jesus can be one of the options to accompany you similar to having new time.

Portraits Of Jesus Introduction

In today's digital age, the availability of Portraits Of Jesus books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Portraits Of Jesus books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Portraits Of Jesus books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Portraits Of Jesus versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Portraits Of Jesus books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Portraits Of Jesus books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Portraits Of Jesus books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Portraits Of Jesus books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Portraits Of Jesus books and manuals for download and embark on your journey of knowledge?
