R. S. O'Loughlin, H. F. Montgomery, Charles Dwyer, 1915 On Behalf of God Bruce R. Reichenbach, Victor Elving Anderson, 1995 A comprehensive and useful discussion of Christian ethics applied to a variety of difficult and timely issues is no simple task but Reichenbach and Anderson have risen to it They have provided a book that is a great starting place for further consideration of topics such as the environment assisted reproduction abortion surrogacy the human genome the pursuit of knowledge the brain mind issue and human sexuality Their treatment of these issues is integrated by the adoption of a biblically based paradigm from Genesis filling ruling over and caring for This is a book packed with information suggestions and challenges Richard Bube Stanford University An important book for the Christian community The authors have rescued creation from the polemical battlefield it has become for too many Christians and have applied God's creation ordinances to some of the pressing practical issues of our time Their approach is wide ranging and novel getting us away from the tired debates about conservatives and liberals On Behalf of God may provide the fresh look at ethics that is badly missing in entrenched Christian circles I believe we may look back ten years from now and see this book as a watershed for Christian witness in the real world R J Berry University College London A Communion of Love Jordan Stone, 2019-03-05 Few figures in church history that died before the age of thirty have left such a lasting legacy as Robert Murray M Cheyne 1813-43 His name is virtually synonymous with the pursuit of personal holiness M Cheyne was a living testimony to Scripture's command to let no one despise you for your youth but set the believers an example in speech in conduct in love in faith in purity 1 Tim 4:12 His ardent praying preaching and progress in godliness continue to captivate countless Christians around the world The model of piety found in M Cheyne's life and ministry provides needed encouragement for properly understanding biblical spirituality What was the main fuel of his spirituality Love for Jesus Christ In A Communion of Love Jordan Stone argues that rightly understanding M Cheyne's spirituality must begin with the fundamental issue of why he pursued the means of grace as he did before reckoning with how he used those means Such a reorientation reveals that loving communion with Christ was the all-consuming driving force for M Cheyne's vision of the Christian life
