Revelation Proclaiming A Vision Of Hope:

Revelation Wilfrid J. Harrington, 1994 This commentary by noted Dominican scripture scholar Fr Wilfrid Harrington explains apocalyptic thought in a way that anyone can understand showing how this difficult concept has meaning for today The meaning of all symbols the beasts the dragons the seven seals the elders the lamb fall into place The Army Chaplaincy, 1996 Seeking Spiritual Growth Through the Bible Wilfrid J. Harrington, 2002 In looking to the Bible's witness this book offers readers a spirituality that is understood as faith lived in love and sustained by hope The Wayfinding Bible NLT Tyndale, Tyndale House Publishers Staff, 2013-10 ECPA 2014 Christian Book Award Finalist What if you had a trusted friend to guide you through God's Word every day Whether you want a fast overview of the grand story of the Bible or a deeper exploration of the riches of Scripture The Wayfinding Bible is that guide With an innovative full color visual guide at the top of each reading The Wayfinding Bible provides you with three paths through God's Word the Fly Over Route the Direct Route and the Scenic Route Following the Fly Over Route you'll cover the most important events in the Bible in just 40 readings giving you a fresh overview of how these events tell the story of God's redemption Following the Direct Route's 200 readings you'll develop a better understanding of how God's story develops through history Following the Scenic Route you'll explore new territory while discovering a richness and depth in God's Word that you've not seen before All without the discouragement of getting bogged down in any single book Whether you are encountering the Bible for the first time or simply looking for a new journey through Scripture you will always know where you are and where you're going in God's Word Just choose your route and prepare yourself for life-changing experiences with God Special features Getting Your Bearings These 8 two-page articles occur at major turning points of Scripture and help the reader stay on track Side Trips Explore a known concept in greater depth or read about a topic for the first time Scenic Overlooks Stunning visuals including maps photos infographics and charts that aid in understanding the Bible text The Wayfinding Bible uses the clear and understandable New Living Translation text **The Catholic Biblical Quarterly** Wendell Stephen Reilly, 1995 Includes various reports of the Association **Hope for the Earth** Ernst M. Conradie, 2005-05-18 Hope for the Earth explores the viability of an eschatological approach to an ecological theology spirituality and praxis in the South African context The basic intuition of such an eschatological approach is that an environmental praxis can only be empowered on the basis of an adequate understanding of Christian hope Despair in the face of environmental destruction will inevitably lead to a spirit of resignation Where then can a vision of hope that includes hope for the earth be found The author proposes a road map for eschatology based on the observation that eschatology has traditionally responded to three aspects of the human predicament namely 1 the evil effects of sin 2 the problem of finitude and transience and 3 the limitations of human power and knowledge in space Part A This analysis is used to fathom the depths of despair as a result of environmental destruction Part B The Biblical roots and subsequent history of Christian eschatology are discussed briefly Part C Recent contributions in

Christian eschatology ecological theology cosmology and South African expressions of hope are explored in depth in search of a vision of hope that includes hope for the earth itself Part D The eschatological road map is used to develop a vision of hope for the earth on the basis of a theology of life life amidst death and destruction life beyond death and eternal life in the presence of God Part E Finally the implications of this vision for an ecological ethos spirituality and praxis in the South African context are indicated Part F
