His Word 7 Year Work Biblical Roots by Former Skeptic , **Biblical Theology: Old Testament** Chester Lehman,2018-11-30 **Hints to Husbands: A Revelation of the Man-Midwife's Mysteries** George Morant,2019-12-20

In *Hints to Husbands A Revelation of the Man Midwife s Mysteries* George Morant presents a provocative exploration of the inner workings of obstetrics from the perspective of a man midwife a role often contested in 18th century medical practice Written in an accessible yet erudite prose the book melds anecdotal narratives with practical advice aiming to demystify childbirth for expectant fathers during a time when gender norms were rigidly defined Morant s work stands out for its candid discussion of the societal taboos surrounding male involvement in childbirth making it a significant commentary on the intersection of gender and medicine in his era George Morant a trained medical practitioner and an early advocate for alternative birthing practices drew from his own experiences within the medical community His motivations can be traced to a growing awareness of the need for inclusive practices in childbirth which often marginalized male figures despite their potential contributions to maternal care Morant s insights reflect a progressive viewpoint that not only sought to educate but also to elevate the discourse on male participation in maternity care This book is essential reading for anyone interested in the history of medicine gender studies or the evolution of obstetrics Morant s unique perspective invites readers to reconsider outdated perceptions of masculinity and childbirth making it a must read for modern audiences seeking to understand the complexities of paternal roles in pregnancy

Marriage à la mode Mrs. Humphry Ward,2019-12-04 In *Marriage la mode* Mrs Humphry Ward artfully navigates the intricate landscape of marital relationships during the late Victorian era Through her keen observant prose she delves into societal expectations

love and the paradoxes inherent in romantic unions Ward employs a finely tuned narrative style interspersing psychological depth with sharp social commentary creating a vivid tableau of her characters whose lives reflect the tensions between individual desire and social convention The novel's exploration of these themes places it within the broader context of realist literature akin to contemporaries such as Thomas Hardy or George Eliot yet it stands apart through its nuanced depiction of women's inner lives and conflicts in a male dominated society Mrs Humphry Ward a prominent figure in English literature and an advocate for women's education and rights infuses her narrative with personal conviction and insight Coming from a family deeply engaged in literary and social issues Ward's experiences and intellectual environment shaped her understanding of marriage and gender dynamics Her observations of the friction between traditional roles and the emerging modernity of her time lend authenticity to the relationships portrayed in the novel *Marriage à la mode* is a compelling read for those interested in the evolution of romantic literature and the exploration of gender roles Ward's eloquent prose and profound insights challenge readers to reflect on the enduring complexities of love and partnership This novel not only entertains but also invites critical contemplation making it a significant contribution to both literary and feminist discourses
