## **Revolutions Of The Heart Gender Power And The Delusions Of Love:**

*Revolutions of the Heart* Wendy Langford, 2013-01-11 This book looks at how heterosexual relationships really work Author argues that the process of falling in love is just a brief holiday from the gender roles which quickly reassert themselves in their old forms Topics covered include romantic love the problem of desire and the trouble with love The Radicalism of Romantic Love Renata Grossi, David West, 2017-03-31 Undoubtedly Romantic love has come to saturate our culture and is often considered to be a or even the major existential goal of our lives capable of providing us with both our sense of worth and way of being in the world The Radicalism of Romantic Love interrogates the purported radicalism of Romantic love from philosophical cultural and psychoanalytic perspectives exploring whether it is a subversive force capable of breaking down entrenched social political and cultural norms and structures or whether in spite of its role in the fight against certain barriers it is in fact a highly conservative impulse Exploring both the grounds for the central place of Romantic love in contemporary lives and the meaning extent and nature of its supposed radicalism this volume considers love from a variety of theoretical perspectives with attention to matters of gender sexuality class and ethnicity With authors examining a range of questions including the role of love in the same sex marriage debate polyamory and the notion of love as a political force The Radicalism of Romantic Love illuminates a fundamental but perplexing aspect of our contemporary lives and will appeal to scholars across the social sciences and humanities with interests in the emotions and love as a social and political phenomenon The Social Psychology of Gender Laurie A. Rudman, Peter Glick, 2012-08-22 Gender relations are rife with contradictions and complexities Exploring the full range of gender issues this book offers a fresh perspective on everyday experiences of gender the explicit and implicit attitudes that underlie beliefs about gender differences and the consequences for our thoughts feelings and behavior Many real world examples illustrate how the unique interdependence of men and women coupled with pervasive power imbalances shapes interactions in romantic relationships and the workplace In the process the authors shed new light on the challenges facing those who strive for gender parity This ideal student text takes readers to the cutting edge of gender theory and research *Popular Iranian Cinema before the Revolution* Pedram Partovi, 2017-07-14 Critics and academics have generally dismissed the commercial productions of the late Pahlavi era best known for their songs and melodramatic plots as shallow derivative entertainment Instead they have concentrated on the more recent internationally acclaimed art films claiming that these constitute Iranian national cinema despite few Iranians having seen them Film discourse and even fan talk have long attempted to marginalize the mainstream releases of the 1960s and 1970s with the moniker filmfarsi ironically asserting that such popular favorites were culturally inauthentic This book challenges the idea that filmfarsi is detached from the past and present of Iranians Far from being escapist Hollywood fare merely translated into Persian it claims that the better films of this supposed genre must be taken as both a subject of and source for modern Iranian history It argues that they have an appeal that relies on their ability to rearticulate traditional

courtly and religious ideas and forms to problematize in unexpectedly complex and sophisticated ways the modernist agenda that secular nationalist elites wished to impose on their viewers Taken seriously these films raise questions about standard treatments of Iran's modern history By writing popular films into Iranian history this book advocates both a fresh approach to the study of Iranian cinema as well as a rethinking of the modernity tradition binary that has organized the historiography of the recent past It will appeal to those interested in Iranian cinema Iranian history and culture and more broadly readers dissatisfied with a dichotomous approach to modernity

**Gender** Stevi Jackson, Sue Scott, 2002 Offering students an informed overview of some of the most significant sociological work on gender produced over the last three decades these readings are supplemented by a substantial critical introduction and editorial commentary

Reinventing Love Mona Chollet, 2024-07-02 A new work by the author of *In Defense of Witches* that seeks to redefine heterosexual relationships and give women back their voice As feminist principles have taken wider hold in society and basic ideas about equality for women can seem a given many women still struggle in one of the most important areas of life love Whether it's finding a partner seeking a commitment from one or struggling in a relationship that is unfulfilling or even potentially abusive women still find that deeply engrained notions of gender and behavior can be obstacles to a healthy loving relationship In her new book acclaimed French feminist Mona Chollet tackles some of these long held and pervasive ideas that remain stumbling blocks for many women in heterosexual relationships Drawing from popular culture politics and literature *Reinventing Love* provides a provocative accessible look at how heterosexual relationships can improve and evolve under a feminist lens

**International Handbook of Love** Claude-Hélène Mayer, Elisabeth Vanderheiden, 2021-05-04 This handbook is the winner of the William B Gudykunst Award for Outstanding Book in 2023 given by the International Academy of Intercultural Research This handbook includes state of the art research on love in classical modern and postmodern perspectives It expands on previous literature and explores topics around love from new cultural intercultural and transcultural approaches and across disciplines It provides insights into various love concepts like romantic love agape and eros in their cultural embeddedness and their changes and developments in specific cultural contexts It also includes discussions on postmodern aspects with regard to love and love relationships such as digitalisation globalisation and the fourth industrial revolution The handbook covers a vast range of topics in relation to love aging health special needs sexual preferences spiritual practice subcultures family and other relationships and so on The chapters look at love not only in terms of the universal concept and in private intimate relationships but apply a broad concept of love which can also for example be referred to in postmodern workplaces This volume is of interest to a wide readership including researchers practitioners and students of the social sciences humanities and behavioural sciences In the 1970s through the 90s I was told that globalization was homogenizing cultures into a worldwide monoculture This volume as risky and profound as the many adventures of love across our multiplying cultures are proves otherwise The authors revolutionary and courageous work will challenge our sensibilities and

expand the boundaries of what we understand what love is But that s what love does It communicates what is offers what can be and pleads for what must be I know you ll enjoy this wonderful book as much as I do Jeffrey Ady Associate Professor retired Public Administration Program University of Hawaii at Manoa Founding Fellow International Academy for Intercultural Research The International Handbook of Love is far more than a traditional compendium It is a breath taking attempt to synthesize our anthropological and sociological knowledge on love It illuminates topics as diverse as Chinese love one night stands teen romance or love of leaders and many more This is a definitive reference in the field of love studies Eva Illouz author of The End of Love A sociology of Negative relationships Oxford University Press This is not a volume to be read in a single sitting though I almost did due to a protracted hospital stay nor is it romantic or inspirational reading though in some cases I had hoped for more narrative examples and case studies Rather it is a highly diverse scholarly effort a massive resource collection of research papers on love in a variety of contexts personal and professional settings and cultures The work is well referenced providing a large number of resources for deeper exploration We owe our thanks to the authors and editors of this handbook for work well done though that word in the title should not lead readers to suspect that enlightening as it is this book is a vade mecum or practical tour guide that provides ready solutions to the vicissitudes and challenges of our love lives Reviewed by Dr George F Simons on amazon com Please see Claude H l ne Mayer s interview related to the handbook in LeanHealth Talks published by Bernadette Bruckner <https://www.youtube.com/watch?v=yVNXA9sWuWo> Please see Claude H l ne Mayer s interview related to the handbook published In Iran News Daily <https://newspaper.irandaily.ir/nid/6941/pid/6/type/0>

**Looking for Love in the Legal Discourse of Marriage** Renata Grossi,2014-09-01 This book examines the in visibility of romantic love in the legal discourse surrounding modern Australian marriage It looks at how romantic love has become a core part of modernity and a dominant part of the Western marriage discourse and considers how the ideologies of romantic love are or are not replicated in the legal meaning of marriage This examination raises two key issues If love has become central to people s understanding of marriage then it is important for the legitimacy of law that love is reflected in both the content and application of the law More fundamentally it requires us to reconsider how we understand law and to ask whether it is engaged with emotions or separate from them Along the way this book also considers the meaning of love itself in contemporary society and asks whether love is a radical force capable of breaking down conservative meanings embedded in institutions like marriage or whether it simply mirrors them This book will be of interest to everyone working on love marriage and sexuality in the disciplines of law sociology and philosophy

**Love, Heterosexuality and Society** Paul Johnson,2007-04-11 Heterosexuality is a largely silent set of practices and identities it is assumed to be everywhere and yet often remains unnamed and unexplored Despite recent changes in the theoretical understanding and representation of sexuality heterosexuality continues to be socially normative Forging a new agenda for the study of heterosexuality this in depth volume the first research monograph to focus on heterosexuality and society

presents an empirical study of the construction negotiation and enactment of heterosexual sexuality Using detailed interview data it investigates how heterosexuality as both an identity and a set of practices is accomplished through love relationships Rather than assuming that romantic love is an outcome or expression of a pre defined sexuality Johnson explores how sexuality is brought to life through love Situated in the ongoing theoretical debates concerning the relationship between gender and sexuality Paul Johnson s book shows how ways of loving are interwoven with the construction practice regulation and government of heterosexuality Excellently written this important book also looks at gender in society and explores such areas as heterosexual subjectivities and the borders of desire As such the research it contains will be valuable for all students of sociology and gender studies

*In the Name of Love* Heather Fraser,2008-10-07 Although love is the hallmark of humanity it is not widely discussed in social work and other related professions with respect to its potential connection to abuse In this groundbreaking book the author argues that while love and abuse should not co exist they often do Using a feminist narrative approach stories about love abuse and social work are told with the purpose of understanding domestic violence and other forms of abuse Based on interviews with 84 women of varying ages in Canada and Australia the author shows how the pain and shame of intimate abuse can leave its mark on the bodies minds and souls of victims survivors long after abusive episodes have ended Additionally Fraser also discusses the importance of hope enlightened witnesses income support and educational opportunities for women who refuse to renounce love relationships altogether but are instead trying to foster relationships that are respectful as well as erotic

The English in Love Claire Langhamer,2013-08-22 Love has a history It has meant different things to different people at different moments and has served different purposes This book tells the story of love at a crucial point a moment when the emotional landscape changed dramatically for large numbers of people It is a story based in England but informed by America and covers the period from the end of the First World War until the break up of The Beatles To the casual observer this era was a golden age of marriage More people married than ever before They did so at increasingly younger ages And there was a revolution in our idea of what marriage meant Pragmatic notions of marriage as institution were superseded by the more romantic ideal of a relationship based upon individual emotional commitment love sex and personal fulfilment And yet this new idea of marriage based on a belief in the transformative power of love and emotion carried within it the seeds of its own destruction Romantic love particularly when tied to sexual satisfaction ultimately proved an unreliable foundation upon which to build marriages fatally it had the potential to evaporate over time and under pressure Scratching beneath the surface of the apparent golden age of marriage Claire Langhamer uncovers the real story of love in the twentieth century via the recollections of ordinary people who lived through the period It is a tale of quiet emotional instability persistent subversion and unsettling change At its end the idea of life long marriage was in serious decline And as Langhamer shows this was a decline directly rooted in the contradictions and tensions that lay at the heart of the emotional revolution itself

**Love and Intimacy in Online Cross-Cultural**

**Relationships** Wilasinee Pananakhonsab, 2016-11-16 This book challenges assumptions about the motivations that drive women from relatively poor developing countries to use intermarriage dating sites to find partners from relatively wealthy developed countries. It is generally assumed that economic deprivation or economic opportunities are the main factors but this book instead focuses on the work of women's imagination in online cross cultural relationships including the role of desire, love and intimacy. The experiences of Thai women are used to explore how they initiate, develop and maintain love and intimacy with Western men across distance and time. The book shows that in the absence of opportunities to search and meet partners from geographically distant parts of the world, the technology of the internet offers new ways of searching for and managing relationships and has significant consequences for local experiences and expectations of love and partnering. The book will be of interest to scholars and students with an interest in family and intimate life, gender and sexualities, Asian and Thai studies, globalization and nationalism, culture and media, sociology and anthropology. *Love in Africa* Jennifer Cole, Lynn M. Thomas, 2009-08-01 In recent years, scholarly interest in love has flourished. Historians have addressed the rise of romantic love and marriage in Europe and the United States while anthropologists have explored the ways globalization has reshaped local ideas about those same topics. Yet love in Africa has been peculiarly ignored, resulting in a serious lack of understanding about this vital element of social life, a glaring omission given the intense focus on sexuality in Africa in the wake of HIV/AIDS. *Love in Africa* seeks both to understand this failure to consider love and to begin to correct it. In a substantive introduction and eight essays that examine a variety of countries and range in time from the 1930s to the present, the contributors collectively argue for the importance of paying attention to the many different cultural and historical strands that constitute love in Africa. Covering such diverse topics as the reception of Bollywood movies in 1950s Zanzibar, the effects of a Mexican telenovela on young people's ideas about courtship in Niger, the models of romance promoted by South African and Kenyan magazines, and the complex relationship between love and money in Madagascar and South Africa, *Love in Africa* is a vivid and compelling look at love's role in African society. *The Novels of Josefina Aldecoa* Nuala Kenny, 2012 The first comprehensive analysis of the novels of prominent contemporary Spanish writer and educator Josefina Aldecoa. Josefina Aldecoa, in her treatment of themes such as a woman's place in society under and after dictatorship, mother-daughter relationships, war, and memory, confirmed her unique role as a contemporary novelist concerned with women's identity in Spain and as a writer of the mid-century generation. *Los niños de la guerra*, the first volume of her trilogy *Historia de una maestra*, was one of the earliest narratives of historical memory to be produced in Spain. In this sense, Aldecoa's work anticipated new developments in gender studies such as the intersection of feminist concerns and cultural memory. This book offers a comprehensive examination of Aldecoa's trajectory as a novelist from *La enredadera* to *Hermanas*, centring on her primary preoccupations of gender and memory, arguing that Aldecoa's fiction offers a new, more complex understanding of women's identity than previously understood. The work combines the two dominating theoretical components of feminism and

cultural memory with close textual analysis of Aldecoa's narratives. Her novels highlight the importance of the details of women's daily experiences and struggles throughout the twentieth century, a period of significant socio-political upheaval and change in Spain's history. NUALA KENNY teaches Spanish at the National University of Maynooth, Ireland.

*Brazilian Geography* Rubén C. Lois González, Marco Antonio Mitidiero Junior, 2022-11-28 This book presents the history and theoretical contributions of Brazilian geography since the late twentieth century and shows how this sphere of knowledge has been organically integrated with social and territorial issues and with social movements. The relationship between the subjects and objects of research in Brazilian geography has been centred on the understanding and transformation of realities marked by injustice and inequality. Against this backdrop, the geography of the country has developed by integrating relating to and forming part of those realities as it headed out into the streets. Brazilian geography continues to hold theoretical debate in high regard as a result of the influence of critical theory. This book thus covers the theoretical approaches in Brazilian geography, its different lines of research and, above all, its character as manifested in culture and society.

*Feminism and the Power of Love* Adriana García-Andrade, Lena Gunnarsson, Anna Jónasdóttir, 2018-04-17 The power of love has become a renewed matter of feminist and non-feminist attention in the 21st century's theory debates. What is this power? Is it a form of domination? Or is it a liberating force in our contemporary societies? Within *Feminism and the Power of Love* lies the central argument that although love is a crucial site of gendered power asymmetries, it is also a vital source of human empowerment that we cannot live without. Instead of emphasizing either/or, this enlightening title puts the dualities and contradictions of love center stage. Indeed, by offering various theoretical perspectives on what makes love such a central value and motivator for people, this title will increase one's understanding as to why love can keep people in its grip even when practiced in ways that deplete and oppress. In light of such analyses, the contributions within *Feminism and the Power of Love* present new perspectives on the conditions and characteristics of non-oppressive, mutually enhancing ways of loving. Bridging the gap between Feminist Affect Studies and Feminist Love Studies, this book will appeal to undergraduate and postgraduate students, including postdoctoral researchers, interested in fields such as women's and gender studies, sociology, political science, philosophy, cultural studies, and sexuality studies.

**Engendering Emotions** A. Petersen, 2004-10-11 *Engendering Emotions* examines the production and promotion of the idea of sex/gender difference in emotional experience and expression in the contemporary West. Focusing on the psychology of emotions and on the spheres of aggression and war and love, intimacy and sex, it explores how the idea of emotional difference serves to define and govern relations between men and women. The book draws on diverse theoretical work and recent empirical data to chart new territory in the study of sex/gender differences.

**Wife, Inc.** Suzanne Leonard, 2020-05-01 A fascinating look at the changing role of wives in modern America. After a half-century of battling for gender equality, women have been freed from the necessity of securing a husband for economic stability, sexual fulfillment, or procreation. Marriage is a choice, and increasingly, women and men are opting out.

Yet despite these changes the cultural power of marriage has burgeoned What was once an obligation has become an exclusive club into which heterosexual women with the right amount of self discipline may win entry The newly exalted professionalized wife is no longer reliant on her husband s status or money instead she can wield her own power provided she can successfully manage the business of being a wife Wife Inc tells a fiercely contemporary story revealing that today s wives do not labor in kitchens or even homes Instead the work of wifedom occurs in online dating sites on reality television in social media and on the campaign trail Dating marital commitment and married life have been reconfigured No longer the stuff of marriage vows these realms are now controlled by brand management and marketability To prosper women must appear confident empowered and sexually savvy Guiding readers through the stages of the wife cycle Suzanne Leonard follows women as they date prepare to wed and toil as wives using examples from popular television film and literature as well as mass market news women s magazines new media and advice culture The first major study to focus on this new definition of working wives Wife Inc reveals how marriage occupies a newly professionalized role in the lives of American women Being a wife is a business that takes a lot more than a vow to maintain this book tells that story

**Age-Dissimilar Couples and Romantic Relationships** L. McKenzie, 2015-03-23 There has been a widespread fascination with age dissimilar couples in recent years This book examines how the romantic relationships of these couples are understood Based on qualitative research McKenzie investigates notions of autonomy relatedness contradiction and change in age dissimilar relationships and romantic love

**Online Matchmaking** M. Whitty, A. Baker, J. Inman, 2007-03-14 Online Matchmaking examines the joys fears and disappointments of hooking up with people in cyberspace Unlike many other books in the field this collection includes studies by experts from a range of disciplines including Communications Cultural Studies Health Journalism Psychology Rhetoric and Sociology

### **Revolutions Of The Heart Gender Power And The Delusions Of Love Introduction**

In today's digital age, the availability of *Revolutions Of The Heart Gender Power And The Delusions Of Love* books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of *Revolutions Of The Heart Gender Power And The Delusions Of Love* books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of *Revolutions Of The Heart Gender Power And The Delusions Of Love* books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing *Revolutions Of The Heart Gender Power And The Delusions Of Love* versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, *Revolutions Of The Heart Gender Power And The Delusions Of Love* books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing *Revolutions Of The Heart Gender Power And The Delusions Of Love* books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another

popular platform for Revolutions Of The Heart Gender Power And The Delusions Of Love books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Revolutions Of The Heart Gender Power And The Delusions Of Love books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Revolutions Of The Heart Gender Power And The Delusions Of Love books and manuals for download and embark on your journey of knowledge?

### **FAQs About Revolutions Of The Heart Gender Power And The Delusions Of Love Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Revolutions Of The Heart Gender Power And The Delusions Of Love is one of the best book in our library for free trial. We provide copy of Revolutions Of The Heart Gender Power And The Delusions Of Love in digital format, so the resources that you find are reliable. There are also

many Ebooks of related with Revolutions Of The Heart Gender Power And The Delusions Of Love. Where to download Revolutions Of The Heart Gender Power And The Delusions Of Love online for free? Are you looking for Revolutions Of The Heart Gender Power And The Delusions Of Love PDF? This is definitely going to save you time and cash in something you should think about.
