BLESSED! Rape to Redemption to Rewards Suzanne L

Maurer,Kristin P Snyder,2024-05-25 BLESSED From Rape to Redemption to Rewards reveals the tragedies of Suzanne s date rape in 1960 pregnancy and forced marriage Her agony is clear as is the impact on her family She also shows the inevitable but heart breaking difficulties of the forced marriage and the resulting divorce But God Suzanne explains and shows how God was working in her life even before she became a believer Through a freak accident and a sister living in Hawaii God moved Suzanne where she met her husband of now more than 55 years and built a wonderful family Blessings abounded And then God God then redeemed the son conceived by date rape using basketball as His tool This is a gripping story all by itself Suzanne s next encounter with Almighty God s amazing grace was His using her son to lead her to Christ The son conceived by date rape was instrumental in her own redemption Suzanne explains how she grew in the Lord and shows readers how they themselves can mature spiritually The Bible and prayer are fundamental keys as are other disciplines she learned She shows how Thrilling stories of the joy and results of sharing and serving the Lord follow Come see the Lord at work Now at 82 Suzanne has ALS Lou Gehrig s disease This horrible disease to most would be a tragedy But Suzanne an ordinary Christian is not a normal ALS patient She shows us all how to joyfully live in illness and how she has new opportunities to serve the Lord God turned horrors into blessing Join her for her journey of living out HOPE Helping Others Prepare for Eternity

The Student's Advantage - Parents' Guide Wyne Ince,Jessi

Hoffman,2012-06-21 Dear Parent This guide will explain what you can expect from the book how it is structured and the

educational principles on which it is based It will also walk you through the book s major components and how to implement them As the parent you will need to provide certain things for your teen or preteen to gain the book s full value The Parent s Role in Fostering Good Studentship Every conscientious parent wants their child to do well in school but not all parents know how to make that happen They tell their child to study hard and to take school seriously but that usually isn t enough They then may resort to nagging scolding or threatening which only makes things worse Many loving parents had trouble in school themselves and really don t know the solution to their child s problems Kids need three things to turn around a losing streak in the classroom 1 They need to be motivated to be given reasons why they should study and work hard 2 They need to be shown that they can be successful if they do this 3 And they need to be shown how to do it what studying and working hard in school actually means This book will address all three issues But by itself it is only a book a bunch of information buried between two pieces of cardboard To get the knowledge out of the book and into the head and heart of your student a facilitator is needed That facilitator is you Or it could be another adult whom your child respects acting in the role of a mentor The Student s Advantage Your Guide to Getting the Most out of School and Creating a Fabulous Future will empower students who have been struggling in middle and high school to maximize their capabilities and will inspire good students to transform themselves into great students All too often students do not really understand why they need to learn With US academic performance in decline particularly in science and math the time has come to tackle the question of why students are not doing better and to emphasize to students the why of learning making clear to them how education will affect their adult lives The Student s Advantage Your Guide to Getting the Most out of School and Creating a Fabulous Future is a practical guide that will motivate middle and high school students by providing a vital understanding of the keys to succeeding in school the importance of investigating potential career interests and the need to take an active role in preparing for the years ahead The Student s Advantage demonstrates through dramatic examples the indisputable power of motivation and commitment The Student s Advantage is not exclusively a goal setting workbook merely a manual of study habits or just a career search guidebook It draws together all of these crucial areas in a highly interactive and engaging manner yet remains a straightforward reference that will inspire and motivate The Student s Advantage aims to give students momentum on the road to academic success Each comprehensive chapter is easily referenced with the Student s Success Roadmap offering corresponding exercises Practical devices like the Seven Learning Secrets and overviews of various careers are presented in a candid and accessible fashion Thanks **General Patterns** Patti Carson,Anamary Slawter,Janet Delloso,1984-05 [Music for Little Mozarts: Christmas Fun Book 1](#) Christine H.
