Rewarding Service A History Of The Government Superannuation Fund:

Rewarding Service Neill Atkinson,2002 This book traces the history of public service superannuation in New Zealand beginning with its colonial era implementation Appendices list GSF superintendents and CEO s superannuation board members and a graph of contributions and beneficiaries Graphs charts and black and white photographs supplement the brief narrative *The New Zealand Journal of History*,2002 **Control Your Own Super Fund** Paul Clitheroe,2014-01-02 Your superannuation is one of the biggest assets many of us will ever own and it will play a critical role in our future plans But do you know enough about your super and are you in control of your investment Control Your Own Super Fund enables you to take control of your financial future Expert adviser Paul Clitheroe breaks through the confusion and changing laws of superannuation and provides advice on how to get the most from your investment He tackles all the common questions on super how much you ll need what strategies exist to create it and what super choices are available and shares all you need to know about starting your own super fund Is DIY super right for you What are the steps and costs involved in setting up your own fund What rules and regulations do you need to meet to stay within the law What investments strategies can you follow to optimise your super How do you improve your after tax outcome More and more Australians each year are opting to manage their own superannuation Control Your Own Super Fund is essential reading for anyone contemplating DIY super

Routledge Library Editions: The History of Crime and Punishment Various Authors,2022-07-30 This set reissues ten books that explore the history of crime and punishment The titles which were originally published between 1970 and 1988 examine many different aspects of historical criminology over a span of over 400 years with particular focus on the nineteenth century This set will be of particular interest to students of both history and criminology Rats and Revolutionaries' James Bennett,2004 Normally historians do not consider Australia and New Zealand as having a common experience but Bennett U of Auckland takes careful note of the labour movement that took hold of both countries for about 50 years beginning in the 1890s He explains how labour organising became a multinational entity as groups from both countries supported each other s strikes followed each other s efforts in arbitration and used each other s experiences in organisation to move toward progress in unionisation Bennett examines the large number of separate groups that appeared to keep a close eye on each other as the world moved toward the Depression and on to the Second World War events that substantially changed the labour movements in both countries **More Than Law and Order** Susan Butterworth,2005 New Zealand police had a challenging task in the second half of the twentieth century Society was changing rapidly with growing urbanization increasing multi culturalism and changes in gender roles as well as a growth in crime and rising public dissent Keeping the peace required flexibility and good organization Immediately after the World War II the police were in a sorry state They were short on resources and antiquated in their systems As a result the period covered by this book saw major change and modernization The author explores the ways in which the police have overhauled their management structure

repeatedly since the 1940s and shows how they have often struggled to position themselves within the modern public sector

Words at Work, 2006 This annotated bibliography of New Zealand trade union literature includes human resources labour studies and social history It is more complete and up to date than Bert Roth's 1970 reprinted 1977 bibliography and much of the material does not appear in Austin Bagnall's New Zealand National Bibliography Other than trade unions themselves political and union activists social historians students and book researchers will find *Words at Work* a valuable resource Even a cursory glance at the wealth of literature covering 130 years recorded here shows a broad range of diverse activity across many occupational groupings windmills that have been tilted at and often bent the indefatigable nature of worker organisation and action and the striving for progress in areas of life beyond the industrial

Reward for High Public Office Christopher Hood, B. Guy Peters, 2003-08-29 The choices made by governments about how to reward their top employees reveal a great deal about their values and their assumptions about governing This book examines rewards of high public office in seven Asian political systems a particularly rich set of cases for exploring the causes and consequences of the rewards of high public office having some of the most generous and most meagre reward packages in the world There are a range of economic political and cultural explanations for the rewards provided by governments Likewise these choices are assumed to have a number of consequences including variations in the levels of corruption and economic success *Reward for High Public Office* includes case studies focusing on Australia China Hong Kong Japan Korea New Zealand and Singapore It will interest students and researchers of politics public administration and Asian studies

Tackling Rugby Myths Greg Ryan, 2005 The All Blacks failure to win the 2003 Rugby World Cup led many devotees of the New Zealand game to question old certainties and the current direction of the national game Central to these debates has been a sense that the continuity and invincibility of New Zealand rugby has been somehow eroded mirroring similar changes within society as a whole Rugby and New Zealand identity have been bundled together for over a century with both nation and game endowed with qualities of egalitarianism innovation and rural pragmatism that have been useful on the world stage The book tackles some of the myths surrounding this image of the game disentangling assumptions from historical fact and coming up with some interesting angles on rugby's past
