Rex An Autobiography Rex Harrison:

Rex Rex Harrison, 1975 The life story of the spotty provincial boy from Liverpool who overcame a lack of classical training and went on to forge a 50 year theatrical career Harrison s dramatic perseverance through his early walk on days with the Liverpool repertory players and years on tour throughout England paved the way for West End spotlights A star of the stage since the late 30 s his move to the screen increased his popularity Although his life can be reduced to a m lange of long playing shows and shorter lived marriages Harrison s distinguished career has survived Harrison himself confesses that writing his autobiography was not as self revelatory as he d hoped an actor s life is lived too often and for too long on the surface he asserts This then is a relatively perfunctory blithely spiritless self portrait Rex Harrison Roy Moseley, Martin Masheter, 1987 **Rex Harrison** Roy Moseley, Philip Masheter, Martin Masheter, 1987 **Rex Harrison** Nicholas Wapshott, 1991 *Rex Harrison* Roy Moseley, 1987 **Fatal Charm** Alexander Walker, 2002-11-01 The classic biography of Rex Harrison one of the greatest comedy actors of his generation The Brief, Madcap Life of Kay Kendall Eve Golden, 2021-06-29 Comedic film actress Kay Kendall born to a theatrical family in Northern England came of age in London during the Blitz After starring in Britain s biggest cinematic disaster she found stardom in 1953 with her brilliant performance in the film Genevieve She scored success after success with her light comic style in movies such as Doctor in the House The Reluctant Debutante and the Gene Kelly musical Les Girls Kendall s private life was even more colorful than the plots of her films as she embarked on a series of affairs with costars directors producers and married men In 1954 she fell in love with her married Constant Husband costar Rex Harrison and accompanied him to New York where he was starring on Broadway in My Fair Lady It was there that Kendall was diagnosed with myelocytic leukemia Her life took a romantic and tragic turn as Harrison divorced his wife and married Kendall He agreed with their doctor that she was never to know of her diagnosis and for the next two years the couple lived a hectic glamorous life together as Kendall s health failed She died in London at the age of 32 with her husband by her side shortly after completing the filming of Once More with Feeling This book was written with the cooperation of Kendall s sister Kim and includes interviews with many of her costars relatives and friends A complete filmography and rare photographs complete this first ever biography of Britain s most glamorous comic star *Beyond the Epic* Gene Phillips, 2006-11-24 Two time Academy Award winner Sir David Lean 1908 1991 was one of the most prominent directors of the twentieth century responsible for the classics The Bridge on the River Kwai 1957 Lawrence of Arabia 1962 and Doctor Zhivago 1965 British born Lean asserted himself in Hollywood as a major filmmaker with his epic storytelling and panoramic visions of history but he started out as a talented film editor and director in Great Britain As a result he brought an art house mentality to blockbuster films Combining elements of biography and film criticism Beyond the Epic The Life and Films of David Lean uses screenplays and production histories to assess Lean s body of work Author Gene D Phillips interviews actors who worked with Lean and directors who knew him and their

comments reveal new details about the director's life and career Phillips also explores Lean's lesser studied films such as *The Passionate Friends* 1949 *Hobson's Choice* 1954 and *Summertime* 1955 The result is an in depth examination of the director in cultural historical and cinematic contexts Lean's approach to filmmaking was far different than that of many of his contemporaries He chose his films carefully and as a result directed only sixteen films in a period of more than forty years Those films however have become some of the landmarks of motion picture history Lean is best known for his epics but Phillips also focuses on Lean's successful adaptations of famous works of literature including retellings of plays such as *Brief Encounter* 1945 and novels such as *Great Expectations* 1946 *Oliver Twist* 1948 and *A Passage to India* 1984 From expansive studies of war and strife to some of literature's greatest high comedies and domestic dramas Lean imbued all of his films with his unique creative vision Few directors can match Lean's ability to combine narrative sweep and psychological detail and Phillips goes beyond Lean's epics to reveal this unifying characteristic in the director's body of work *Beyond the Epic* is a vital assessment of a great director's artistic process and his place in the film industry *A Damned Serious Business* Rex Harrison, 1991 *Loverly* Dominic McHugh, 2012-06-08 Few musicals have had the impact of Lerner and Loewe's timeless classic *My Fair Lady* Sitting in the middle of an era dominated by such seminal figures as Rodgers and Hammerstein Frank Loesser and Leonard Bernstein *My Fair Lady* not only enjoyed critical success similar to that of its rivals but also had by far the longest run of a Broadway musical up to that time From 1956 to 1962 its original production played without a break for 2 717 performances and the show went on to be adapted into one of the most successful movie musicals of all time in 1964 when it won eight Academy Awards Internationally the show also broke records in London and the original production toured to Russia at the height of the Cold War in an attempt to build goodwill It remains a staple of the musical theater canon today an oft staged show in national regional and high school theaters across the country Using previously unpublished documents author Dominic McHugh presents a completely new behind the scenes look at the five year creation of the show revealing the tensions and complex relationships that went into its making McHugh charts the show from the aftermath of the premiere of Shaw's *Pygmalion* and the playwright's persistent refusal to allow it to be made into a musical through to the quarrel that led lyricist Alan Jay Lerner and composer Frederick Loewe to part ways halfway through writing the show up to opening night and through to the present This book is the first to shed light on the many behind the scenes creative discussions that took place from casting decisions all the way through the final months of frantic preparation leading to the premiere in March 1956 McHugh also traces sketches for the show looking particularly at the lines cut during the rehearsal and tryout periods to demonstrate how Lerner evolved the relationship between Higgins and Eliza in such a way as to maintain the delicate balance of ambiguity that characterizes their association in the published script He looks too at the movie version and how the cast album and subsequent revivals have influenced the way in which the show has been received Overall this book explores why *My Fair Lady* continues to resonate with audiences worldwide more than fifty years after its premiere **The**
