**Interpreting the New Testament** Daniel J. Harrington, 2017-06-15 This introduction to New Testament exegesis helps readers by explaining in a simple and brief way the basic literary methods used in studying the New Testament today textual criticism translations words and motifs source criticism form criticism historical criticism redaction criticism and parallels It is a beginner's book designed to make explicit some of the procedures now used by the commentators who have had formal exegetical training [Rhetoric and the New Testament](#) Burton L. Mack, 1990 **Melchizedek Passages in the Bible** Chan Alan KamYau, 2016-04-06 Melchizedek is a mysterious figure to many people Adopting discourse analysis and text linguistic approaches Chan attempts to tackle the Melchizedek texts in Genesis 14 Psalm 110 and Hebrews 5 7 This seminal study illustrates how the mysterious figure is understood and interpreted by later biblical writers Using the blessing motif as a framework Chan also argues that Numbers 22 24 2 Samuel 7 and the Psalter Books I V especially Psalms 1 2 provide a reading paradigm of interpreting Psalm 110 In addition the structure of Hebrews provides a clue to how the author interprets the Old Testament texts **Engaging the New Testament (paper edition)** Russell Pregeant, 1997-06-01 In addition to lucid introductions to each of the New Testament writings this book offers a comprehensive survey of approaches to biblical studies historical and cultural backgrounds the historical Jesus the rise of the resurrection faith and attention to extracanonical materials 63 illustrations 3 charts 6 maps **Translating Scripture for Sound and Performance** James A. Maxey, Ernst Wendland, 2012-11-01 The various studies presented in this anthology underscore the foundational matter of translation in biblical studies as understood from the specific perspective of Biblical Performance Criticism If the assumption for the biblical messages being received is not individual silent reading then the question becomes how does this public performative mode of communication affect the translation of this biblical material Rather than respond to this in general theoretical terms most in this collection of articles offer specific applications to particular Hebrew and Greek passages of Scripture Almost all the authors have firsthand experience with the translation of biblical materials into non European languages in communities who maintain a vibrant oral tradition The premise is that the original Scriptures which were composed in and for performance are being prepared again for live audiences who will receive these sacred texts not primarily in printed form but first and foremost in community by means of oral and visual media This volume is an invitation for others to join us in researching more intensely this intersection of sound performance and translation in a contemporary communication of the Word *Inductive Bible Study* David R. Bauer, Robert A. Traina, 2011-04-01 Following up Robert Traina's classic Methodical Bible Study this book introduces the practice of inductive Bible study to a new generation of students pastors and church leaders The authors two seasoned educators with over sixty combined years of experience in the classroom offer guidance on adopting an inductive posture and provide step by step instructions on how to do inductive Bible study They engage in conversation with current hermeneutical issues setting forth well grounded principles and processes

for biblical interpretation and appropriation The process they present incorporates various methods of biblical study to help readers hear the message of the Bible on its own terms Ancient Apologetic Exegesis Stuart E Parsons, 2015-07-30 Taking a radical new approach to second century theology Ancient Apologetic Exegesis examines the work of Saint Theophilus of Antioch with a full understanding of the man and his times The second century is often dismissed by theologians despite a near living memory of Jesus and his apostles from only a generation or two prior but Stuart E Parsons shows that a distinctive biblical exegesis was used by those second century apologists who challenged Greco Roman pagan religionists Current literature misunderstands second century exegetical approaches but by looking behind anachronistic views of ancient genre literacy and rhetoric we can rediscover a forgotten form of early Christian exegesis *Documents and Images for the Study of Paul* Neil Elliott, Mark Reasoner, 2010-11-01 Documents and Images for the Study of Paul gathers representative texts illustrating Jewish practices Greco Roman moral exhortation biblical interpretation Roman ideology apocalyptic visions epistolary conventions and much more to illustrate the complex cultural environment in which Paul carried out his apostolic work and the manifold ways in which his legacy was reshaped in early Christianity Brief insightful introductions orient the reader to how these sources might play a role in different contemporary interpretations of Paul's life and thought Lavishly illustrated with more than one hundred black and white photographs charts a map and timeline of Paul's world this sourcebook is a welcome resource for courses on Paul and his letters **Biblica: Vol:71**, Friendship and Benefaction in James Alicia J. Batten, 2017-06-23 Now available from SBL Press Employing social description social scientific models and rhetorical analysis Alicia J Batten argues that the letter of James is conversant with the topic of friendship within Greek and Roman literature as well as within various texts of early Christianity She illustrates how James drew upon some of the language and concepts related to friendship with an intriguing density to advocate resistance to wealth avoidance of rich patrons and reliance upon God Features Use of friendship benefaction and patronage as lenses through which James and related texts can be viewed A strong case for how the letter appeals to the language and ideas of friendship with regard to God's relationships with humans Exploration of the relationship between the book of James and the teachings of Jesus

**The Torah in Matthew** Francois Viljoen, 2018 Jesus relation to the Torah forms a significant motif in Matthew's Gospel This relation is taken up as an important theme in the Sermon on the Mount with its strong Sinai typology and disputes about the Torah are repeated throughout the Gospel Jesus is depicted as the last and greatest expositor of the Torah When reading this Gospel the central role of the Torah must be seriously considered This present study is furthermore relevant in the light of new insights that have developed in recent years on the diversity and dynamics within the Judaism that confronted Matthew This diversity within Judaism is usually related to Judaist attitudes towards the Torah To complicate this oral traditions were strong and lively Questions arose about the status of the written Scriptures and oral traditions and the authority ascribed to these The Matthean community developed within this turmoil of developing Judaism **Convergence**

Daniel J. Fick, Jesse K. Mileo, 2018-01-03 Philosophy and theology are important concepts for Christians. This important work identifies how philosophy shapes theology while also addressing various philosophical issues that arise within the Bible and theology. The hope is that this book will catapult the reader into critical thinking while creating an appetite and appreciation for these separate yet similar disciplines.

**Paul and the Discourse of Power** Sandra Hack-Polaski, 1999-08-01 Drawing on postmodern theory's insights regarding discourse, ideology, and power, this book explores the ways in which Paul navigated fluctuating and complex relationships of power with his churches, contributing to a discourse that defined the power dynamics of early Christianity. With respect to his own converts as well as to other leaders of the early church and in the heart of his theological language, Paul is seen to take part in a discourse that reinforces his apostolic authority.

*The Postmodern Bible* George Aichele, Fred W. Burnett, Robert M. Fowler, David Jobling, Tina Pippin, Wilhelm Wuellner, Bible and Culture Collective, 1995-01-01 The burgeoning use of modern literary theory and cultural criticism in recent biblical studies has led to stimulating but often bewildering new readings of the Bible. This book, argued from a perspective shaped by postmodernism, is at once an accessible guide to and an engagement with various methods, theories, and critical practices transforming biblical scholarship today. Written by a collective of cutting-edge scholars, with each page the work of multiple hands, *The Postmodern Bible* deliberately breaks with the individualist model of authorship that has traditionally dominated scholarship in the humanities and is itself an illustration of the postmodern transformation of biblical studies for which it argues. The book introduces, illustrates, and critiques seven prominent strategies of reading. Several of these interpretive strategies—rhetorical criticism, structuralism, and narratology, reader response criticism, and feminist criticism—have been instrumental in the transformation of biblical studies up to now. Many feminist and womanist criticism, ideological criticism, poststructuralism, and psychoanalytic criticism hold promise for the continued transformation of these studies in the future. Focusing on readings from both the Hebrew Bible and the New Testament, this volume illuminates the current multidisciplinary debates emerging from postmodernism by exposing the still highly contested epistemological, political, and ethical positions in the field of biblical studies.

**Academic Constraints in Rhetorical Criticism of the New Testament** J. David Hester Amador, J. David Hester, 1999-01-01 Rhetorical criticism promised to bring New Testament studies into a new era that approached the Bible as a document of persuasive discourse. Major proponents of this approach suggested that its potential lies in its democratization of biblical interpretation. To date, that promise has never been fulfilled. The reasons can be found by exploring the rhetoric of these rhetorical critics. Such an exploration uncovers systems of disciplinary constraints and discursive habits that keep rhetoric firmly within traditional units of academic biblical interpretation. The promise of rhetoric can only be fulfilled by shattering all notions of a rhetorical programme of biblical interpretation.

**Biblical Theology** Prof. Leo Perdue, 2010-10-01 One of the thorniest problems in theological study is the relationship between biblical studies on the one hand and constructive theology on the other. Theologians know that the Bible is the core source document

for theological construction and hence that they must be in conversation with the best in critical study of Scripture For many biblical scholars the point of what they do is to help the biblical text speak to today s church and world and hence they would do well to be in conversation with contemporary theology Yet too often the two groups fail to engage each other s work in significant and productive ways The purpose of the Library of Biblical Theology and this introductory volume to it is to bring the worlds of biblical scholarship and constructive theology together It will do so by reviving biblical theology as a discipline that describes the faith of the biblical periods on the one hand and on the other hand articulates normative understandings of modern faith and practice In this volume the authors begin by providing an overview of the history and possible future of biblical theology They introduce biblical theology as a fundamentally contrastive discipline one that is neither dogmatic theology seeking to explain the official teachings of a particular Christian tradition nor is it a purely historical approach to Scripture eschewing questions of the Bible s contemporary message and meaning Rather biblical theology takes seriously both the need to understand the message of Scripture in its particular historical context and the need to address that message to questions that confront contemporary human life

**Voice of Jesus in the Social Rhetoric of James** Wesley Hiram Wachob, 2000-01-13 This programmatic socio rhetorical investigation approaches the Epistle of James as an instance of written deliberative rhetoric and it seeks to ascertain the social texture of James 2 5 a rhetorical performance of language that in other contexts is explicitly attributed to Jesus Utilizing the conventions of Greco Roman rhetoric Dr Wachob successively probes the inner texture the intertexture the social and cultural texture and the ideological implications of the rhetoric in James 2 1 13 He analyses James activation of antecedent texts in the LXX common conceptions and topics in the broader culture and also sayings in the Jesus tradition He concludes that James emanates from the same milieu as the pre Matthean Sermon on the Mount and shows James 2 5 to be an artful performance of the principal beatitude in that early epitome of Jesus teachings
