*Rhetoric* William A. Covino, David A. Jolliffe, 1995 HA02 Rhetoric Concepts Definitions Boundaries William A Covino University of Illinois at Chicago David A Jolliffe University of Illinois at Chicago U1581 0 640 pp 6 1 8 x 9 1 4 0 02 325321 5 paperbound 1995 22 50nk August RHETORIC provides a comprehensive overview of the major concepts of rhetorical theory developed throughout history to the present The text is divided into four parts an introduction defining rhetoric conceptually and historically and interrogating the definitions it proposes a glossary providing explanations of important concepts periods and individuals a selection of perspectives by major scholars and a collection of 13 readings and related commentaries focusing on the relationship of rhetoric to other fields Concepts in Composition Irene L. Clark, 2019-05-13 Concepts in Composition is designed to foster reflection on how theory impacts practice allowing prospective teachers to assume the dual role of both teacher and student as they enter the discipline of Writing Studies and become familiar with some of its critical conversations Now in its third edition the volume offers up to date scholarship and a deeper focus on diversity both in the classroom and in relation to Writing Studies and literacy more broadly This text continues to offer a wealth of practical assignments classroom activities and readings in each chapter It is the ideal resource for the undergraduate or graduate student looking to pursue a career in writing instruction *American Indian Rhetorics of Survivance* Ernest L. Stromberg, 2006-07-30 American Indian Rhetorics of Survivance presents an original critical and theoretical analysis of American Indian rhetorical practices in both canonical and previously overlooked texts autobiographies memoirs prophecies and oral storytelling traditions Ernest Stromberg assembles essays from a range of academic disciplines that investigate the rhetorical strategies of Native American orators writers activists leaders and intellectuals The contributors consider rhetoric in broad terms ranging from Aristotle s definition of rhetoric as the faculty of discovering in the particular case what are the available means of persuasion to the ways in which Native Americans assimilated and revised Western rhetorical concepts and language to form their own discourse with European and American colonists They relate the power and use of rhetoric in treaty negotiations written accounts of historic conflicts and events and ongoing relations between American Indian governments and the United States This is a groundbreaking collection for readers interested in Native American issues and the study of language In presenting an examination of past and present Native American rhetoric it emphasizes the need for an improved understanding of multicultural perspectives **Rhetoric in Detail** Barbara Johnstone, Christopher Eisenhart, 2008-10-29 The eleven studies in this volume illustrate and advance the synthesis of discourse analysis with rhetorical studies Rhetoric in Detail shows how a variety of techniques from discourse analysis can be useful in studying such concerns as agency legitimation controversy and style and how concepts from rhetoric including genre and figuration can enrich the work of discourse analysts The authors research sites range from government commissions political speeches newspaper reports and letters to interviews and conversations in beauty salons and online Methodological overviews

interspersed throughout survey critical discourse analysis interactional sociolinguistics grounded theory computer aided corpus analysis narrative analysis and participant observation and provide suggestions for further reading Rhetoric in Detail is an invaluable source for rhetoricians looking for systematic grounded ways of approaching new more vernacular sites for rhetorical discourse and for discourse analysts interested in seeing what they can learn from the tradition and practice of rhetorical analysis

**Specialized Communication** Thorsten Roelcke, Ruth Breeze, Jan Engberg, 2025-06-02 Specialized communication in science technology or institutions is one of the most important and exciting fields of applied linguistics The handbook captures the current and relevant knowledge of specialized languages and professional communication It promotes international communication on central issues where dialogue is urgently needed concerning both their intellectual underpinning and the day to day practices associated with them

*Michelle Obama* Elizabeth J. Natalle, Jenni Simon, 2015-08-27 Michelle Obama First Lady American Rhetor is an edited anthology that explores the persona and speech making of the country's first African American first lady The result of these thought provoking essays is an interdisciplinary text that explores the First Lady from a rhetorical and cultural point of view Authors analyze her Democratic National Convention speeches her brand as First Lady her communication from her latest trip to Africa her agenda rhetoric in Let's Move and Reach Higher and her coming out as a Black feminist intellectual when she spoke at Maya Angelou's memorial service Readers will recognize Michelle Obama as a rhetor of our times a woman who influences America at the intersections of gender race and class and who is representative of what women are today

*Theorizing Composition* Mary Kennedy, 1998-06-25 The last 25 years have witnessed extraordinary growth in the academic specialization variously described as composition studies or rhetoric and composition What was noticeable about the field in its infancy was a preoccupation with practice a lack of emphasis on theory and an exclusive reliance on the writing process As its disciplinary status has grown the field has become far more theoretical Composition studies has expanded its focus reconceptualized the writing process and embraced a wide range of critical perspectives The result of this change is that terms such as poststructuralism social construction gender and genre which were largely unknown in 1965 now dominate discussion This reference book is a guide to the multiplicity of theories that have emerged to form the disciplinary foundation of composition studies The volume consists of 66 entries each of which is written by an expert contributor and focuses on a particular theory or group of theories While the entries show how various individuals have contributed to theoretical movements very few concentrate on the work of a single theorist Each entry first provides a critical summary of a particular theory or group of theories including key elements basic concepts and claims and information about seminal or particularly influential works It then reviews the theory's critical reception in composition studies and discusses its significance in the field The bibliography at the end of each entry lists primary texts and major scholarship related to the theory and provides additional suggestions for further reading The volume closes with a selected bibliography of important works

[Representations of Black](#)

Womanhood on Television Kandace L. Harris, Shauntae Brown White, 2019-07-01 Being Mara Brock Akil Representations of Black Womanhood on Television examines the body of work of Mara Brock Akil the showrunner who produced *Girlfriends* *The Game* *Being Mary Jane* and *Love Is*\_\_ The contributions to this volume are theoretically anchored in Patricia Hill Collins's Black Feminist Thought with a focus on how Brock Akil's shows intentionally address Black humanity and specifically provide context for Black women's lived experiences and empathy for Black womanhood by featuring woman-centered characters with flaws strength and complexity Shauntae Brown White and Kandace L Harris have compiled a volume that analyzes themes that define Black womanhood and examines audience reception of and social media interaction with Brock Akil's work *Forecasting Opportunity* Hunter W. Stephenson, 2005 This project focuses on the classical Greek rhetorical

construct *kairos* generally translated as right timing and due measure **Genocide Literature in Middle and Secondary Classrooms** Sarah Donovan, 2016-08-12 At the heart of this inquiry into the ethical implications of education reform on reading practices in middle and secondary classrooms the central question is what is lost hidden or marginalized in the name of progress Drawing on her own experiences as an English teacher during the No Child Left Behind era the author examines school cultures focused on meeting standards and measurable outcomes She shows how genocide literature illuminates the ethics of reading and helps teachers and students rethink how literature should be taught in this modern globalized era and the purposes of education more broadly **Was the Good Samaritan a Bad Economist?** Charles K. Wilber, 2021-05-11 In *Was the Good Samaritan a Bad Economist* Charles K Wilber argues that the American economy has not only failed to overcome poverty it has generated extreme inequality that in turn restricts social mobility and further marginalizes the poor Wilber argues that economic theory is permeated with ethical values and any economics must be so that human behavior is more complex than the economists' simple self-interest model that people are also driven by deeply embedded moral values that markets require intervention to create equity and that Catholic social thought provides the perspective and values to develop a more relevant social economics The author takes that modified economics and uses it to analyze specific social problems labor markets poverty inequality financial crisis and development Wilber next focuses on the important role of families labor unions parishes and small Christian communities such as the Catholic Worker movement as mediating institutions in the economy He concludes with a final look at the questions *Was the Good Samaritan a Bad Economist*

**Occupying Our Space** Cristina Devereaux Ramírez, 2015-04-02 Rhetorical impact that pioneering and revolutionary Mexican female journalists had in shaping a new direction for women in Mexico during the late nineteenth and early twentieth century Provided by publisher A Place to Stand Julie Lindquist, 2002-01-17 Linguists have become increasingly interested in examining how class culture is socially constructed and maintained through spoken language Julie Lindquist's examination of the linguistic ethnography of a working class bar in Chicago is an important and original contribution to the field She examines how regular patrons argue about political issues in order to create a group identity centered around

political ideology She also shows how their political arguments are actually a rhetorical genre one which creates a delicate balance between group solidarity and individual identity as well as a tenuous and ambivalent sense of class identity
