Sell, 2002-01-01 In this book members of the ChiLPA Project explore the children's literature of several different cultures ranging from ancient India nineteenth century Russia and the Soviet Union to twentieth century Britain America Australia Sweden and Finland The research covers not only the form and content of books for children but also their potential social functions especially within education These two perspectives are brought together within a theory of children's literature as one among other forms of communication an approach that sees the role of literary scholars critics and teachers as one of mediation Part I deals with the way children's writers and picturebook makers draw on a culture's available resources of orality literacy intertextuality and image Part II examines their negotiation of major issues such as the child/adult distinction gender politics and the Holocaust Part III discusses children's books as used within language education programmes with particular attention to young readers pragmatic processing of differences between the context of writing and their own context of reading Philosophy in Children's Literature Peter R. Costello, 2012-01-01 This book seeks to join the ongoing interdisciplinary approach to children's literature by means of sustained readings of individual texts by means of important works in the history of philosophy Its inclusion of authors from both various departments philosophy literature religion and education and various countries is an attempt to show how traditional boundaries between disciplines might become more permeable and how philosophy offers important insights to this interdisciplinary critical conversation *Critical Multicultural Analysis of Children's Literature* Maria José Botelho, Masha Kabakow Rudman, 2009-05-07 Children's literature is a contested terrain as is multicultural education Taken together they pose a formidable challenge to both classroom teachers and academics Rather than deny the inherent conflicts and tensions in the field in *Critical Multicultural Analysis of Children's Literature* Mirrors Windows and Doors Maria Jos Botelho and Masha Kabakow Rudman confront deconstruct and reconstruct these terrains by proposing a reframing of the field Surely all of us children teachers and academics can benefit from this more expansive understanding of what it means to read books Sonia Nieto From the Foreword Critical multicultural analysis provides a philosophical shift for teaching literature constructing curriculum and taking up issues of diversity and social justice It problematizes children's literature offers a way of reading power explores the complex web of sociopolitical relations and deconstructs taken for granted assumptions about language meaning reading and literature it is literary study as sociopolitical change Bringing a critical lens to the study of multiculturalism in children's literature this book prepares teachers teacher educators and researchers of children's literature to analyze the ideological dimensions of reading and studying literature Each chapter includes recommendations for classroom application classroom research and further reading Helpful end of book appendixes include a list of children's book awards lists of publishers diagrams of the power continuum and the theoretical framework of critical multicultural analysis and lists of selected children's literature journals and online resources **Navigating Children's Literature through Controversy**, 2023-09-20 This collection focuses on

the specific issue of controversy as a cross sectional aspect of contemporary children s and YA literature in a spectrum stretching from national experiences to explore the impact of specific historical economic and social environments on the rise of controversies to inter national exchanges in which controversies are generated specifically by the interactions between cultures to international contexts that deal with controversies relevant on a global scale By adopting controversy as an adjustable lens for a joined consideration of literary themes narrative or aesthetic solutions translation choices publishing and marketing decisions and discursive practices the volume establishes a diversified collection of chapters that offers new insight into functions of children s and YA literature in contemporary culture

Children's Literature and Culture

Rebecca Rowe,2025-08-08 Children s Literature and Culture An Introduction guides readers in the study of culture in around and through children s literature Children s literature has long been used as a mechanism by which a culture passes its values from one generation to the next Because of this culturally didactic purpose children s literature can be viewed as one of the most fruitful areas of study of any given culture At the same time studying the cultures from which works of children s literature emerge and in which they circulate can also help better understand not only the ideas of childhood that underpin individual texts for children but the role they play in the construction and transmission of different cultural ideologies This book teaches readers this double work of using culture to understand children s literature and vice versa This volume traces the scholarly methodologies and histories that have attended the study of each of the 20 chapters given subject from the representation of race in and around children s literature to questions of censorship to how libraries can and do shape children s literature In the process it prepares readers to confidently enter and forward scholarly debates and to teach such debates to their own students

Adulthood in Children's Literature

Vanessa Joosen,2018-09-06 While most scholars who study children s books are pre occupied with the child characters and adult mediators Vanessa Joosen re positions the lens to focus on the under explored construction of adulthood in children s literature Adulthood in Children s Literature demonstrates how books for young readers evoke adulthood as a stage in life enacted by adult characters and in relationship with the construction of childhood Employing age studies as a framework for analysis this book covers a range of English and Dutch children s books published from 1970 to the present Calling upon critical voices like Elisabeth Young Bruehl Margaret Morganroth Gullette Peter Hollindale Maria Nikolajeva and Lorraine Green and the works of such authors as Babette Cole Philip Pullman Ted van Lieshout Jacqueline Wilson Salman Rushdie and Guus Kuijer Joosen offers a fresh perspective on children s literature by focusing not on the child but the adult
