

Why should there not be a patient confidence
in the ultimate justice of the people? Is there
any better or equal hope in the world? –
Abraham Lincoln, First Inaugural Address.

Jon Meacham

Rhetoric Of The People Is There Any Better Or Equal Hope In The World

Frank S. Kastor

Rhetoric Of The People Is There Any Better Or Equal Hope In The World:

Rhetoric of the People ,2023-12-18 **Landmark Essays on Rhetorical Criticism** Thomas W. Benson,2020-08-18 This book is an anthology of landmark essays in rhetorical criticism In historical usage a landmark marks a path or a boundary as a metaphor in social and intellectual history landmark signifies some act or event that marks a significant achievement or turning point in the progress or decline of human effort In the history of an academic discipline the historically established senses of landmark are mixed together jostling to set out and protect the turfmarkers of academic specialization aligning footnotes to signify the beacons that have guided thought and against these conservative tendencies attempting to contribute fresh insights that tempt others along new trails The editor has chosen essays for this collection that give some sense of the history of rhetorical criticism in this century especially as it has been practiced in the discipline of speech communication He also emphasizes materials that may illustrate where the discipline conceives itself to be going how it has marked its boundaries how it has established beacons to invite safety or warn us from the rocks and how it has sought to preserve a tradition by subjecting it to constant revision and struggle In the hope of providing some coherence the scope of this collection is limited to rhetorical criticism as it has been practiced and understood within the discipline of speech communication in North America in this century **Manual of Composition and Rhetoric** John Hays Gardiner,George Lyman Kittredge,Sarah Louise Arnold,1907 *A Poetics of Augustan Elegy* Donald C. Mell,2024-09-02 **Milton and the Literary Satan** Frank S. Kastor,2025-01-27 Thinking Confederates Dan R. Frost,2000 Dan Frost shows how inspired by the idea of progress these men set about transforming Southern higher education Recognizing the north s superiority in industry and technology they turned their own schools from a classical orientation to a new emphasis on science and engineering These educators came to define the Southern idea of progress and passed it on to their students thus helping to create and perpetuate an expectation for the arrival of the New South BOOK JACKET *The Theory and Practice of Political Communication Research* Mary E. Stuckey,1996-01-01 Focusing on theoretical and methodological insight this book brings together scholars from a variety of fields whose research is guided by diverse analytical approaches Instead of focusing on what divides scholars the authors explore areas of intellectual community building a more systematic and rigorous understanding of political communication By broadening and deepening understanding of the field this book provides insight into political processes that would otherwise be lacking **Enduring Legacy** W. Stuart Towns,2012-01-09 Explores the crucial role of rhetoric and oratory in creating and propagating a Lost Cause public memory of the American South Enduring Legacy explores the vital place of ceremonial oratory in the oral tradition in the South and analyses how rituals such as Confederate Memorial Day Confederate veteran reunions and dedication of Confederate monuments have contributed to creating and sustaining a Lost Cause paradigm for Southern identity Towns studies in detail secessionist and Civil War speeches and how they laid the groundwork for future generations including Southern responses to the civil rights movement

and beyond The Lost Cause orators that came after the Civil War Towns argues helped to shape a lasting mythology of the brave Confederate martyr and the Southern positions for why the Confederacy lost and who was to blame Innumerable words were spent in commemorative speeches newspaper editorials and statehouse oratory condemning the evils of Reconstruction redemption reconciliation and the new and future South Towns concludes with an analysis of how Lost Cause myths still influence Southern and national perceptions of the region today as evidenced in debates over the continued deployment of the Confederate flag and the popularity of Civil War reenactments

Hard Reading T. A. Shippey, 2016 An exploration of politics and the role of the soft sciences in Science Fiction

Deeds Done in Words Karlyn Kohrs Campbell, Kathleen Hall Jamieson, 1990-06-15 Deeds Done in Words is an impressive piece of work It is the first attempt to identify and assess the principal genres of rhetoric and to interpret the panoply of those genres in terms of the needs of and the needs for ritual in American politics Jeffrey Tulis author of The Rhetorical Presidency Deeds Done in Words is a thoughtful survey of how a democracy uses language to transact its business Based on an enlivened understanding of genre theory and on numerous pieces of original criticism Campbell and Jamieson vividly show how central public discourse has become the lifeblood of the American polity Roderick Hart author of The Sound of Leadership The rhetoric that issues from the White House is becoming an ever more salient part of what the presidency means and does This acute inquiry provides a great many insights into the forms meanings and functions of presidential discourse It is an enlightening contribution to our understanding of American politics Murray Edelman author of Constructing the Political Spectacle

Handbook of American Popular Culture M. Thomas Inge, 1978 Library has Volumes 1 and 2

Good Words, 1865

Political Argumentation in the United States David Zarefsky, 2014-09-15 In the United States political argumentation occurs in institutionalized settings and the broader public forum in efforts to resolve conflict and efforts to foster it in settings with time limits and controversies that extend over centuries From the ratification of the U S Constitution to the presidency of Barack Obama this book contains twenty studies of U S political argumentation grouped under four themes early American political discourse Abraham Lincoln s political argumentation argumentation about foreign policy and public policy argumentation since the 1960s Deploying methods of rhetorical criticism argument analysis and evaluation the studies are rich in contextual grounding and critical perspective They integrate the European emphasis on politics as an argumentative context with the U S tradition of public address studies Two essays have never before been published The others are retrieved from journals and books published between 1979 and 2014 The introductory essay is new for this volume

Costerus, 1975 Essays in English and American language and literature

Barack Obama and the Rhetoric of Hope Mark S. Ferrara, 2013-07-16 The historical and literary antecedents of the President s campaign rhetoric can be traced to the utopian traditions of the Western world The rhetoric of hope is a form of political discourse characterized by a forward looking vision of social progress brought about by collective effort and adherence to shared values including discipline temperance a strong work ethic self reliance and service to the

community By combining his own personal story as the biracial son of a white mother from Kansas and a black father from Kenya with national mythologies like the American Dream Obama creates a persona that embodies the moral values and cultural mythos of his implied audience In doing so he draws upon the Classical world Judeo Christianity the European Enlightenment the U S Constitution and Bill of Rights the presidencies of Jefferson Lincoln and FDR slave narratives the Black church the civil rights movement and even popular culture

Good words, ed. by N. Macleod Norman Macleod,1865 **Dutch Quarterly Review of Anglo-American Letters** ,1976 **The World's Wasted Wealth 2** J. W. Smith,1994 Following the footsteps of Thorstein Veblen Stuart Chase Ralph Borsodi and others JW Smith demonstrates the wasted labor within the American Economy at fully 50% Eliminate the monopolization and wars which engenders that waste share the remaining productive jobs and each employable person need work outside the home only 2 to 3 days per week
